Elden Deathwalk The Warlord Proven

William Kyle

Elden Deathwalk The Warlord Proven:

Elden Deathwalk , Return from Legend William N. Kyle,2004-03 Enden has been peaceful for many years except for the few border raids by the Races of Chaos mostly by the Saurians In the background are the Elden a race of warriors who opposed Chaos on rare occasions So rare that the Elden have been considered just a legend The Elden Warlord Cahan MacHaimheirgin is given information about the new Saurian Outposts that are being built Although the Saurians give the appearance of just fortifying their border there are strong indications the outposts are much more than they appear At a meeting of the leaders of the Races of Order the Elden are requested to reoccupy their old Holds vacant for five hundred years and reestablish a presence that could deter a Saurian invasion that would plunge Enden into war The Bursh a race of sorcerers allied with the Races of Chaos are concerned about a Saurian invasion as well for it could endanger the future Master Plan of World Conquest a plan that is sponsored by the Race of Demons leaders of Chaos The plan could fail if the Elden reestablish a presence The Bursh need to find the Holds and a way to neutralize them and the Elden Saurian Summer William Kyle,2005-07 The Saurians built new outposts under the guise of increasing security of their border however the large staging areas discovered hidden in the woods behind them caused the Races of Order concern about a possible invasion A Saurian Invasion would also cause problems for the Demon and the Bursh It would have a major impact on the Master Plan they had been working on for many years The major key to the Plan was the Races of Order did not have a united front and the humans were unorganized but an invasion could change that If the unallied races and the Races of Order united working together they could defeat the Master Plan The Plan was designed for world conquest by the Races of Chaos to happen so quickly that the Elden would arrive too late to help Now had to be modified because the Elden returned to their strongholds after five hundred years due to the invasion threat The Saurians had to be stopped or defeated quickly Unbeknownst to the Elden and the other Races of Order they had allies in the Demon and the Bursh who were taking their own steps Elden Deathwalk William Kyle,2003-03-01 Enden is a world of beauty with majestic mountains fertile farmlands and expansive plains It is home for many races and creatures that wish to live their lives in peace However the Races of Chaos led by the Race of Demons wish to conquer and enslave the Races of Order What stands in their way are the Elden Warriors the Ancient Protectors Many a war has been lost by Chaos due to the finale intervention of the Elden Warriors
