The Faiths of the World James Gardner, 1858 **The Faiths of the World** James Gardner, 2025-08-30 Reprint of the original first published in 1858 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

Faith, Stories and the Experience of Black Elders Anthony Reddie, 2001 Working through oral traditions this book illustrates the importance of spirituality and the family in African Caribbean culture The author shows how inter generational conversations where elders share personal experiences and reflections from their life with children and young people encourage inspire and educate the younger generation and contribute to their sense of identity The author s approach can be applied in different cultural settings and both outlines and affirms an active role for older people in the community It also provides useful historical background on the migration of people coming from the Caribbean to Britain Containing case studies it is a practical and reflective resource for religious professionals social workers and anyone seeking to understand the meaning of religion and faith for Britain s African and Caribbean communities *The Depth of Faith* Jayamon

Jacob, 2012-10-22 The ultimate goal of this book is to increase anyones faithlessness weak faith or little faith to a substantial gravity of mature and deep faith in Our Lord and Savior Jesus Christ since true faith is the bridge between God and man The Bible clearly spells out Jesus is the author and finisher of faith and every believer in Him ought to follow His footsteps While reading this book a genuine transformation in your faith may take place and you may feel the amount of faith slowly enhances and spiritual darkness gradually vanishes Feel the light arrive which would eventually portray the bright and morning star and it is nobody but Jesus Christ He is the Bishop of all souls who knocks at every door to open and anyone opens by faith He would dine with him or her and that person would truly understand He is the author and finisher of your faith
