The seedling has three bright green leaves and a thin stem. The soil is dark brown and appears moist. The background is a soft, out-of-focus landscape with a warm, golden light, suggesting a sunrise or sunset. Overlaid on the left side of the image is the text "Growing our Faith" in a white, handwritten-style font.

Help My Faith Grow Lord:

God at Your Wits' End Marilyn Meberg, 2007-05-13 The good news about being at our wits end is that God meets us there To be human is to spend some time at our wits end in confusion desperation pain and fear In that difficult place we long for a tangible visible sign that God hears our cries and is actively working for good in our lives But all too often faulty thinking erodes our faith and alters our beliefs causing us to ask If He loves me so much why do I hurt so much Am I being punished I thought I was forgiven Why is faith so hard What if I don't have enough Why does God allow suffering In *God at Your Wits' End* Marilyn Meberg helps us cut through the mental clutter and confusion that lead to faulty thinking and shaky faith She tenderly acknowledges our trials by revealing her own wits end experiences then she points the way to rescue and respite by sharing the scriptural truths of God's enduring love and sovereign power **Pour Me out a Blessing Ministries** Deborah Wofford, 2010-10-13 There is no available information at this time

ways Many people have left the Christian church in disappointment Yet in the midst of this complicated world many people feel a deep hunger for spiritual depth and experience Where does faith come from How does a person get faith How can doubts be surmounted How does a person experience the presence of God in daily life After countless conversations with persons searching for faith the author summarizes the questions people have about faith and the church Faith is part of everyday life and not an opposite of science He proposes ways to experience the living presence of God in their lives Faith is not simply believing in creeds It is a trust which results in vibrant living Growing Your Faith by Being Faithful Tabitha Osborne, 2023-04-26 Have you pulled up anchor and deliberately sailed away from God or maybe you're just slowly drifting Until one day God's voice calls to you like the lighthouse will beckon to the nearby ships alerting them to danger God comes for us shining His light into the dark and dismal place that has us trapped I made many mistakes in my life while being away from God from the small barely noticeable ones which seemed easy to fix to the earth shattering knee bending ones that I couldn't crawl out of without help Today I know that a strong relationship with God takes time and effort Faith isn't stagnant

Faith involves active participation Like a seed develops its roots beneath the soil our faith grows deeper as we take our time getting to know God intimately through His Word The more we understand and see His faithfulness throughout the Bible the more we will love Him Then our faith strengthens and becomes rooted in Him In being faithful to my relationship with God I found myself anchored in place by deep roots and every gardener knows deep strong roots are hard to uproot These devotions were written to share my I finally get it moments when God would teach me through my work my relationships and my daily activities It didn't matter whether I was gardening traveling or cooking God used these moments to open my eyes to certain truths He wanted me to know On a roller coaster where only death was expected faith was finally understood While chasing a storm with my mother I understood a reason for trials As I wrote I prayed for the readers and I longed that they too would draw and stay closer to Him and I hope that you will be one of them **Uncommon** Carey Scott,2017-07-01

Seventy Times Seven the Transforming Power of Forgiveness Robin E. it had a name Second Thessalonians Steven R Cartwright, Kevin L Hughs, 2011-05-01 Apocalyptic speculation in one form or another is as persistent at the turn of this millennium as it was at the last The commentaries of Haimo of Auxerre and Thietland of Einsiedeln offer glimpses of two links in the unbroken chain of the apocalyptic tradition *Strong Faith* Pastor Chucks Uzonwanne, 2015-04-17 Strong faith is about developing your faith and making it strong Why do you need to develop grow or make your faith strong You need to develop and make your faith strong because you are a Spirit led person endued with the ability to recreate your world for the benefit of all people to the glory of Almighty God And this book will show you how to grow your faith from weak faith to little faith to strong faith and at the point when your faith is grown to great faith you are in total control of your destiny This is because strong faith will help you rise above the sea of oblivion by making your faith to arise take charge and control unwanted circumstances and conditions that sink men into the deep dark recesses of uncanny billows of setbacks and failure Strong faith will pick and thrust you out of the dung hills of apathy and empower you with authority to stand tall on the immutable and infallible promises of Almighty Jehovah to confidently speak words that are spirit and life This infers that strong faith being what it is is a revelation in a class of its own which when you adhere apply and practice will metamorphose and sail you on the ocean of the realms of the spirit to always see with the vista of God so you can define align and accomplish purpose This is why strong faith is irresistible revelation that will indefatigably coach you to shed the excess of the physical realm and plug your faith into the spirit realm as you practice daily the activation and unleashing of your faith to gain and accomplish supernatural heights that will cause you to walk victorious in life As the author I recommend strong faith to everyone in the battle field of life that wants to conquer instead of surrender to the enemy s flying bullet of apathy challenges opposition and failure And as you practice and live the dictates of strong faith may your faith be strengthened and strong to overcome in Jesus mighty name Amen Pastor Chucks Uzonwanne Christ House of Destiny Ministries London United Kingdom Growing a Successful Marriage Through Faith Charlie L. Jones, 2016-01-21 Growing a Successful Marriage through Faith tells the story of marriage The book has many facets first it describes the institution of marriage as it was meant to be between a man and a woman It tells of their relationship with the Creator which is the bond that holds the marriage together Second it tells of choices made by a man and a woman that break the marriage bond Finally it is a story about grace and redemption which is a free gift offered by God through faith to restore the bond I refer to this book as a marriage faith help book a book to assist couples to protect their marriage vows as well as to cultivate their marriage in producing the fruit of the Spirit Refining a marriage through faith requires not only having a personal relationship with God and allowing him to guide ones decision making but also being obedient to Gods instructions Growing a Successful Marriage through Faith not only represents an individual spiritual journey in which God redeems a person through a personal relationship with him but it also represents a spiritual marital journey where God redeems the marriage and restores the marriage bond through the Holy Spirit When the Holy Spirit bonds a marriage together the marriage is in a

state of holy matrimony The book Growing a Successful Marriage through Faith tells of my personal life story and possibly there are parts of the story that others may be able to relate to I think this book is unique in that it combines a life situation caused by personal choices with what the Bible says about the situation then reinforces the lesson through the essence of visuals in nature In this case the visuals are photographs of an okra plant that grew between the blocks of concrete Questions are presented to the reader throughout the text not only to engage the reader but also to reinforce that the solutions to relationship issues require self examination and spiritual solution The answers that you give may be reflections of your problem solving approach whether spiritual or otherwise In the Bible Jesus often used parables that involved nature and he performed miracles Both mediums were used to grow faith The book also serves to encourage those who are going through personal trials in their lives whether marriage health problems or any other difficult life circumstance to study the Word of God and pray that God sends the Holy Spirit to move in their lives When your relationship with God becomes close up and personal he gives you spiritual discernment that is the wisdom to put your lifes circumstances in their proper perspective and he gives you inner peace
