## **Elder Abuse And Neglect In Canada:**

**Elder Abuse and Neglect in Canada** Lynn McDonald, 1991      International Perspectives on Elder Abuse Amanda Phelan, 2013 Elder abuse has been increasingly recognised over the past ten years in many countries and progress has been made in both understanding and addressing the issue This volume provides a much needed international overview of the topic Opening with an examination of what elder abuse is Amanda Phelan sets it in a theoretical context and looks at assessment and approaches to the issue in residential and community care environments The book then presents a range of country studies which provide an overview of the context of elder abuse in the country and a discussion of related policy legislation research and practice Countries covered include Ireland United Kingdom Spain China Australia Kenya Israel Canada and the United States whilst a regional chapter looks at South America A concluding chapter draws together cross cultural comparisons and provides some guidance as to best practice The only comprehensive book in this area International Perspectives on Elder Abuse is an invaluable reference for practitioners academics and researchers from a range of disciplines including nursing social work sociology public health and social policy      Abuse and Neglect of Older Adults L. McDonald, A. Collins, Canada. Health Canada, Canada. Family Violence Prevention Unit, 2000 The purpose of this paper is to provide an overview of the important developments that have occurred in the field of research related to the abuse characteristics of victims and perpetrators theories of abuse risk factors for abuse protocols for abuse programs and services developed to address the issue and prevention The final section is a brief look to the future      **Elder Abuse and Neglect in Canada** McDonald, 1991-05-01      *Abuse and Neglect of the Elderly* National Clearinghouse on Family Violence (Canada), Canada. Health and Welfare Canada, 1986 This large print Canadian booklet provides brief information about elder abuse who does it and why how to determine abuse why older people are reluctant to report it and what can be done about it      International Handbook of Elder Abuse and Mistreatment Mala Kapur Shankardass, 2019-08-09 This first of its kind work on elder abuse and mistreatment provides a comprehensive and up to date overview of the subject Covering almost all regions of the world it highlights different dimensions of elder abuse and mistreatment in terms of their prevalence incidence prevention treatment management and response from governments and civil society academic and research communities and society in general Written by international specialists from various disciplinary and presenting the latest findings and data the handbook includes sections on the Americas the Caribbean Europe Central West and South Asia East Asia and Asia Pacific and Africa The chapters offer clarity on the concept and forms of elder abuse and neglect discuss research methodology and provide policy options legislative solutions and programmatic responses to give relief to older people as victims of abuse and neglect as well as to deal with the perpetrators This book is intended for a wide range of students and researchers interested in aging from sociology to social work community medicine public health clinical psychology and human rights law      **Abuse and Neglect of Older Canadians** Michael J. MacLean, 1995 This book steps back to take stock

of what we know and do not know what is being done and what needs to be done about abuse and neglect of older people  
Twenty seven authors from across Canada have collaborated to bring together insight and analysis from their diverse perspectives practice education policy making and research *Elder Abuse and Mistreatment* Joanna Mellor, Patricia Brownell, 2013-04-15 Provide the most effective service possible to help victims of this growing social problem Elder Abuse and Mistreatment is a comprehensive overview of current policy issues new practice models and up to date research on elder abuse and neglect Experts in the field provide insight into elder abuse with newly examined populations to create an understanding of how to design service plans for victims of abuse and family mistreatment The book addresses all forms of abuse and neglect examining the value issues and ethical dilemmas that social workers face in providing service to elderly abuse victims and their families Elder abuse and neglect is a social problem of increasing concern to policymakers practitioners and researchers in the United States and around the world Elder Abuse and Mistreatment incorporates health mental health and social service perspectives that assist social work and health care professionals with interdisciplinary teamwork The book examines the Elder Justice Act the Madrid 2002 International Plan of Action on Ageing new and emerging practice modalities and international models such as shelter programs and support groups and the latest research on practice methods elder abuse with special populations and interventions with victim abuse dyads Topics examined in Elder Abuse and Mistreatment include abuse reporting statutes the roles of agencies involved in abuse investigations service commonly needed by victims funding sources common impediments to service delivery adult protective services APS local state and federal policies social and economic inclusion self determination long term care and nursing homes consumer fraud and financial abuse dependency and compliance and much more Elder Abuse and Mistreatment Policy Practice and Research is an essential resource for educators and students of social work nursing and public health and for social work practitioners

