CLAUS WESTERMANN

ELEMENTS OLO TESTAMENT Theology

Translated by Douglas W. Stott

Elements Of Old Testament Theology

Willem VanGemeren

Elements Of Old Testament Theology:

Elements of Old Testament Theology Claus Westermann, 1978 Old Testament Theology Paul R. House, 2012-11-30 Paul R House provides a comprehensive theology of the Old Testament carefully exploring each Old Testament book thematically summarizing its content and showing its theological significance within the whole of the Old Testament canon Student friendly and useful to a wide audience this impressive work has proved a profitable read for many Old Testament Theology Claus Westermann, 1982 **Old Testament Theology** Frederick C. Prussner, 1985-01-01 Looks at theological writings from the Reformation to the present offers profiles of important scholars and discusses neo orthodoxy the impact of archaeology and the church **Old Testament Theology** Robin Routledge, 2020-05-21 Numerous useful books on Old Testament theology are now available However they often give too much information or too little Some can seem large and daunting to the ordinary student or pastor and because of their layout information may be hard to access Others take a more introductory approach and do not deal with many of the theological issues and questions that the Old Testament raises Robin Routledge's aim is to bridge this gap He provides a substantial overview of the central issues and themes in Old Testament theology in the main body of the text with more detailed discussion and references for further reading in the footnotes His purpose is to examine the theological significance of the various texts in their wider canonical context noting unity and coherence within the Old Testament and to some extent between the Old and New Testaments whilst also being aware of diversity A brief outline of the relationship between exeges and biblical theology within the overall task of interpreting and applying biblical material is given in the first chapter His hope as a Christian minister is that while this volume has grown out of a teaching context and is intended for students it will also be of benefit to others who want to take the theological content of the Old Testament seriously and to apply its message to the life and ministry of the church today **Old Testament Theology** Gerhard Hasel, 1991-04-25 Newly revised updated and enlarged this edition of a standard survey clearly sets forth and analyzes the major trends in contemporary Old Testament scholarship In the revision Hasel has incorporated significant scholarship since 1982 and has expanded his remarkable bibliography Testament Theology and Exegesis Willem VanGemeren, 1999-07-12 The introductory articles from the New International Dictionary of Old Testament Theology and Exegesis are presented here in a separate publication serving as an introduction to Old Testament theology and exegesis Old Testament Theology in a Canonical Context Brevard S. Childs, 1988-12-01 In this important work Child's thesis is that a canonical approach to the scriptures of the Old Testament opens up new possibilities for exploring the theological dimensions of the biblical text Old Testament Theology Preuss, Horst Dietrich Preuss, 1995-01-01 In this work a part of the Old Testament Library series Horst Preuss provides a comprehensive analysis of the theology of the Old Testament He focuses on a detailed assessment of Israel's responses to God's acts of election and covenant with them as a people The Old Testament Library provides fresh and authoritative treatments of important aspects

of Old Testament study through commentaries and general surveys The contributors are scholars of international standing

The Old Testament Between Theology and History Niels Peter Lemche,2008-01-01 From its inception at the time of the Enlightenment until the mid twentieth century the historical critical method constituted the dominant paradigm in Old Testament studies In this magisterial overview Niels Peter Lemche surveys the development of the historical critical method and the way it changed the scholarly perception of the Old Testament In part 1 he describes the rise and influence of historical critical approaches while in part 2 he traces their decline and fall Then in part 3 he discusses the identity of the authors of the Old Testament based on the content of the literature they wrote demonstrating that the collapse of history does not preclude critical study Part 4 investigates the theological consequences of this collapse and surveys Old Testament and biblical theology in its various manifestations in the twentieth century An appendix includes a history of Palestine from the Stone Age to modern times constructed without recourse to the Old Testament The Priestly Element in the Old Testament William Rainey Harper,1905 Introduction to Old Testament Theology John H. Sailhamer,1995 The author s purpose for Introduction to Old Testament Theology is to show how different approaches to the Old Testament can be brought together into a single theology The author develops his own distinctive approach which he calls canonical theology

