# Hello Canada The Life And Times Of Foster Hewitt

**S. W. Pope, John Nauright**

## **Hello Canada The Life And Times Of Foster Hewitt:**

*Hello Canada!Life/* Scott Young,1986-09-01 The life of Canadian broadcasting legend Foster Hewitt is recounted in vivid detail in author Scott Young s moving biography From his early days as a sports announcer on local radio to his nationwide success on Hockey Night in Canada Hewitt s remarkable career spanned the early days of television the opening of Toronto s Maple Leaf Gardens and the epic 1972 Canada Russia Summit Series For his contributions to Canadian sports media Foster Hewitt was inducted into the Hockey Hall of Fame in 1965 and was made an Officer of the Order of Canada in 1972 *The Struggle for Canadian Sport* Bruce Kidd,2017-06-22 Canadian sports were turned on their head during the years between the world wars The middle class amateur men s organizations which dominated Canadian sports since the mid nineteenth century steadily lost ground swamped by the rise of consumer culture and badly battered and split by the depression In *The Struggle for Canadian Sport* Bruce Kidd illuminates the complex and fractious process that produced the familiar contours of Canadian sport today the hegemony of continental cartels like the NHL the enormous ideological power of the media the shadowed participation of women in sports and the strong nationalism of the amateur Olympic sports bodies Kidd focuses on four major Canadian organizations of the interwar period the Amateur Athletic Union the Women s Amateur Athletic Federation the Workers Sport Association and the National Hockey League Each of these organizations became focal points of debate and political activity and they often struggled with each other Each had a radically different agenda the AAU sought the making of men and the strengthening of English Canadian nationalism the WAAF promoted the health and well being of sportswomen the WSA was a vehicle for socialism and the NHL was concerned with lucrative spectacles These national organizations stimulated and steered many of the resources available for sport and contributed significantly to the expansion of opportunities They enjoyed far more power than other Canadian cultural organizations of the period and they attempted to manipulate both the direction and philosophy of Canadian athletics Through their control of the rules and prestigious events and their countless interventions in the mass media they shaped the dominant practices and coined the very language with which Canadians discussed what sports should mean The success and outcome of each group as well as their confrontations with one another were crucial in shaping modern Canadian sports *The Struggle for Canadian Sport* adds to our understanding of the material and social conditions under which people created and elaborated sports and the contested ideological terrain on which sports were played and interpreted *The Lives of Conn Smythe* Kelly McParland,2012-10-02 While the story of the Toronto Maple Leafs has been told many times there has never been a full biography of the man who created built and managed the team turning it from a small market collection of second rate players into the hockey and financial powerhouse that dominated Canadian sports and created a collection of Canadian icons along the way From the 1920s to the mid 1960s Conn Smythe was one of the best known highest profile figures in the country irascible tempestuous outspoken and controversial He not only constructed a hockey team that dominated the league

for long stretches but was critical to the growth and shaping of the NHL itself By building Maple Leaf Gardens and hiring Foster Hewitt to fill Canada's living rooms with weekly broadcasts he turned Saturday night into hockey night creating institutions and habits that became central to Canada's character and remain with us today Smythe's story is much deeper and richer than the tale of a cantankerous hockey owner Smythe fought in both world wars fighting at Ypres and Passchendaele in the first war and landing at Normandy in the second He was wounded in both and spent two years as a POW in a German camp after being shot down in 1917 He grew up in poverty and vowed to escape the life that was so incredibly hard on his family Smythe was active in politics and ignited a national crisis over conscription that split the Liberal government in two and brought Mackenzie King to the brink of resignation This book tells the life of one of the country's great characters a man who helped shape and define us and who left behind national habits and institutions that continue to lay at the heart of what makes Canada Canada

**The Fastest Game in the World** Bruce Berglund, 2020-12-08 The untold story of hockey's deep roots from different regions of the world and its global cultural impact Played on frozen ponds in cold northern lands hockey seemed an especially unlikely game to gain a global following But from its beginnings in the nineteenth century the sport has drawn from different cultures and crossed boundaries between Canada and the United States across the Atlantic and among different regions of Europe It has been a political flashpoint within countries and internationally And it has given rise to far reaching cultural changes and firmly held traditions The Fastest Game in the World is a global history of a global sport drawing upon research conducted around the world in a variety of languages From Canadian prairies to Swiss mountain resorts Soviet housing blocks to American suburbs Bruce Berglund takes readers on an international tour seamlessly weaving in hockey's local national and international trends Written in a lively style with wide ranging breadth and attention to telling detail The Fastest Game in the World will thrill both the lifelong fan and anyone who is curious about how games intertwine with politics economics and culture

