El Romance Espanol Y El Corrido Mexicano Estudio Comparativo

Vicente T. Mendoza

El Romance Espanol Y El Corrido Mexicano Estudio Comparativo:

El romance español y el corrido mexicano Vicente T. Mendoza, 1939 **El romance español y el corrido mexicano** Vicente T. Mendoza, 1997 , *Judeo-Spanish Ballads from New York* Samuel G. Armistead, Joseph H. Silverman, 2023-04-28 In New York City during the winter of 1922 and the spring of 1923 Mair Jose Benardete recorded the texts of the thirty nine traditional ballads published in this volume His collection the beginning of Judeo Spanish ballad research in America was assembled when the oral tradition was still rich and vigorous among immigrants to New York from the Sephardic settlements of the Eastern Mediterranean and North Africa Among the ballads are a number of rare text types some never again recorded in the Sephardic communities of the United States In addition many of the texts provide new insights into the origins of the thematic traditions they represent Samuel G Armistead and Joseph H Silverman have edited the ballads collected by Benardete offering an English abstract and exhaustive bibliography for each ballad In addition to placing each ballad within the context of its Sephardic variants the bibliographies refer to the most important collections in the modern Castilian Portuguese Catalan and Hispano American traditions to earlier fifteenth to seventeenth century evidence and to any known analogs in other European traditions The volume also includes a general bibliography a thematic classification of the ballads several indexes and a glossary of exotic lexical elements In an introduction professors Armistead and Silverman present a documented survey of Judeo Spanish ballad scholarship with particular attention to fieldwork in the United States and elsewhere Benardete himself attributed the decline of ballad singing among the Sephardim to a growing preference for phonographic recordings over traditional family singers The need for further field work increases as Sephardic folkspeech and folklore retreat before the irresistible onslaught of the English language and modern American mass media culture from the Introduction This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1981 **The Horsemen of the Americas and the Literature They Inspired** Edward Larocque Tinker, 2014-11-11 Wherever cattle have been raised on a large scale horsemen have been there to handle them and wherever these horsemen have existed they have left an indelible mark upon the history of the land Frequently they have been ignorant violent and brutal Always they have been vigorous and individualistic They have taken their herds into frontier areas opened new country fought and driven off earlier inhabitants participated in revolutions battled among themselves and generally lived lives which colorful and somewhat frightening to their contemporaries have become robust legends to those who followed them Edward Larocque Tinker portrays the life of these people in the two Americas the conditions which created them and those that ultimately destroyed or transformed them Ever since I was a small boy when my parents returned from Mexico bringing me a charro outfit complete with saddle and bridle

Latin America has beckoned with the finger of romance Mr Tinker recalls As soon as I was old enough I made many trips to Mexico and in the days of Porfirio D az learned to know it from the border to the Isthmus of Tehuantepec During the Revolution I was with General Ivaro Obreg n when he was a Teniente Coronel in his Sonora Campaign and although I was only a lawyer on a holiday took care of his wounded in the battel of San Joaquin Later in Pancho Villa s train I was present at Celaya when he was defeated by Obreg n Always an ardent horseman I worked many a roundup with the vaqueros of Sonora and Chihuahua and with the cowboys of our Southwest I saw the similarity between the American cowboy the Argentine Gaucho and the Vaquero of Mexico They all received their gear and technique of cattle handling from Spain and developed the same independence courage and hardihood I thought if these qualities were better known they might serve as a bridge to closer understanding throughout the Americas From his study of the lives of these horsemen Tinker proceeds to an examination of the literature that evolved among and then about them The first and largest part of the book deals with the gaucho of Argentina and Uruguay The second and third sections examine the charro of Mexico and the cowboy of the United States

The Garland Handbook of Latin American Music Dale A Olsen, Daniel A Sheehy, 2021-11-18 First Published in 2000

