**The ADHD Empowerment Guide** James W. Forgan,Mary Anne Richey,2021-09-23 Rated one of the Best ADHD Books of All Time by Book Authority The ADHD Empowerment Guide is different from other parenting ADHD books because it helps parents

identify and build upon their child's strengths and natural talents in order to develop a specific plan to unlock their child's potential. Parents are invited to complete two easy-to-follow questionnaires to identify their child's natural abilities as well as determine key characteristics in their child that research has shown to help children with ADHD succeed in life. These characteristics include emotional control, integrity, grit, resiliency, resourcefulness, organization, motivation, school fit, support systems, and productive use of technology. Using the practical strategies presented, strength-building activities, and the information learned from the questionnaires, parents can develop a success plan that will unlock their child's potential and build a positive outlook on the journey of raising a child with ADHD. The authors, two professionals who have been there and done that with their own children with ADHD, illustrate their strategies and content by highlighting successful people with ADHD who excelled in various areas and share some of their success secrets to raising a successful child with ADHD.

**Gentle Parenting Reimagined** Paul Sunseri, 2024-12-06 Do you feel like it's a constant battle to get your child or teen to do even the smallest things? Despite all of the parenting advice you've been given, nothing has worked. Maybe you like the idea of Gentle Parenting, but how exactly can a parent stay gentle in the face of daily disrespect and oppositional behavior? Gentle Parenting Reimagined offers evidence-based solutions for families stuck at a crossroads. Today's parents are becoming increasingly attentive towards raising loving humans in a peaceful environment that puts their emotional wellbeing first. This book unlocks proven strategies to help parents connect with their child and have the relationship they desire while vastly reducing or even eliminating daily behavioral challenges. Written by a leading child and family expert, this book draws from Dr. Paul Sunseri's 40 years of clinical experience working with oppositional and defiant children and teens. Using real-world examples, the book provides a clear roadmap to help parents manage disrespect, emotion dysregulation, temper tantrums, not listening problems, with homework, being on time for school, and much more. The book provides strategies to preserve the relationship and protect a child's emotional wellbeing while simultaneously improving their behavior. This book also addresses the unique challenges of the 21st century and considers how to gently parent in the digital age, managing screen time, social media, the technological impacts of the pandemic, and motivating your child to get things done. Written in a conversational and accessible style, this book provides parents and caregivers with tools and techniques for reducing conflict and increasing family connection. This book is essential reading for parents wanting to create a healthy and happier home environment, as well as for therapists looking to develop their skills in working with challenging children and teens. **Asian**
