taken when this begins Now I say those of you who know Me will give Me heed of their time and give My daughter just love of her as she brings Our word and direction to you God has chosen to give earth a chance to change what is written in the Bible about the end of the world This Plan is Gods Holy way of letting everyone on earth know that through Him all eternity can change God has no choice but to give love freely to all who He created This is how Our Heavenly Father has graced us since the beginning of time Openly and without grudge of those who have moved against His will for their lives Welcome God into your life for a few hours while you read His Holy terms and conditions regarding this Plan Be as open minded as you think someone else should be to your ideas and allow Our Master Being to invite you into His mind for a change See what God thinks about all the changes mankind has made to confront Satan on his own and how much stronger Our fight against evil would be if we only let Our Father help us All earth is in turmoil presently and many people have given God prayers to ask for His help We have never learned the correct manner to pray of Our Heavenly Father who justifies our selfish prayer by allowing some correction made us However now God wants us to learn the correct terms of Holy Prayer to His being We need not spend hours in prayer to get what we need to sustain life here on earth But we need correct manner and guidance from God to know how to live each day according to His plan of our life Never before in the history of earth has Our LORD come to us to ask us to give His Soul Peace But today with the publishing of this Novel of Main Events God is changing the way He treats mankind for all time We have never been asked by Our Creator to give Him this much attention before God is now within moments of ending earth of Evil due to Satan and his fellow angels who are tormenting human beings to show their revenge on God for sending them from Heaven Our Father in Heaven is now creating a new world for us where love is prevalent above all else done We need to come to God our life planner for details of the way we need to conduct ourselves daily Should this plan fail and we not live up to the course His plan draws out for us within the next few short years destruction of earth will begin God is asking all mankind to adhere to this plan regardless of your religion background country laws or efforts forced against you This is how earth will replace pain in His soul with the love His time spent with us has greatly deserved Mankind has not given their Heavenly Father love completely as was His will when creating us God created man to show Him honor and give love back to His being Every time man touches against the will of Satan in the presence of The Father it brings excruciating pain of remorse to His being Time now has changed for God is no longer able to withstand our pained attempts of His form He sees us fall into traps set by Satan with no knowledge of this invisible beast of prey Now God is on the at

**Self, Earth, and Society** Thomas N. Finger,2020-03-12 Our era is experiencing unparalleled and rapid transience The twentieth century began with the telephone and ended with e mail People change jobs and homes a half dozen times or more in their lives Air and water pollution are threatening the well being of the earth itself Wars their multiplying refugees and political crises are tearing societies apart If there is a key word for our era it might be alienation Amid increasing and often chaotic complexity individuals struggle to attain an integrated stable self with durable relationships An expanding ecological consciousness reveals our estrangement from the earth Societies are internally divided by clashing political and economic perspectives and processes This profound and important book recognizes and reveals the connections among these three alienations Thomas Finger undertakes a probing critical conversation with culture and develops his own public theology Each alienation is analyzed in depth through the writings of secular authors His theological construction draws neither on modern philosophy nor worldviews but perhaps surprisingly on Scripture To support his emphasis on Christ Finger engages the skepticism of the much celebrated Jesus Seminar He rejects the widespread claim that Christianity s transcendent God is largely absent from the world and legitimates human exploitation of it For transcendence means that God is different but not distant from the world Finger then examines the roles of Jesus Father and Spirit in his earthly ministry In this and later scriptures these three act and interact in a salvific manner that can only be divine This means that his Father and Spirit also suffer with Jesus in his death and with all creation as J rgen Moltmann brilliantly explains and accompany him in his resurrection This also means that the creation exists in God

as some feminists maintain and originated as the overflow of God's love and character into a realm which was hardly distant from God yet very different. In addition, this entails that every human self and the process of becoming a self as God's creations must be respected as indeed must all earthly creatures and the basic structures needed to form and maintain any society. Theological developments in the last decade have done much to critique misguided biblical interpretations which would justify unbridled human exploitation and abuse of creation. But work in exploring how an understanding of a trinitarian transcendent God results in creative and caring relationship between humanity and creation has been less developed. In discussing these matters with Dr. Finger, I am convinced that his proposed work holds the promise of meeting an important need within global theological discussions today. Further, I know that Dr. Finger is fully capable of accomplishing this project. Thus, from my vantage point where I have the opportunity of hearing theological discussions on these subjects from the major Christian traditions and from throughout the globe, it is clear that Dr. Finger's proposal will fill a theological void and enrich our search for truth.

Wesley Granberg Michaelson, Executive Secretary, Commission on Church and Society, World Council of Churches, 1988-1994, General Secretary, Reformed Church in America, 1994-2011. [Mother Earth And Me... Are All We Need To Be Saved](#) James Dazouloute, 2019-09-15. This book is exactly what you need to be told to be reminded of and to be taught about Mother Earth and all that she represents to You and I. And since she has been around for a time that we could never imagine when it started, then it is best for us to come to her sides and allow her to hold our hands in providing for us in caring for us in helping us in healing us and in protecting us for life. Because Mother Earth is not here to hurt us, she is not here to dismember us like we are doing to her every hour of every day. But Mother Earth is here to bless us along with all the other Beings who inhabit her on her skin and even inside her belly. And so You and I are The Pioneers who are willing to take the very first steps in returning home to Mother Earth and begin to accept our duties. You and I can join together as the true loyal children of The Great Mother for us to fulfill our duty that a Son and Daughter have toward A Parent in protecting and loving. <https://www.JamesDazouloute.Net> For More.

The glory of God is a central theme that runs throughout Scripture. But what is God's glory? And what does it mean to glorify God? These are perhaps the most important questions we could ever ask. To answer them, it is crucial to see how God's glory is at the heart of the gospel and of the entire story of the Bible. According to biblical scholar Donnie Berry, glory refers to all the things the triune God is full of: his wisdom, love, creativity, beauty, strength, compassion, justice, life, joy, made manifest for us to see, to experience, to respond to, and perhaps most surprisingly, to participate in. From beginning to end, God's plan has always been to reveal his glory to his people and through his people so that his glory will fill the earth.
