## Help From Beyond:

**Regime Support Beyond the Balance Sheet** Matthew Rhodes-Purdy, 2017-10-19 This book challenges the conventional wisdom that policy performance is the most important determinant of regime support. It does so by focusing on two countries where performance and support do not match: Chile is the economic envy of every country in Latin America yet support has been surprisingly anemic. By contrast, Venezuela managed to maintain extremely high levels of support during the reign of Hugo Chávez despite severe failures of governance. Resolution of these paradoxes requires turning away from policy decisions and focusing instead on how those decisions are made. Taking inspiration from democratic theory and social psychology, this book argues that extensive opportunities for direct participation in the political process engenders in citizens strong feelings of efficacy, a sense of control over the course of politics. Rhodes-Purdy uses a mixed methods approach to test this theory, including qualitative case studies, analysis of survey data, and experimental methods. *Professional Support Beyond Initial Teacher Education* Anna Elizabeth Du Plessis, 2019-08-26 This book investigates the professional learning needs of teachers beyond initial teacher education, focusing on teachers in complex teaching positions such as out-of-field teaching practices. The information presented here will help to improve professional learning strategies while also offering an in-depth understanding of teachers' needs, leaders' perceptions, and what complex teaching situations mean for teachers' professional learning and development. Further, Du Plessis shares the perceptions and lived experiences of teachers, parents, leaders, and students as key stakeholders in quality teaching and learning environments. In light of new evidence-informed findings on the out-of-field phenomenon and continuing professional learning, Du Plessis puts forward strategies that will enhance the effectiveness of professional learning and development programs while also fostering improved decision-making and policy development. In brief, Du Plessis focuses on the impact that complex teaching situations have on teachers' unique needs, the support that is provided, and the influence of the out-of-field phenomenon on teachers' responses to continuing professional learning and development programs. **Way Beyond Compare** John C. Winn, 2008-12-09 An answered prayer for Beatles fans and collectors: the first volume of a unique work that exhaustively chronicles all known and available Beatles recordings. Have you ever watched a Beatles film clip and wondered where it was filmed? Is any more of that footage available? Have you ever heard a Beatles interview and asked when it was taped? Where's the best place to find the complete recording? *Way Beyond Compare* has the answers to these and thousands of similar questions. It's the key to unlocking the secrets behind every known Beatles recording in circulation through 1965, telling you where to find them, what makes them unique, and how they fit within the context of the Beatles' amazing musical and cultural journey. Author John C. Winn has spent twenty years, twice as long as the Beatles were together, sifting through, scrutinizing, organizing, and analyzing hundreds of hours of audio and video recordings and putting them into a digestible chronological framework for *Way Beyond Compare* and its companion volume, *That Magic Feeling: The Beatles' Recorded Legacy, Volume Two, 1966-1970*. It takes a rare

and special kind of mind to sift through it all to research and enquire catalogue and chronicle assess and contrast identify and label and to fit all the myriad pieces into the vast jigsaw puzzle that is the Beatles career John C Winn is that person and he s done it with a rare skill and intelligence Mark Lewisohn      *Beyond the Sirens* James Hopper,2024-12-10 When tragedy strikes Chaplain Jim Hopper is often one of the first responders standing alongside fire and law enforcement personnel as they face life s heart wrenching moments From the aftermath of a devastating mudslide to the chaos of a mass school shooting Jim has witnessed human pain and resilience up close yet in these darkest moments he has also seen something more the quiet powerful presence of the Holy Spirit Through each story Jim invites readers to step into his shoes experiencing both the weight of the crisis and the unexpected moments where God s hand is undeniably present Whether it s comforting a grieving family or helping a first responder process the trauma they ve witnessed Jim reflects on how God uses even the most painful experiences to shape us offering healing and hope This book isn t just about surviving difficult times it s about seeing how God moves in ways we often overlook shaping our lives during tragedy and triumph Looking back on his experiences Jim sees how his challenges have gracefully shaped his inner strength and ability to handle difficult situations For those searching for God s presence during traumatic times this book opens a window into the quiet often unnoticed moments Through the everyday lives of people in crisis we catch glimpses of the Holy Spirit at work bringing comfort and strength It s a chance to recognize grace amid chaos and to discover hope and meaning in the most unlikely places
