Elections In Israel:

The Elections In Israel Alan Arian, Michal Shamir, *The Elections in Israel 2003* brings together leading Israeli and North American social scientists and their state of the art in depth analysis of the 2003 Israeli national elections. These elections returned Ariel Sharon and the Likud to power amid one of the bloodiest rounds of conflict between Israel and the Palestinians and a severe economic downturn in Israel. Contributors analyze the electoral behavior of the voters as a whole and various subgroups highlighting social cleavages and identity as well as issues and other strategic considerations. Three chapters analyze in detail the Arab, the national religious and the Russian vote. The 2003 elections saw Israel's return to the family of parliamentary nations after it experimented with the direct election of the prime minister from 1996 through 2001. The impact of the adoption and repeal of this unique Israeli system of government is another major topic covered in this volume and several contributions explore the impact of these changes upon the electorate, the party system and party financing. Other unusual features of the 2003 elections were the low turnout levels among Jewish and Arab voters, political moves to disqualify Arab candidates and lists from running for office which were overruled by the Supreme Court of Israel, the collapse of the left, the spectacular showing of the centrist Shinui party and the dominant status of the Likud in the Knesset and in Israeli politics. Through its focus on the 2003 elections, this volume also illuminates developments and changes in Israeli society and politics. Many of these developments, multiculturalism, changes in social stratification, the growing role of the judiciary and of the media and political reforms, characterize other Western democracies as well and these are discussed from a comparative perspective. *The Elections in Israel 2003* will be of particular interest to those concerned with politics in Israel as well as those concerned with comparative politics and elections in general. Asher Arian is Distinguished Professor of Political Science at the Graduate Center of the City University of New York, a senior research fellow at the Israel Democracy Institute and professor of political science at the University of Haifa. Michal Shamir is professor of political science at Tel Aviv University.

The Elections in Israel 2022 Gideon Rahat, Noam Gidron, Michal Shamir, 2025-02-17. The 2022 Israeli elections stand out as a turning point in the country's political history. Following a period of unprecedented political instability, the right wing government formed following the elections, Benjamin Netanyahu's sixth government, was the most radical in Israel's history. This book examines the 2022 Israeli elections through various theoretical perspectives and diverse research designs and data sources. The first part scrutinizes various aspects of Israeli democracy related to the elections. These include ideological and affective polarization, cleavages, voter turnout, involvement of citizens and civil organizations in election campaigns and the nature of the government that was established following the elections. The second part of the book presents studies of parties that participated in the elections: those that declined, Labor; those that ascended, Religious Zionism and Otzma Yehudit; and those that ascertained their power, United Torah Judaism and Shas. A valuable addition to the *Elections in Israel* series, the book, written by leading scholars of Israeli politics and society, touches on key themes including

political personalization polarization populism the radical right party decline and adaptation and democratic backsliding The book will be of particular interest to students and researchers of Israeli politics and society especially relating to the events of 2023 and the war in Gaza as well as to social scientists interested in these political phenomena and their effects on democratic countries worldwide The Elections in Israel 2015 Michal Shamir, Gideon Rahat, 2017-05-23 The newest volume in the Elections in Israel series focuses on the twentieth Knesset elections held in March 2015 following the collapse of the third Netanyahu government Prime Minister Benjamin Netanyahu's main opposition party the Zionist Camp ran a negative personalized election campaign assuming that Israelis had grown tired of him Netanyahu however achieved a surprising and dramatic victory by enhancing and radicalizing the same identity politics strategies that helped him win in 1996 The Elections in Israel 2015 dissects these and other campaigns from the perspective of the voters the media and opinion polls the political parties and electoral competition Several contributors delve into the Left and Arab fear mongering Likud campaign which produced strategic identity voting Other contributions analyze in depth the Israeli party and electoral systems highlighting the exceptional decline of the mainstream parties and the adoption of a higher electoral threshold Providing a close analysis of electoral competition legitimacy struggles stability and change in the voting behavior of various groups partisanship personalization and political polarization this volume is a crucial record of Israeli political history

