*Elementary Economics* Fred Rogers Fairchild, Edgar Stevenson Furniss, Norman Sydney Buck, 1925 **Striker Jones: Elementary Economics for Elementary Detectives** Maggie M. Larche, 2010-05-18 More than ever kids today need to understand the basics of economics Concepts such as wants vs needs supply and demand and competition form the basis of a lifetime of good decision making Unfortunately most children aren't exposed to economics until high school or college if then Enter Striker Jones *Elementary Economics for Elementary Detectives* Striker is your ordinary kid who understands some of

the basic economic realities of our world What s more he uses this understanding to unravel a series of intriguing mysteries This book is not stocked with economic jargon instead it presents ten entertaining mysteries that any child could face while subtly promoting a solid grounding in economics along the way Elementary Economics Thomas Nixon Carver,1925

Elementary Economics Fred Rogers Fairchild,1927 Elementary Economics With Special Reference to Social, and Business Conditions in the United States (Classic Reprint) Charles Manfred Thompson,2017-11-30 Excerpt from Elementary Economics With Special Reference to Social and Business Conditions in the United States Recent events have brought the people Of the United States face to face with numerous new economic problems many Of which are likely to remain unsolved for years to come besides they have complicated to a marked degree those Old problems which were pressing for solution at the outbreak of the Great War In consequence our leaders are becoming more and more convinced that increased attention Should be given in our secondary schools to a serious consideration Of the fundamental principles on which these problems rest Such a conviction is a new one in many quarters for hitherto the notion has very generally prevailed especially among uni versity teachers that no formal study Of the Principles of Economics should be undertaken before the sophomore year in college Obviously such a notion carries the implication un conscious perhaps that the fundamentals Of Economics even in their simplest forms should be withheld from the great mass of young men and women engaged in industry and restricted to the select few who are able by one means or another to be come college students Such a notion not only carries vicious implication but it also is ill founded for hundreds Of high schools the country over prove by experience that their pupils are fully capable of grasping the elements of economic science when presented concretely and in a way to show their relationship to practical affairs About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Elementary Economics** Sir Sydney John Chapman,1921 **Materials for the Study of Elementary Economics** Leon Carroll MARSHALL,Chester Whitney WRIGHT,James Alfred FIELD,1920 **Economic Literacy** Frederick S. Weaver,2010-10-16 In its third edition Economic Literacy Basic Economics with An Attitude explains the logic language and worldview of economic theory while maintaining the engaging and accessible style that has made earlier editions so successful While covering the fundamentals of the discipline the author also includes a wide range of new material focusing on the structure causes and results of the Great Recession From microeconomics and macroeconomics to the composition of international and domestic economies Economic Literacy also makes the key distinction between economics as an academic discipline and the economy as a practical reality

By analyzing this crucial difference the book encourages students to think critically about the distinctive viewpoint proposed by academic economics and its influence on politics and culture Using this approach readers will be enabled to understand both current affairs and professional economics literature making this book uniquely beneficial for students both practically and theoretically Never grim often witty and frequently insightful into our turbulent financial times Economic Literacy s third edition is a must for students of economics everywhere      **Elementary Economics** Sydney John Chapman,1930
