Devonshire Jones,Linda Murray,Peter Murray,2013-09-26 This dictionary is a fascinating guide to the broad range of terms used in the study of the history of Christian art and architecture including themes artists and movements The long awaited new edition includes entries by over a dozen expert contributors and a fully revised online bibliography bringing it up to date for the 21st century      **Catalogue of the Harvard University Fine Arts Library, the Fogg Art Museum** Harvard

University. Fine Arts Library,1976      The Grove Encyclopedia of American Art Joan M. Marter,2011 Arranged in alphabetical order these 5 volumes encompass the history of the cultural development of America with over 2300 entries

*The Exchange Artist* Jane Kamensky,2008-01-24 The riveting story of the country s first banking scandal in the first decades of the American republic This enthralling historical narrative of the birth of speculative capitalism in America opens in the 1790s when financial pioneer turned confidence man Andrew Dexter Jr created a pyramid scheme founded on real estate speculation and the greed of banks who freely printed the paper money he needed to finance the then tallest building in the United States the Exchange Coffee House a 153 room seven story colossus in downtown Boston The story of Dexter s rise and eventual collapse offered an object lesson to the rising young nation and presents striking parallels to the subprime mortgage meltdown and looming economic collapse of today      The Literary World ,1850      *A History of American Architecture* Mark Gelernter,2001 Presents a history of American architecture from the first civilizations in America to the present      *Bulletin of the New York Public Library* New York Public Library,1918 Includes its Report 1896 19      **The Early**

**Architecture Of Western Pennsylvania** Charles Morse Stotz,2023-07-13 A new edition of this long unavailable classic reproduces photographic prints made from original negatives and features an extensive analytical introduction by the noted architectural historian Dell Upton Before the 1936 publication of *The Early Architecture of Western Pennsylvania* the architectural heritage of a region prominent in the history of early America had been almost totally neglected Based on a four year survey conducted by the Pittsburgh chapter of the American Institute of Architects Charles Morse Stotz s book provides the definitive description and analysis of structures ranging from log houses to colonial and Georgian structures to examples of the pre Civil War Gothic revival The volume defines the local architectural idiom as an expression of the frontier and early industrial societies that played such an important part in the history of nineteenth century America This oversized volume of 416 black and white photographs 81 measured drawings and an extensive text presents a splendid array of early dwellings barns and other outbuildings churches arsenals banks inns commercial buildings tollhouses mills and even tombstones Time

has proved this work to be the definitive record of an architectural heritage that was fast disappearing with the economic boom of World War II and the postwar years The Early Architecture of Western Pennsylvania is also a work of precision beauty and integrity The drawings ignore alterations made after 1960 and show the buildings in their original condition giving special attention to details such as window sashes shutters cornices and roofs The floor plan of each structure is included and line drawings display the profiles of moldings and ornamentation Signature stones and hardware convey the quality of the early craftsmen's work In all cases stone joining has been faithfully drawn joint for joint to record the charm of old wall patterns This new edition makes a landmark book available to a new generation of readers one especially aware of the importance of architectural preservation and guarding the history of the Western Pennsylvania region **Homewood**

**House** Catherine Rogers Arthur, Cindy Kelly, 2004-12-20 Winner of a 2005 Heritage Book Award given by the Maryland Historical Trust Baltimore's Homewood was a wedding gift from Charles Carroll a signer of the Declaration of Independence to his son Charles Jr and his bride Harriet Chew Carroll Located on 130 acres of rolling meadow and forest it afforded picturesque view to the harbor The couple built a full and genteel establishment a grand yet intimate summer house that exemplifies the work of the most skilled Baltimore craftsmen of the Federal period Construction began in 1801 and incorporated a classical five part Palladian plan with two hyphens flanking the main block and connecting it to two wings or dependencies Spending far more than his father had anticipated Charles Jr used only the finest materials then available and included extraordinary architectural details throughout the house Homewood endures today as one of the finest examples of Federal period domestic architecture in the United States Sold by the Carroll family in 1838 the house and grounds eventually became the Homewood campus of the Johns Hopkins University In 1971 Homewood received National Historic Landmark status and five years later through the generosity of Robert G Merrick an alumnus and university patron who developed a love for Homewood as a student in the 1920s Johns Hopkins University began a major restoration effort Today open to the public as a museum the house reflects the height of early nineteenth century style and the tastes of the Carroll family In a lavishly illustrated yet scholarly study of this exquisite American residence Catherine Rogers Arthur and Cindy Kelly explore Homewood's history detailing its construction reliving the Carroll family's experiences here and recounting the expert restoration that preserves this home for generations to come The book includes more than one hundred full color photographs of the house's graceful exterior its elegant rooms and furnishings and the many architectural details that have made Homewood so beloved **The Monograph Series, Records of Early American Architecture**, 1924 Elements of

Woods,2023-04-28 This is the first in depth study of how the architectural profession emerged in early American history Mary  
Woods dispels the prevailing notion that the profession developed under the leadership of men formally schooled in  
architecture as an art during the late nineteenth century Instead she cites several instances in the early 1800s of craftsmen  
builders who shifted their identity to that of professional architects While struggling to survive as designers and supervisors  
of construction projects these men organized professional societies and worked for architectural education appropriate  
compensation and accreditation In such leading architectural practitioners as B Henry Latrobe Alexander J Davis H H  
Richardson Louis Sullivan and Stanford White Woods sees collaborators partners merchandisers educators and lobbyists  
rather than inspired creators She documents their contributions as well as those far less familiar of women architects and  
people of color in the profession s early days Woods s extensive research yields a remarkable range of archival materials  
correspondence among carpenters 200 year old lawsuits architect client spats the organization of craft guilds  
apprenticeships university programs and correspondence schools and the structure of architectural practices labor unions  
and the building industry In presenting a more accurate composite of the architectural profession s history Woods lays a  
foundation for reclaiming the profession s past and recasting its future Her study will appeal not only to architects but also to  
historians sociologists and readers with an interest in architecture s place in America today This title is part of UC Press s  
Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest  
minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer  
reviewed scholarship accessible once again using print on demand technology This title was originally published in 1999 This  
is the first in depth study of how the architectural profession emerged in early American history Mary Woods dispels the