Old Testament Theology Horst Dietrich Preuss, 1995-01-01 The author completes in this volume his comprehensive analysis of the theology of the Old Testament Preuss focuses on a detailed assessment of Israel's responses to God's acts of election and covenant with them as a people This volume includes a full range of discussions about the social political ethical **Old Testament Theology** Ben C. Ollenburger, 2004-06-30 and historical ramifictions of Israel's sense of Primal Election In this extensively revised and updated edition of The Flowering of Old Testament Theology Professor Ollenburger provides help for beginning theological students who are frequently overwhelmed by the proliferation of volumes dealing with Old Testament theology to say nothing of the variety of approaches used in these works This textbook has been re issued with a new title Old Testament Theology Flowering and Future and is now divided into five convenient sections Part 1 The Background Part 2 Old Testament Theology's Renaissance Walther Eichrodt through Gerhard von Rad Part 3 Expansion and Variety Between Gerhard von Rad and Brevard Childs Part 4 From Brevard Childs to a New Pluralism and Part 5 Contexts Perspectives and Proposals Selected essays include key theological statements of Otto Eissfeldt Walther Eichrodt Theodorus C Vriezen George E Wright Gerhard von Rad Walther Zimmerli John L McKenzie Ronald E Clements Walter C Kaiser Jr Samuel L Terrien Claus Westermann Brevard S Childs Rolf Knierim Horst D Preuss Walter Brueggemann Paul R House Bernhard W Anderson Erhard S Gerstenberger Hartmut Gese Phyllis Trible Jon D Levenson John H Sailhamer Gunther H Wittenberg James Barr R W L Moberly and Mark G Brett An appendix contains Johann P Gabler s 1787 seminal essay on biblical theology An extensive bibliography and indexes of authorities and Scripture references conclude the volume New Testament Theology and Ethics Ben Witherington III,2016-03-21 In the second volume of his two volume comprehensive

overview of the theological and ethical thought world of the New Testament Ben Witherington III focuses on the collective witness of New Testament writers the convergences and divergences of their theological and ethical thought Reading the Hebrew Bible for a New Millennium, Volume 1 Wonil Kim, 2000-08-01 Part of the Studies in Antiquity series these 21 essays feature interpretations of the Hebrew Bible using the comprehensive interpretive methodology developed by Rolf P Knierim

Theology of the Old Testament Gustav Friedrich Oehler, 1883 Gustav Friedrich Oehler was an Old Testament scholar and professor at T bingen in Germany At this time he was among the foremost proponents of theological conservatism with regard to the Old Testament rejecting the rationalism of Schleiermacher and the liberal school arising from his work For Oehler the Old Testament is an account of real history and divine revelation rather than a product of mere human development This two volume set published after Oehler's death by his son in 1874 contains the contents of Oehler's three decades of lectures on his area of expertise This early work of Biblical Theology explains the progressive revelation of divine truths from the first chapters of Genesis through the end of the Old Testament It contains both a history of God's people and an examination of the theological convictions of the Old Testament authors as moved by the Spirit **Interested Parties** The Concept of Biblical Theology James Barr, 2009-12-01 A major overview and David J. A. Clines, 1995-01-01 provocative analysis from a premier Old Testament scholar An Old Testament Theology Bruce K. Waltke, 2011-04-19 The Old Testament is more than a religious history of the nation of Israel It is more than a portrait gallery of heroes of the faith It is even more than a theological and prophetic backdrop to the New Testament Beyond these the Old Testament is inspired revelation of the very nature character and works of God As renowned Old Testament scholar Bruce Waltke writes in the preface of this book the Old Testament's every sentence is fraught with theology worthy of reflection This book is the result of decades of reflection informed by an extensive knowledge of the Hebrew language the best of critical scholarship a deep understanding of both the content and spirit of the Old Testament and a thoroughly evangelical conviction Taking a narrative chronological approach to the text Waltke employs rhetorical criticism to illuminate the theologies of the biblical narrators Through careful study he shows that the unifying theme of the Old Testament is the breaking in of the kingdom of God This theme helps the reader better understand not only the Old Testament but also the New Testament the continuity of the entire Bible and ultimately God himself

The Engaging World of E-book Books: A Comprehensive Guide Revealing the Advantages of E-book Books: A World of Ease and Flexibility E-book books, with their inherent mobility and simplicity of availability, have freed readers from the limitations of physical books.
