Hello Im Karen

David C. Martin

Hello Im Karen:

Charlestown David C. Martin, 2010-12 *Charlestown* is a fictional story about the plight of Boston Taxi Cab drivers in the early 1980s and their struggle to form a Union as their answer to achieving better earnings and working conditions. Harry Sharpstone, Union organizer, is dispatched by the Teamsters Union of Chicago to orchestrate this union organization. Conflict, coalitions, and struggle result. Is resolve achieved? Typically, Management and Unions never achieve permanent resolve; just a temporary platform for a truce. The coalitions are the Taxi Cab owners and Taxi Medallion owners who are frequently from Charlestown and the North End and are supported by the enforcement of local Mafia types associated with known racketeer Raymond Patriarca of Providence Mafia fame. Since the issuance of these valuable Taxi Medallions is controlled by Boston Chief of Police Bratton, he may be lending favor to the owners. The other faction is the Taxi Cab Drivers. They are supported by the efforts of the Teamsters, which is ruled by James Hoffa, State Senate President Billy Bulger, who is known to favor the struggle of the blue collar worker, and Billy's brother Whitey Bulger, the suspected leader of the Winter Hill Gang and rackets in South Boston. When these two factions clash over the power struggle between the Taxi Cab Medallion owners and the Taxi Cab Drivers, the situation ranges from intense to combustible. Local political and social culture creates a distinct Boston flavor as the story twists, turns, and unfolds. Relax and enjoy for as long you can. You may find yourself sliding to the edge of your seat, not sure of how you got there.

fantasy Fantasy in the opinion of the author is a highly functioning imagination which includes extremely vivid pictures In such a fantasy the imagination can run wild to the point where the mind believes the events are true The events in the short stories poems and or quotes are merely 99% imagination leaving 1% truth The title also reflects how the author has reflected on life experiences to the point of how things may have gone or could have occurred from a fantasy perspective Each collection of short stories may have an alternate ending in a future setting The words of the title resemble all our needs to leave the reality that we re living in and escape to our alternate world The fantasy world is one where one can control every aspect and event The book also represents an urban outlook into the world which transitions into a cultural shock of limitless possibilities Some of the limitless possibilities include finding love in taboo interest
