Electronic Percussion:

All About-- Electronic Percussion Michael Snyder, Mike Snyder, 2006-07 All About Electronic Percussion is a beginner's guide to this exciting new world. The book explains the fundamentals and benefits of electronic percussion and presents introductions to drum pads and triggers, percussion sound modules, and much more. Helpful how-to sections guide the newcomer through the process of setting up systems and explain the MIDI technology the electronic percussionist needs to know.

All About-- Music Technology in Worship Steve Young, 2004. Book. No church musician today is completely prepared to offer their music ministry in the varied and demanding settings of worship without a working knowledge of music technology. Providing instrumentations of great sounds created, arranged, and enhanced for worship is a real workout even for those of us who are not technologically challenged. This book brings you easy-to-understand instructions for everything from synthesizers, MIDI, and sequencing to percussion, bass, and guitar technology. Subjects such as the history of music technology in worship, hard disk recording, and using music technology in small to large traditional settings are explored.