[Routledge Companion to Sports History](#) S. W. Pope, John Nauright, 2009-12-17 The field of sports history is no longer a fledgling area of study There is a great vitality in the field and it has matured dramatically over the past decade Reflecting changes to traditional approaches sport historians need now to engage with contemporary debates about history to be encouraged to position themselves and their methodologies in relation to current epistemological issues and to promote the importance of reflecting on the literary or poetic dimensions of producing history These contemporary developments along with a wealth of international research from a range of theoretical perspectives provide the backdrop to the new Routledge Companion to Sports History This book provides a comprehensive guide to the international field of sports history as it has developed as an academic area of study Readers are guided through the development of the field across a range of thematic and geographical contexts and are introduced to the latest cutting edge approaches within the field Including contributions from many of the world's leading sports historians the Routledge Companion to Sports History is the most important single volume for researchers and students in and entering the

sports history field It is an essential guide to contemporary research themes to new ways of doing sports history and to the theoretical and methodological foundations of this most fascinating of subjects      *Slippery Pastimes* Joan Nicks, Jeannette Sloniowski, 2009-10-21 Sixteen essays written by specialists from many fields grapple with the problem of a popular culture that is not very popular but is seen by most as vital to the body politic whether endangered by globalization or capable of politically progressive messages for its audiences *Slippery Pastimes* covers a variety of topics Canadian popular music from rock n roll to country hip hop to pop Celtic television advertising tourism sport and even postage stamps As co editors Nicks and Sloniowski have taken an open view of the Canadian Popular and contributors have approached their topics from a variety of perspectives including cultural studies women s studies film studies sociology and communication studies The essays are accessibly written for undergraduate students and interested general readers      **Going Top Shelf** Michael P. J. Kennedy, 2005 *Going Top Shelf* brings together for the first time in one collection some of Canada s best hockey poems and song lyrics Included are works by such outstanding Canadian poets as Michael Ondaatje Al Purdy Margaret Avison Don Gutteridge and Lorna Crozier And for music lovers with a taste for contemporary Canadian music this entertaining collection includes lyrics by The Tragically Hip The Rheostatics Kathleen Edwards Stompin Tom Connors and others *Going Top Shelf* represents a cross section of Canada s poets and composers ranging from 19th century romantic poet Sir Charles G C Roberts to contemporary pop songstress Jane Siberry Altogether more than 30 authors and songwriters from across Canada reflect an intriguing diversity of forms and literary expression Yet in all the poems ice or the sport played to extensively in Canada upon it is used to express the ideas beliefs and attitudes of this diverse group of Canadian authors For the poetry scholar for the lover of good music for the hockey fan this is a collection to be enjoyed Indeed *Going Top Shelf* represents a literary top shelf of hockey poetry without equal      *When Television was Young* Paul Rutherford, 1990-01-01 A decade after the first Canadian telecasts in September 1952 TV had conquered the country Why was the little screen so enthusiastically welcomed by Canadians Was television in its early years more innovative less commercial and more Canadian than current offerings In this study of what is often called the golden age of television Paul Rutherford has set out to dispel some cherished myths and to resurrect the memory of a noble experiment in the making of Canadian culture He focuses on three key aspects of the story The first is the development of the national service including the critical acclaim won by Radio Canada the struggles of the CBC s English service to provide mass entertainment that could compete with the Hollywood product and the effective challenge of private television to the whole dream of public broadcasting The second deals with the wealth of made in Canada programming available to please and inform viewers even commercials receive close attention Altogether Rutherford argues Canadian programming reflected as well as enhanced the prevailing values and assumptions of the mainstream The final focus is on McLuhan s Question What happens to society when a new medium of communications enters the picture Rutherford s findings cast doubt upon the common presumptions about the awesome power of television

Television in Canada Rutherford concludes amounts to a failed revolution It never realized the ambitions of its masters or the fears of its critics Its course was shaped not only by the will of the government the power of commerce and the empire of Hollywood but also by the desires and habits of the viewers     Joining the Clubs J. Andrew Ross,2015-05-21 How did a small Canadian regional league come to dominate a North American continental sport Joining the Clubs The Business of the National Hockey League to 1945 tells the fascinating story of the game off the ice offering a play by play of cooperation and competition among owners players arenas and spectators that produced a major league business enterprise Ross explores the ways in which the NHL organized itself to maintain long term stability deal with its labor force and adapt its product and structure to the demands of local regional and international markets He argues that sports leagues like the NHL pursued a strategy that responded both to standard commercial incentives and also to consumer demands that the product provide cultural meaning Leagues successfully used the cartel form an ostensibly illegal association of businesses that cooperated to monopolize the market for professional hockey along with a focus on locally branded clubs to manage competition and attract spectators to the sport In addition the NHL had another special challenge unlike other major leagues it was a binational league that had to sell and manage its sport in two different countries Joining the Clubs pays close attention to these national differences as well as to the context of a historical period characterized by war and peace by rapid economic growth and dire recession and by the momentous technological and social changes of the modern age     **Canadian Journal of History of Sport** ,1993     Neil and Me Scott Young,2009-10-27 SCOTT YOUNG chronicles his son s early years in and around Toronto and Winnipeg and his rise from journeyman musician to superstar in the 1960s and 1970s The frequent occasions when Scott and Neil s paths have crossed from backstage meetings and family get togethers to a sold out appearance at Carnegie Hall give a fascinating portrait of an enigmatic star     *New Canadian Quotations* John Robert Colombo,1987     **Canadiana** ,1987     Notes to the University of Toronto Martin L. Friedland,2002-12-15 Two histories of the University of Toronto have been published one in 1906 and one in 1927 Since the latter volume appeared no comprehensive history of the University has been published Given the size of the University and the complexity of the task this is not entirely surprising But after sixty six years this gap in the intellectual history of Canada has been filled and we are delighted to announce publication in March of 2002 of Martin Friedland s new history of one of Canada s most important educational and cultural institutions The author of several books on legal history Professor Friedland brings to this task an accomplished eye and ear and a status as a long time member of the University community Professor Friedland s text is accompanied by over 200 maps drawings and photographs Published to coincide with the University s 175th anniversary The University of Toronto A History tells the story of the university in the context of the history of the nation of which it is a part weaving the stories of the people who have been a part of this institution people who make up a who s who in the history of Canada Anyone who attended the University or who is interested in the growth of Canada s intellectual heritage will enjoy this compelling and magisterial history     *Quill &*