The Garland Handbook of Latin American Music is comprised of essays from The Garland Encyclopedia of World Music Volume 2 South America Mexico Central America and the Carribean 1998 Revised and updated the essays offer detailed regional studies of the different musical cultures of Latin America and examine the ways in which music helps to define the identity of this particular area Part One provides an in depth introduction to the area of Latin America and describes the history geography demography and cultural settings of the regions that comprise Latin America It also explores the many ways to research Latin American music including archaeology iconography mythology history ethnography and practice Part Two focuses on issues and processes such as history politics geography and immigration which are responsible for the similarities and the differences of each region s uniqueness and individuality Part Three focuses on the different regions countries and cultures of Caribbean Latin America Middle Latin America and South America with selected regional case studies The second edition has been expanded to cover Haiti Panama several more Amerindian musical cultures and Afro Peru Questions for Critical Thinking at the end of each major section guide focus attention on what musical and cultural issues arise when one studies the music of Latin America issues that might not occur in the study of other musics of the world Two audio compact discs offer musical examples of some of the music of Latin America

Culture and Customs of Mexico Peter Standish, Steven M. Bell, 2004-04-30 Mexico with some 90 million people holds a special place in Latin America It is a large complex hybrid a bridge between North and South America between the ancient and the modern and between the developed and the developing worlds Mexico s importance to the United States cannot be overstated The two countries share historical economic and cultural bonds that continue to evolve This book offers students and general readers a deeper understanding of Mexico s dynamism its wealth of history institutions religion cultural output leisure and social customs

Life and Adventures of the Celebrated Bandit Joaquín Murrieta Ireneo Paz, 1999-11-30 Here in its original English translation is the dime novel-esque biography of one of the most infamous bandits in the history of the Old West for decades a source of fear and legend in the state of California To Mexicans and Indians however Joaquín Murrieta became a symbol of resistance to the displacement and oppression visited on them in the wake of the Mexican American War 1846-1848 particularly by the Forty Niners who flooded into California from all over the world during the Gold Rush In his introduction literary critic Luis Leal has researched and written the first definitive history of the Murrieta legend in its various incarnations Ireneo Paz's Spanish language biography was first published in Mexico City in 1904 it was translated into English by Frances P. Belle in 1925 This edition includes several line drawings that appeared in the original volume heightening the strong sense evoked here of this turbulent period in U.S. history

The Evolution of Popular Communication in Latin America Ana Cristina Suzina, 2021-05-19 This book brings together twelve contributions that trace the empirical conceptual evolution of Popular Communication associating it mainly with the context of inequalities in Latin America and with the creative and collective appropriation of communication and knowledge technologies as a strategy of resistance and hope for marginalized social groups In this way even while emphasizing the Latin American and even ancestral identity of this current of thought this book positions it as an epistemology of the South capable of inspiring relevant reflections in an increasingly unequal and mediatized world The volume's contributors include both early career and more established professionals and natives of seven countries in Latin America Their contributions reflect on the epistemological roots of Popular Communication and how those roots give rise to a research method a pedagogy and a practice from decolonial perspectives

El romance español y el corrido mexicano Vicente T. Mendoza (musicologue)., 1939 *The Garland Handbook of Latin American Music* Dale Olsen, Daniel Sheehy, 2007-12-17 The Garland Handbook of Latin American Music is comprised of essays from The Garland Encyclopedia of World Music Volume 2 South America Mexico Central America and the Caribbean 1998 Revised and updated the essays offer detailed regional studies of the different musical cultures of Latin America and examine the ways in which music helps to define the identity of this particular area Part One provides an in-depth introduction to the area of Latin America and describes the history geography demography and cultural settings of the regions that comprise Latin America It also explores the many ways to research Latin American music including archaeology iconography mythology history ethnography and practice Part Two focuses on issues and processes such as history politics geography and immigration which are responsible for the similarities and the differences of each region's uniqueness and individuality Part Three focuses on the different regions countries and cultures of Caribbean Latin America Middle Latin America and South America with selected regional case studies The second edition has been expanded to cover Haiti Panama several more Amerindian musical cultures and Afro-Peru Questions for Critical Thinking at the end of each major section guide focus attention on what musical and cultural issues arise when one studies the music of Latin America issues that

