Hell, Healing, and Resistance Daniel Hallock, 1998 *The War I Survived Was Vietnam* Michael Uhl, 2016-09-14 This singular collection of articles essays poems criticism and personal recollections by a Vietnam veteran documents the author's reflections on the war from his combat experiences to his exploration of American veteran identity to his struggles with PTSD His career as an advocate for the welfare of GIs and veterans exposed to dangerous radiation and herbicides is covered Several pieces deal with how the Vietnam experience is being archived by scholars for historical interpretation These collected works serve as a study of how wars are remembered and written about by surviving veterans **The ^AOxford**

Handbook of Religion, Conflict, and Peacebuilding Atalia Omer, R. Scott Appleby, David Little, 2015-03-02 The book provides a comprehensive overview of the literature on religion conflict and peacebuilding With a focus on structural and cultural violence the volume also offers a cutting edge interdisciplinary reframing of the scope of scholarship in the field

The Peace We Can't Reach Meg Gorzycki, 2023-09-28 Propelled by George Floyd's murder in her hometown of Minneapolis Meg Gorzycki addresses the question of why peace is difficult to cultivate and sustain and finds that America has always had a love hate relationship with peace The Peace We Can't Reach posits that peace is more than the absence of war and aggression and in its most profound sense is shalom the commitment to live for the well being of all so that compassion and justice might prevail Exploring shalom from the perspective of war police brutality mass shootings and economic injustice this book offers evidence that neither democracy nor Christianity as Americans have known them are capable of achieving peace It asserts that the keys to peace are personal and social narratives that give people a sense of identity and their highest purpose and concludes that gaining control over these narratives is vital to shalom Understanding World Religions

David Whitten Smith, Elizabeth Geraldine Burr, 2014-08-21 Understanding World Religions introduces students to major worldviews including Hindu Buddhist Muslim Jewish Christian Native American and Marxist through the lens of justice and peace The second edition has been updated and revised throughout After an introduction to key themes in studying world religion chapters help students explore major traditions today Each chapter takes a similar approach examining several dimensions of each tradition experiential and emotional social and institutional narrative or mythic doctrinal and philosophical practical and ritual and ethical and legal Chapters feature profiles of major peacemakers or groups to bring the traditions to life Profiles range from Gandhi and Martin Luther King to Thich Nhat Hanh and Dorothy Day Further chapters explore liberation theologies active nonviolence and just war theory The second edition features a broader framework than the first edition and includes new material on non religious ethical norms Islamophobia colonial evangelization religion in China and an updated examination of the Israel Palestine conflict Understanding World Religions remains a powerful introduction to major worldviews with an emphasis on practical connections to peace and justice *Swords Into*

Plowshares, Volume Two Arthur J. Laffin, 2010-05-01 On September 9 1980 the Plowshares Eight entered a General Electric

plant in King of Prussia Pennsylvania and enacted the biblical command to beat swords into plowshares by hammering on the nose cones of two nuclear warheads and pouring blood on documents Since that time other small groups and individuals have entered manufacturing plants and military bases throughout the U S as well as in Australia Germany England Ireland Sweden and Holland to disarm components of nuclear and conventional weapons systems As of Spring 2003 there have been over 150 people who using hammers and other symbols have carried out over 75 plowshares and related disarmament actions This book recounts each of the actions that have occurred over the last twenty three years and includes information about the trials and sentences plowshares activists have received Photos of some of the actions and participants are also included in this chronology as well as other resources for peace and justice **Vietnam Awakening** Michael

Uhl,2014-11-29 In this vividly honest memoir author Michael Uhl details his experiences in Vietnam as first lieutenant of a counterintelligence team attached to the 11th Infantry Referencing his personal journal and wartime correspondence with friends and family the author relives the most shocking events that he witnessed during his military service including the abuse and torture of several Vietnamese civilians In Part Two the author outlines his years as an activist with the veterans movement against the Vietnam War *War and the Soul* Edward Tick,2012-12-19 With a resounding salute to those who have given their lives this book empowers us to overcome the soul loss that is the result of all wars Jan C Scruggs founder Vietnam Veterans Memorial Speaking as a war veteran I do believe Ed Tick s heart has seen what my eyes have seen Robert Reiter veterans service officer Post traumatic stress disorder increasingly afflicts veterans of modern warfare The New England Journal of Medicine reports that it affects almost 20% of soldiers returning from Iraq Tragically PTSD impacts all aspects of life Some vets can t hold jobs or sustain relationships Others have recurrent nightmares or won t leave home fearing they may attack the enemy seen in the faces of those they meet To begin healing says Edward Tick we must see PTSD as a disorder of identity itself The violence of war can cause the very soul to flee and be lost for life Drawing on history mythology and thirty years of experience Dr Tick reveals the universal dimensions of veterans soul wounding He uses methods from ancient Greek Native American Vietnamese and other traditions to restore the soul so that the veteran can at last truly return home His work is invaluable for veterans of any war as well as for their families and all who care for them

