gave a voice I think the best description was given by Robert Frost A poem begins as a lump in the throat a homesickness or lovesickness It is a reaching out for expression an effort to find fulfillment A complete poem is one where an emotion has found its thought and the thought has found words *Hell's Spells* Devon Monk,2020-10-12 In a town like Ordinary anything can happen Unfortunately for Delaney Reed it usually does Police Chief Delaney Reed's little beach town where gods vacation and monsters reside is finally back to normal No possessed souls no vortexes to hell and absolutely no one's turned into a frog lately Then the queen of demons appears in her backseat begging to hide out in Ordinary and Delaney knows her peace and quiet is over and out Dealing with a demon fugitive isn't the only thing on Delaney's plate She's also trying to figure out why her boyfriend Ryder Bailey has been sneaking out of town every night and why her sisters are keeping secrets But when the gods in town begin to act funny Delaney knows something strange is going on It might have something to do with two powerful magical items that suddenly go missing Or it might have something to do with those little gaps of time Delaney's been losing and the memories she can't quite recall *Hell's Bay* James W.