The Elections in Israel 2003 Michal Shamir, 2018-02-06 The Elections in Israel 2003 brings together leading Israeli and North American social scientists and their state of the art in depth analysis of the 2003 Israeli national elections These elections returned Ariel Sharon and the Likud to power amid one of the bloodiest rounds of conflict between Israel and the Palestinians and a severe economic downturn in Israel Contributors analyze the electoral behavior of the voters as a whole and various subgroups highlighting social cleavages and identity as well as issues and other strategic considerations Three chapters analyze in detail the Arab the national religious and the Russian vote The 2003 elections saw Israel's return to the family of parliamentary nations after it experimented with the direct election of the prime minister from 1996 through 2001 The impact of the adoption and repeal of this unique Israeli system of government is another major topic covered in this volume and several contributions explore the impact of these changes upon the electorate the party system and party financing Other unusual features of the 2003 elections were the low turnout levels among Jewish and Arab voters political moves to disqualify Arab candidates and lists from running for office which were overruled by the Supreme Court of Israel the collapse of the left the spectacular showing of the centrist Shinui party and the dominant status of the Likud in the Knesset and in Israeli politics Through its focus on the 2003 elections this volume also illuminates developments and changes in Israeli society and politics Many of these developments multiculturalism changes in social stratification the growing role of the judiciary and of the media and political reforms characterize other Western democracies as well and these are discussed from a comparative perspective The Elections in Israel 2003 will be of particular interest to those concerned with politics in

Israel as well as those concerned with comparative politics and elections in general *The Elections in Israel 1996* Asher Arian, Michal Shamir, 2012-02-01 Leading social scientists from Israeli and American universities using different methods and representing diverse intellectual traditions address the precedent setting events of Israel's 1996 elections The contributors discuss the meaning of collective identity the role of religion and nationalism in modern Israel the political behavior of Israeli Arabs the secrets of success of the immigrant party Also discussed are issues such as the impact of the direct election law on party organization primaries and coalition formation calculations the repeated electoral failure of Shimon Peres and the role of the media in the election campaign The 1996 elections in Israel represented a first in Israeli politics in many ways For the first time Israelis directly elected their prime minister and in simultaneous but separate elections they elected their 120 member Knesset parliament Also it was the first time that elections were held after the mutual recognition of Israel and the Palestine Liberation Organization following the Oslo accords and it was the first election held after the assassination of Prime Minister Yitzhak Rubin The political parties made widespread use of primaries in 1996 and hundreds of thousands of new immigrants from the former Soviet Union cast their first ballots The large support for a party supported by former Soviet immigrants highlighted the emergence of sectarian interests This was also expressed in the surge for the two Arab parties from five seats in 1992 to nine seats in 1996 and for the three Jewish religious parties whose combined representation grew from 16 to 23 seats *The Elections in Israel 2013* Michal Shamir, 2017-09-08 The elections for Israel's nineteenth Knesset were held on January 22 2013 This volume offers an in depth analysis of Israel's 2013 elections from various perspectives It presents an up to date picture of the complexity of Israeli democracy and its challenges achievements and failures The chapters in this collection shed light on different facets of Israeli democracy Yaron Ezrahi provides a sceptical perspective on prospects for democracy Gayil Talshir explains the party system's slowness to respond to citizen demands and to social movements Michal Shamir and Keren Weinshall Margel explore the politics of the right to be elected to the Knesset Nir Atmor and Chen Friedberg highlight the decline in participation in Knesset elections in the Periphery versus the Center Assaf Shapira and Gideon Rahat reveal the complexity of inter party democracy Dganit Ofek analyses the stability of government coalitions Gal Levy examines Mizrahi Jews and the Shas Party Mtanes Shihadeh discusses the voting patterns of Israeli Arabs Asher Cohen focuses on religious Zionism and the success of the renewed Jewish Home Party Michal Shamir and Einat Gedalya Lavy document a gender gap in voting Elections in Israel 2013 analyses the give and take between the public and its leaders that is at the heart of elections In doing so it illuminates the role of elections in providing representation for different groups in Israeli society and in giving voice to their political choices **The Elections in Israel 2009** Michal Shamir, 2017-07-28 The elections to the 18th Knesset legislature of Israel were held on February 10 2009 almost three years after the elections to the 17th Knesset and approximately twenty months before the original date set for them to be held The elections are best understood in the context of the wars that were at each end of Ehud Olmert's government tenure