**Encyclopedia of Canadian Social Work** Francis J. Turner, 2005-09-07 Annotation Covers over 500 topics important to Canadian social work Written by a highly diverse group of experts and covering all aspects of the field nation wide

**Physical Examination and Health Assessment - Canadian E-Book** Carolyn Jarvis, 2023-03-14 Learn how to take a clear logical and holistic approach to physical examination and health assessment across the lifespan Using easy to follow language detailed illustrations summary checklists and new learning resources Physical Examination Health Assessment 4th Canadian Edition is the gold standard in physical examination textbooks This new edition reflects today s nursing practice with a greater focus on diverse communities evidence informed content throughout and new and enhanced case studies focusing on critical thinking and clinical judgement It s easy to see why this text is 1 with Canadian nursing students Approximately 150 normal and abnormal examination photos for the nose mouth throat thorax and pediatric assessment give you a fresh perspective on these key system examinations with cultural diversity and developmental variations Social determinants of health considerations cover the shifting landscape of Canada s populations with strategies for integrating

social economic and ethnocultural diversity into students health assessments Assessment strategies relevant to Indigenous populations harm reduction nutrition and transgender persons inform practitioners on respectful complete care Sectional colour bars segment body systems according to content Structure and Function Subjective Data Objective Data Documentation and Critical Thinking Abnormal Findings Documentation and critical thinking sections provide real world clinical examples of specific patients and how to document assessment findings Abnormal findings tables help you recognize sort and describe abnormalities Separate chapter on pregnancy provides a thorough foundation for assessing the pregnant patient Developmental Considerations sections highlight content specific to infants children adolescents pregnant individuals and older adults Content covering the electronic health record charting and narrative recording provides examples of how to document assessment findings Two column format distinguishes normal findings from abnormal findings and uses full colour step by step photos to clarify examination techniques and expected findings Promoting Health boxes focus on this key aspect of Canadian health care Summary checklists offer reviews of key examination steps

**The Oxford Handbook of Clinical Geropsychology** Nancy A. Pachana, Ken Laidlaw, 2014-11-07 Throughout the world the population of older adults continues to grow The rise in geriatric populations has seen an increase in research on clinical diagnostic assessment and treatment issues aimed at this population Clinical geropsychologists have increased their interest both in providing mental health services as well as developing approaches to improve quality of life for all older adults The Oxford Handbook of Clinical Geropsychology is a landmark publication in this field providing broad and authoritative coverage of the research and practice issues in clinical geropsychology today as well as innovations expanding the field's horizons Comprising chapters from the foremost scholars in clinical geropsychology from around the world the handbook captures the global proliferation of activity in this field In addition to core sections on topics such as sources of psychological distress assessment diagnosis and intervention the handbook includes valuable chapters devoted to methodological issues such as longitudinal studies and meta analyses in the field as well as new and emerging issues such as technological innovations and social media use in older populations Each chapter offers a review of the most pertinent international literature outlining current issues as well as important cultural implications and key practice issues where relevant and identifying possibilities for future research and policy applications The book is essential to all psychology researchers practitioners educators and students with an interest in the mental health of older adults In addition health professionals including psychiatrists social workers mental health nurses and trainee geriatric mental health workers will find this a invaluable resource Older adults comprise a growing percentage of the population worldwide Clinical psychologists with an interest in older populations have increased the amount of research and applied knowledge about effectively improving mental health later in life and this book captures that information on an international level The book addresses how to diagnose assess and treat mental illness in older persons as well as ways to improve quality of life in all older persons It has a great breadth of coverage of the area including chapters

spanning how research is conducted to how new technologies such as virtual reality and social media are used with older people to improve mental health The book would appeal to all psychology researchers practitioners educators and students with an interest in the mental health of older adults It would also appeal to other health professionals including psychiatrists social workers and mental health nurses who work with older people It is a valuable resource for trainee geriatric mental health workers because it highlights key readings and important practice implications in the field      **Elder Abuse Work**