*Quire*, 1986      The writers directory [Anonymus AC00423973], 1991      **Bibliographie de L'histoire Du Québec Et Du Canada, 1981-1985** Paul Aubin, 1990 Liste signal tique des documents parus entre 1981 et 1985 livres articles th ses L organisation de la bibliographie est en trois sections syst matique par ordre des grands sujets analytique par ordre des sujets particuliers auteur par ordre des noms avec renvois la section syst matique Les auteurs ont int gr l instrument des documents non recens s dans les ouvrages couvrant les p riodes ant rieures 1948 1965 1966 1975 1976 1980      **The Microphone Wars** Knowlton Nash, 1994 The Microphone Wars is the astonishing and sometimes hilarious chronicle of the CBC full of larger than life characters incidents of skulduggery and moments of both despair and exhilaration and all underpinned by the good humour and acumen of its author The CBC is the most intensely scrutinized institution in Canada Everyone it seems has an opinion on it Yet oddly its history has never been fully told before But now the missing story that reveals all has been written by the one person with intimate knowledge of the CBC who can be absolutely fair Knowlton Nash who retired from the corporation in 1992 Nash brings his extensive contacts his own experiences his journalist s objectivity and his tremendous research and storytelling skills to the Byzantine tale of Canada s public broadcaster Ever since the 1920s when radio took Canada by storm there has been war between those who want to use the airwaves solely for commercial profit and those who believe in public broadcasting for its role in education and nation building There have been battle between management and producers and stars between the CBC and successive governments Liberal and Conservative alike between the CBC board and its executives between the private broadcasters and the CBC even between various CBC luminaries and the bottle Along with his vivid and intimate portraits of these fights Nash gives us the stories of the CBC s many triumphs from Foster Hewitt s early play by play of Saturday Night hockey games and Matthew Halton s dramatic broadcasts from the frontlines of the Second World War to the magic of TV in the 1950s the renaissance of CBC Radio in the 1970s and CBC TV s drama and comedy hit programs in the 1980s There have been betrayals aplenty too by governments determined to curb the CBC s independence by ones means or another or to starve it into submission and by insiders plotting the demise of controversial programs and equally controversial producers and personalities Based on countless hours of research on interviews with forty major figure from the CBC s more recent past and on as many oral history tapes recorded by earlier CBC leaders The Microphone Wars is the definitive popular history of Canada s public broadcaster      *Nation and Society* Margaret Conrad, Alvin Finkel, 2004 Designed to accompany the two volume History of the Canadian Peoples and the one volume synthesis Canada A National History This book can also supplement any survey of Canadian history text or serve as a stand alone text Nation and Society Readings in Post Confederation Canadian History offers students a sample of some of the best recent scholarship on the history of Canada since Confederation The readings are grouped in a combination of time periods and themes that are commonly used in studies of the post Confederation period Inventing Canada 1867 1914 Economy and Society in the Industrial Age 1867 1918 Transitional Years Canada 1919 1945 Reinventing Canada 1945 1975

and Post Modern Canada     The Ultimate Road Trip Mike Wilson, Lance Hornby, 2020-10-06 The Ultimate Leafs Fan makes it his mission to figure out what makes fans bleed blue Mike Wilson the man ESPN called the Ultimate Leafs Fan attended every Leaf contest of the 2018 19 NHL season With a foreword from club president Brendan Shanahan and colourful souvenir photos The Ultimate Road Trip allows fans to vicariously experience the journey of a lifetime and explores the passion of the sign waving fully costumed diehards who fill arenas from Alberta to Anaheim Who are these people How did they get there What motivates them to follow a franchise that hasn't won a Stanley Cup in a half century Through 89 games from October to April the retired Bay Street trader explored all 31 rinks to document stories of Leafs love Mike took every conceivable mode of transport stayed in team hotels and on the couches of family and friends then went into the cheap seats private suites the streets sports bars hotel lobbies and many other unique locations where Leafs Nation gets together to gather tales both hilarious and heart wrenching Media personalities former players and NHL celebrities gave Wilson their thoughts on what fuels the Leafs passion