corruption scandals involving the prime minister and the failure of Tzipi Livni the newly elected head of the ruling center party Kadima to form a new coalition following Olmert's resignation. The election campaign of 2009 began with the resignation of Ehud Olmert in the shadow of his corruption scandals and issues of integrity and clean government. This was followed by the world financial crisis which directed attention towards the economic dimension and performance of the candidates. On the face of it the campaign was cut short when military action began in Gaza. Still the election was on the minds of candidates and the question of who can best ensure security prevailed in the campaign. It became personalized and focused on the candidates the two candidates who had once headed the government and aspired to return Benjamin Netanyahu and Ehud Barak and the chairperson of Kadima Tzipi Livni who was running for the first time as head of a party. The Elections in Israel 2009 will be of particular interest to those concerned with comparative politics and elections in an open society. This volume is the latest in the series begun in 1969. The Elections in Israel 2006 Asher Arian, Michal Shamir, 2017-09-08. Several dramatic events preceded the elections to the Seventeenth Knesset on March 28 2006 beginning with the unilateral withdrawal from Gaza in August 2005 and its attendant and unprecedented removal of Jewish settlements and settlers followed by major shifts among and within the various political parties. Most dramatic was the split in Likud when Prime Minister Ariel Sharon decided to form a new party Kadima leading to the breakup of the Likud party that Sharon had formed in 1973. This volume charts the 2006 elections. *The Elections in Israel 1999* Michal Shamir, 2002-03-21. Considers the impact of the 1999 Israeli elections. **Israel at the Polls 2003** M. Ben Mollov, Jonathan Rynhold, Shmuel Sandler, 2013-09-13. Israel's 2003 election took place against the background of a deteriorating security situation due to Palestinian violence and the impending US War in Iraq and severe disillusionment with the Oslo peace process. The election which brought about a decisive victory of the Likud Party and Ariel Sharon took place amidst strong accusations of corruption and the virtual collapse of the Israeli left. The election also featured the rise of the anti-clerical Shinui party which resulted in the exclusion of the ultra-Orthodox parties from the new coalition. In this volume leading Israeli political scientists explore the main actors and processes that shaped the election and its outcome. This book was previously published as a special issue of the journal *Israel Affairs*. *Politics and Government in Israel* Gregory S. Mahler, 2016-03-03. This balanced and comprehensive text explores Israeli government and politics from both institutional and behavioral perspectives. After briefly discussing Israel's history and the early development of the state Gregory Mahler then examines the social religious economic cultural and military contexts within which Israeli politics takes place. He makes special note of Israel's geopolitical situation of sharing borders with and being proximate to several hostile Arab nations. The book explains the operation of political institutions and behavior in Israeli domestic politics including the constitutional system and ideology parliamentary government the prime minister and the Knesset political parties and interest groups the electoral process and voting behavior and the machinery of government. Mahler also considers Israel's foreign policy setting and apparatus the

Palestinians and the Israeli Palestinian conflict the particularly sensitive questions of Jerusalem and the Israeli settlement movement and the Middle East peace process overall This clear and concise text provides an invaluable starting point for all readers needing a cogent introduction to Israel today The Handbook of Israel's Political System Itzhak Galnoor,Dana Blander,2018-04-30 There is growing interest in Israel s political system from all parts of the world This Handbook provides a unique comprehensive presentation of political life in Israel from the formative pre state period to the present The themes covered include political heritage and the unresolved issues that have been left to fester the institutional framework the Knesset government judiciary presidency the state comptroller and commissions of inquiry citizens political participation elections political parties civil society and the media the four issues that have bedevilled Israeli democracy since its establishment security state and religion the status of Israel s Arab citizens and economic inequities with concomitant social gaps and the contours of the political culture and its impact on Israel s democracy The authors skilfully integrate detailed basic data with an analysis of structures and processes making the Handbook accessible to both experts and those with a general interest in Israel **Election Studies** Elihu Katz,Yael Warshel,2018-03-05 Academic studies of elections are not in the business of predicting outcomes They are in the business of explaining them The best studies treat voting data as raw material with which to explore socio psychological processes such as individual decision making and such sources of influence as issues personality media socio economic background and party loyalty The ebb and flow of ideologies and the comparative workings of different political systems are core topics on which election studies shed light Looking back on more than fifty years of voting research some of its major practitioners and critics reflect here on what has and has not been accomplished *Elections during emergencies and crises* Toby S. James,Alistair Clark,Erik Asplund,2023-05-08 Elections often have to be held in emergency situations The Covid 19 pandemic was one of the most serious emergency situations that the world has seen The rapid spread of the virus presented a huge humanitarian threat but also an unparalleled challenge to electoral stakeholders globally seeking to protect electoral integrity during times of uncertainty This volume identifies how the pandemic affected electoral integrity what measures were put in place to protect elections and what worked in defending them It brings together a comprehensive set of 26 country case studies to explore how elections were affected on the ground what measures were put in place and what worked These case studies are of elections which took place in the eye of the storm when practitioners and policymakers were operating under uncertainty and without the benefit of hindsight To learn lessons in a more systematic way this volume also provides a thematic analysis of electoral integrity during the pandemic using crossnational studies This provides the big picture for policymakers practitioners and academics looking back at the crisis The volume therefore seeks to contribute towards the future development of policy and practice However it does so by using academic research methods and concepts which enable greater confidence in the policy lessons as well as contributing directly to the scholarship on democracy democratization and elections The volume includes 11 areas of recommendation