might not occur in the study of other musics of the world Two audio compact discs offer musical examples of some of the music of Latin America *Sephardim in the Americas* Martin A. Cohen, Abraham J. Peck, 2003-08-08 Multidisciplinary essays examining the historical and cultural history of the Sephardic experience in the Americas from pre expulsion Spain to the modern era as recounted by some of the most outstanding interpreters of the field **The Garland Encyclopedia of World Music** Dale A. Olsen, Daniel E. Sheehy, 2017-09-25 The Encyclopedia s coverage ranges from the Bahamas to Tierra del Fuego and from Baja California to Uruguay as it describes the extraordinarily rich and varied music of people from all the countries south of the Rio Grande river **Hispanic Balladry Today** Ruth H. Webber, 2020-03-09 First published in 1989 The ballad or romance as it is commonly called has played a vital role over the centuries in Hispanic culture as an orally transmitted narrative song It is characteristically the product of people who have had to look to themselves for entertainment From the end of the fifteenth to the early seventeenth century the romancero balladry enjoyed a great vogue among learned poets and their audiences especially in the Spanish and Portuguese courts The authors intent in this book is to survey and to assess the state of the romancero not only in Spain and Portugal but also in peripheral areas where it has migrated and taken root A Comparative History of Literatures in the Iberian Peninsula Fernando Cabo Aseguinolaza, Anxo Abuín González, César Domínguez, 2010 A Comparative History of Literatures in the Iberian Peninsula is the second comparative history of a new subseries with a regional focus published by the Coordinating Committee of the International Comparative Literature Association As its predecessor for East Central Europe this two volume history distances itself from traditional histories built around periods and movements and explores from a comparative viewpoint a space considered to be a powerful symbol of inter literary relations Both the geographical pertinence and its symbolic condition are obviously discussed when not even contested Written by an international team of researchers who are specialists in the field this history is the first attempt at applying a comparative approach to the plurilingual and multicultural literatures in the Iberian Peninsula The aim of comprehensiveness is abandoned in favor of a diverse and extensive array of key issues for a comparative agenda A Comparative History of Literatures in the Iberian Peninsula undermines the primacy claimed for national and linguistic boundaries and provides a geo cultural account of literary inter systems which cannot otherwise be explained **Violence without Guilt** H. Herlinghaus, 2016-05-24 This is an illuminating discussion of guilt fear violence and aesthetics from a global perspective Herlinghaus evaluates new Latin American novels films and music through the lens of some of Walter Benjamin s controversial writings on violence and religion The Pan American Book Shelf , 1940 **El corrido** Aurelio González, 2015-11-01 El corrido mexicano es una expresión de la balada hispánica surgida en México a finales del siglo XIX y hasta nuestros días una manifestación de gran vitalidad de la literatura tradicional que como cualquier otra expresión de la creatividad humana no es ajena al contexto social en que se crea por lo que va a reflejar la realidad nacional y va a estar condicionada por los acontecimientos contemporáneos **Folk Literature of the Sephardic Jews, Vol. III**

Samuel G. Armistead, Joseph H. Silverman, 2023-11-15 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1994 **The Exotic Self**
Assistant Professor of Music Theory Butler School of Music Chelsea Burns, Chelsea Burns, 2025 I explore how market and political forces composer biography and aesthetic and intellectual concerns expressed in the composer's writings and compositions all complicate ascriptions of nationalism in the case of Mexican composer Carlos Chávez I focus on *La aloma azul* a work Chávez wrote for 1940 concerts at New York's Museum of Modern Art providing an alternative reading of the work and highlighting features that would be missed in a reading concerned with characterizing the work as nationalist