Jacki Pritchard,1999-01-01 The abuse neglect and exploitation of older people in community and residential care settings is increasingly being recognised and addressed as a serious social concern in Britain and Canada Elder Abuse Work gives an overview of the developments and issues in both countries and draws out good practice guidelines      *Realities of Canadian Nursing* Carol McDonald,Marjorie McIntyre,2017-12-12 In *Realities of Canadian Nursing* influential scholars throughout Canada give voice to the unheard concerns of nurses and go to great lengths to ensure the text offers readers more than an update on current and pressing professional legal ethical political social economic and environmental issues in nursing and healthcare In chapter 1 of the text authors Carol McDonald PhD RN and Marjorie McIntyre RN PhD offer a Framework for Analysis which gives students and educators a shared and organized format through which to identify analyze and strategize about solving the issues Students will be inspired to influence professional associations collective bargaining units government and workplace and participate in political action In this edition the authors will retain the content and features that have made this text the mostly widely used issues and trends book in the Canada while adding new coverage of Canada s Truth and Reconciliation Commission TRC and the subsequent Calls to Action Student and Instructor resources on thePoint will help prepare students for the NCLEX and help faculty save time as well as integrate their course resources with their required text      *Chronic Illness in Canada* Joseph Osuji,2012 Adapted from our best selling text *Chronic Illness Impact and Intervention* Eighth Edition by Pamala D Larsen and Ilene Morof Lubkin this text includes recent definitions and models of care aimed towards chronic disease management CDM currently used in Canada Canadian and global perspectives on chronic illness management are addressed throughout the text and chapters on the role of primary health care in chronic care family nursing global health and chronic illness are included to address the needs of nursing curriculum standards in Canada Key Features Chapter on complementary therapies within a Canadian health context Every chapter is updated to include Canadian content and an emphasis on global healthcare Contains theoretical and practical perspectives to address the continuing emergence of chronic illness in Canada and the world      National Survey on Abuse of the Elderly in Canada Elizabeth Podnieks,Ryerson Polytechnical Institute,1990 The objectives of the study were to identify the prevalence and the circumstances of abuse of the elderly in Canada It focused on those elderly in Canada living in private dwellings who represent about 91 percent of all elderly in Canada It sought to examine factors contributing to conflict within the family and the means by which individuals resolve or cope with conflict In particular it sought to examine in detail what researchers and

caregivers have identified as the four major areas or categories of abuse material abuse chronic verbal aggression physical violence and neglect **Elder Abuse and Neglect** Mary Joy Quinn, RN, MA, Susan K. Tomita, MSW, PhD, 1997-06-28 In this second edition of their classic volume the authors present their elder abuse diagnosis and intervention model This comprehensive model of detection assessment and intervention enables the practitioner first to identify the type of elder mistreatment including physical sexual psychological and financial It then provides systematic and realistic interventions This updated edition also includes information on legal interventions with suggestions on how the practitioner should act in the courtroom give testimony document findings and prepare for legal involvement with the criminal justice system Actual legal tools are included in the appendix This is a classic resource for all health professionals who work with the elderly

Cruel but Not Unusual Ramona Alaggia, Cathy Vine, 2013-05-21 Violence in families and intimate relationships affects a significant proportion of the population from very young children to the elderly with far reaching and often devastating consequences Cruel but Not Unusual draws on the expertise of scholars and practitioners to present readers with the latest research and thinking about the history conditions and impact of violence in these contexts For this new edition chapters have been updated to reflect changes in data and legislation New chapters include an examination of trauma from a neurobiological perspective a critical analysis of the gender symmetry debate a debate that questions the gendered nature of intimate violence and an essay on the history and evolution of the women s movement dedicated to addressing violence against women which advances theoretical developments that remind readers of the breadth of inclusivity that should be at the heart of working in this field Canadian Family Practice Guidelines Jill C. Cash, Cheryl A. Glass, Debbie Fraser, Lynn Corcoran, Margaret Edwards, 2019-08-15 Written specifically for the needs of family and adult nursing students medical students and primary care practitioners in Canada this gold standard reference of family practice in America named a 2013 Doody s core title and 1st place winner of the American Journal of Nursing book award in 2017 now provides current Canadian practice protocols for professional standards of care across the life span Guidelines are delivered in a user friendly step by step instructional style for physical exams and diagnostic testing results in SI units health maintenance recommendations approved by Health Canada care guidelines including Canadian drug names and dietary information information on culturally responsive care and patient resources specific to Canada Practice guidelines are organized primarily by body system and delivered in outline format for quick and easy access Each of more than 280 disorder protocols includes definition incidence prevalence pathogenesis predisposing factors common findings other signs and symptoms subjective data physical examination diagnostic tests differential diagnoses plan follow up consultation referral and individual considerations Also included are numerous Client Teaching Guides in PDF format for customization and downloading Abundant references are specific to the Canadian health care system Key Features Presents over 280 guidelines in consistent outline format Provides Canadian routine health maintenance guidelines vaccinations and screenings for HIV