based on the evidence collected in this volume to protect electoral integrity in any future emergency situation *The Oxford Handbook of Israeli Politics and Society* Reuven Y. Hazan, Alan Dowty, Menachem Hofnung, Gideon Rahat, 2021 Few countries receive as much attention as Israel and are at the same time as misunderstood The Oxford Handbook of Israeli Politics and Society brings together leading Israeli and international figures to offer the most wide ranging treatment available of an intriguing country It serves as a comprehensive reference for the growing field of Israel studies and is also a significant resource for students and scholars of comparative politics recognizing that in many ways Israel is not unique but rather a test case of democracy in deeply divided societies and states engaged in intense conflict The handbook presents an overview of the historical development of Israeli democracy through chapters examining the country's history contemporary society political institutions international relations and most pressing political issues It outlines the most relevant developments over time while not shying away from the strife both in and around Israel It presents opposed narratives in full force enabling readers to make their own judgments *Israel in the Middle East* Itamar Rabinovich, Jehuda Reinharz, 2008 An anthology of the most important documents on the domestic and foreign policy of the modern state of Israel in relation to the rest of the Middle East *The Crooked Timber of Democracy in Israel* Dahlia Scheindlin, 2023-09-18 A narrative chronicle of Israeli democracy that defines historic phases and follows thematic challenges to democracy including competition between religion and the rule of law the statist society and chaotic minoritocracy modern illiberal populism and the Israeli Palestinian conflict The comprehensive portrait exposes endemic flaws of democracy in Israel but also shows that Israel has considerable capacity and responsibility to fulfill the promise of democracy **Israel at the Polls 2009** Shmuel Sandler, Manfred Gerstenfeld, Hillel Frisch, 2013-10-18 This book describes political and sociological developments in Israel before and after the February 2009 elections alongside an analysis of electoral trends It provides an effective analysis of contemporary political and sociological Israeli history Rather than focusing narrowly on electoral politics alone this book broadens its focus to make it relevant to undergraduate and graduate students in Middle Eastern Israeli and Jewish studies and the liberal arts Israel at the Polls has been updated and published annually for thirty years providing readers with up to date analysis and continuity of scholarship this book offers an expert long term assessment of Israeli politics This book was published as a special issue of Israel Affairs **Israel at the Polls 1999** Daniel J. Elazar, M. Ben Mollov, 2020-04-03 The 1999 Israeli elections focused on the character of the main political contenders for prime minister Binyamin Netanyahu and Ehud Barak Along with Barak's victory the Israeli public made important statements concerning the shape and direction of Israeli political culture with a hope of a centrist vision Leading Israeli political scientists discuss the revival of the Israeli left and the increased strength of ethnic Sephardi Russian and Arab electorates They also examine the place of foreign policy media and other socio economic factors on the outcome of the election **Israel at the Polls 2013** Eithan Orkibi, Manfred Gerstenfeld, 2017-10-02 The 2013 elections took place less than two years after the overwhelming wave of social protests of

summer 2011 At first the election campaign did not raise much public interest but the emergence of new players and young political forces energized the political race Polls conducted throughout the campaign greatly deviated from the final results which eventually enabled Prime Minister Benjamin Netanyahu to form a cabinet again despite a loss of 11 seats for his list This book describes and analyses a variety of political and sociological developments in Israel both before and after the elections These include the nature of the campaign the developments in the National Camp among religious Zionists the ultra Orthodox parties and the Russian vote Furthermore it assesses the impact of media including new media The variety of subjects makes the book suitable for undergraduate and graduate students in Middle Eastern Israeli and Jewish studies as well as political science and liberal arts in general Israel at the Polls has been updated and published regularly for thirty five years providing readers with up to date analysis and continuity of scholarship This book offers a long term assessment of Israeli politics This book was published as a special issue of Israel Affairs

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Elections In Israel full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Elections In Israel eBooks, including some popular titles.

FAQs About Elections In Israel Books

What is a Elections In Israel PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Elections In Israel PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Elections In Israel PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Elections In Israel PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a Elections In Israel PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities.

How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information.

Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