Mother Jones Magazine ,1999-03 Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues Safe Return Michael Uhl,2023-05-30 In 1971 antiwar activists Michael Uhl and Tod Ensign founded the Safe Return Committee in New York City seeking amnesty for those who resisted the Vietnam War While thousands of young Americans chose exile in Canada and Europe to avoid the draft Safe Return worked on behalf of those who had come to oppose the war after entering the armed forces Once in uniform many ran afoul of a draconian system of military justice and institutionalized racism They deserted in epidemic numbers some to foreign exile This book tells the story of the Committee s sponsored return of deserters and draft

evaders in a series of actions widely publicized to build public support for their acts of resistance War and Christian Conscience Fahey, Joseph J.,2014-04-10 This primer on war and the Christian conscience begins in an imaginary college classroom as students react to news that the draft has been reinstated Why cant I finish college asks one student Why do I have to go These urgent and personal questions offer the entry to a clear and comprehensive outline of the basic Christian responses to the problem of war As Fahey shows the Christian tradition has supplied a variety of answers including pacifism just war teaching the ethic of total war and the vision of a world community In the face of these different approaches how are we to decide which one is right And more basically how does one go about forming ones personal conscience For all who ponder these moral challenges whether as young people facing the question of military service or as counselors chaplains or teachers this book offers an essential and practical guide **Critical Approaches to International Security** Karin M. Fierke,2015-03-06 During the Cold War the concept of international security was understood in military terms as the threat or use of force by states The end of East West hostilities however brought critical perspectives to the fore as scholars sought to explain the emergence of new challenges to international stability such as environmental degradation immigration and terrorism The second edition of this popular and highly respected text offers a wide ranging and comprehensive analysis of the growing field of critical security studies All the chapters have been fully revised and updated to map the on going evolution of debates about international security since 1989 including the more recent shift in emphasis from critiques of the realist practices of states to those of global liberal governance Topics covered include the relationship between security and change identity the production of danger fear and trauma human insecurity and emancipation The book explores the meaning and use of these concepts and their relevance to real life situations ranging from the War on Terror to the Arab Spring migration suffering in war failed states and state building and the changing landscape of the international system with the emergence of a multipolar world and the escalation of global climate change Written with verve and clarity and incorporating new seminar activities and questions for class discussion this book will be an invaluable resource for students of international relations and security studies Independent Publisher ,1999 Ecology of War & Peace Tom H. Hastings,2000 How do mobilization for war and the actual war effort affect the environment How do ecological conditions encourage war What are possible non violent solutions to the ecological conflict dynamic Ecology of War Peace attempts to answer these questions in readable prose with an unapologetic bias toward non violence Citizens of the Empire Robert Jensen,2004-04 As we approach the elections of 2004 U S progressives are faced with the challenge of how to confront our unresponsive and apparently untouchable power structures With millions of antiwar demonstrators glibly dismissed as a focus group and with the collapse of political and intellectual dialogue into slogans and soundbites used to stifle protest Support the Troops We Are the Greatest Nation on Earth etc many people feel cynical and hopeless Citizens of the Empire probes into the sense of disempowerment that has resulted from the Left s inability to halt the violent and repressive course

of post 9 11 U S policy In this passionate and personal exploration of what it means to be a citizen of the world s most powerful affluent and militarized nation in an era of imperial expansion Jensen offers a potent antidote to despair over the future of democracy In a plainspoken analysis of the dominant political rhetoric which is intentionally crafted to depress political discourse and activism Jensen reveals the contradictions and falsehoods of prevailing myths using common sense analogies that provide the reader with a clear thinking rebuttal and a way to move forward with progressive political work and discussions With an ethical framework that integrates political intellectual and emotional responses to the disheartening events of the past two years Jensen examines the ways in which society has been led to this point and offers renewed hope for constructive engagement Robert Jensen is a professor of media law ethics and politics at the University of Texas Austin He is the author of *Writing Dissent Taking Radical Ideas from the Margins to the Mainstream* among other books He also writes for popular media and his opinion and analytical pieces on foreign policy politics and race have appeared in papers and magazines throughout the United States

[Nonviolent Response to Terrorism](#) Tom H. Hastings, 2004-07-15 Terrorism which by definition targets civilians is unacceptable but a violent response to violence usually causes more violence This book outlines some of the best thinking about nonviolent methods of resisting terrorism in the growing fields of international aid and nonviolent interposition The first section covers immediate nonviolent response to terrorism international negotiations mediations and adjudication UN and citizen sanctions cross cultural communication citizen initiatives international treaties and the World Court the International Criminal Court and nonviolent resistance through raising consciousness to mobilization and resisting state sponsored terror The second section on long term non violent response to terrorism discusses halting arms trade and militarism stopping arms flow to terrorists defunding the military building sustainable just economies aid to the poor reducing privileged overconsumption peace and conflict education understanding and using the media refugee repatriation and helping indigenous liberation struggles Instructors considering this book for use in a course may request an examination copy here
