Elephant Rescue Changing The Future For Endangered Wildlife:

Elephant Rescue Jody Morgan, 2004-03-01 Presents information about the world's largest existing land mammal traces the efforts of individuals and organizations to learn about and conserve these creatures and suggests that man and animal should be able to live together *Elephant Rescue* Jody Morgan, 2004 From the book I just want to make sure there are elephants around for generations to enjoy like I have In 1979 the African elephant population was 1.3 million By 1989 that total dropped dramatically to 609,000 During the 1980s poachers killed some three hundred elephants a day Although active measures were soon enforced to protect African and Asian elephant populations the elephant's future is still uncertain *Elephant Rescue* traces the efforts of individuals and organizations that confront the international ivory trade and lobby indigenous governments to create protective environments One innovative program described is green hunting Sport hunters who once shot and killed elephants are now given the opportunity to use tranquilizers The animal suffers no harm and accompanying researchers can fit these elephants with a radio collar for further studies The book also covers How elephants live Ways elephants protect their families Elephants astonishingly intricate behavior Physiology life span diet and more *Elephant Rescue* is a fascinating book about how people and elephants can thrive in a shared environment About the Firefly Animal Rescue series The Firefly Animal Rescue identifies endangered and threatened species and what is being done to protect them Combining lively accessible text and stunning color photographs each book provides a detailed overview of the species describing its characteristics behavior habits physiology and more These attractive books are a call to action fascinating readable accounts School Library Journal Succinct introductions to the science and practice of wildlife conservation written in accessible lively language Booklist *Elephants Remember* Jennifer O'Connell, 2022-11-01 The deep bond between Lawrence Anthony and the traumatized matriarch of the wild elephant herd he saved is at the heart of this story From the author/illustrator of *The Eye of the Whale* Tilbury House 2013 this nonfiction picture book tells the story of Lawrence Anthony and the deep bond he forged with the matriarch of the herd he saved at his animal reserve in South Africa When Lawrence died the matriarch led all the elephants from remote parts of the reserve in a procession to his home where they gathered to mourn him They returned on the same day at the same time for the next two years because elephants remember This moving story of human elephant mutual love and respect will inspire readers of all ages *Elephant Talk* Ann Downer, 2017-01-01 On a hot day in the African savannah a group of elephants searches for food While foraging they often lose sight of one another Yet at the end of the day in one coordinated movement the elephants suddenly regroup This coordinated movement and others like it has puzzled scientists and caused them to question how elephants communicate with each other Since the 1990s scientists have gathered significant data on elephant talk Biologists have determined that elephants use a complex system of communication of at least ten distinct sounds combined in many variations Researchers are now asking what do these sounds mean As scientists study the elephant sounds that humans can hear they are also

identifying ways elephants communicate through nonverbal behaviors and making sounds too low for human ears Scientists have realized that elephants even receive messages by using their sensitive feet to feel vibrations in the ground All of these discoveries are helping elephant researchers better understand elephant behavior But the elephant s time as a wild animal is running out Threatened by habitat loss and illegally hunted for their ivory tusks elephants are on the brink of extinction Will understanding elephant talk be the key to saving the species School Library Journal ,2006 *Heritage of Care* Marion S. Lane,Stephen L. Zawistowski Ph.D.,2007-12-30 Founded in 1866 the American Society for the Prevention of Cruelty to Animals was the nation s first animal welfare organization The society had its origins in the fervor for social reform that characterized the era following the Civil War Its founder Henry Bergh organized the ASPCA because of his abhorrence of injustice personally he was never especially interested in animals The society s agents known in the early years as Bergh s men were empowered to enforce the law throughout the state Bergh used the media to advance his cause and many of the issues that he confronted were covered in the press *Heritage of Care* brings these early efforts to life again After Bergh s death the ASPCA s original mission to provide effective means for the prevention of cruelty to animals drew committed men and women to continue the work From 1894 to 1994 the ASPCA handled animal control for New York City changing the image of dog pounds to animal shelters by introducing the concept of a professional staff And just as Bergh preached kindness to children in the orphanages of old New York his successors instilled caring attitudes through the new medium of television and later through the Internet *Heritage of Care* brings the society s work up to date It is an insider s look at Bergh s men and Bergh s women of the twenty first century *Endangered Animals of the Jungle 6-Pack* William Rice,2012-10-01 Take a trip to the tropics to learn about what makes jungle animals so unique and why they need to be protected This nonfiction title allows readers to discover the causes of endangered animals including poaching and habitat loss through astonishing facts and colorful images of these beautiful animals in conjunction with informational text and helpful charts and diagrams With a glossary of terms an index and a list of resources and websites children will be inspired to take part in the conservation of jungle animals This 6 Pack includes six copies of this title and a lesson plan Save the... Rhinoceroses Sarah L. Thomson,Chelsea Clinton,2023-09-05 Rhinoceroses have wallowed and grazed their ways into kids hearts With this book readers can become rhinoceros experts and learn how to save the animals they love Featuring an introduction from Chelsea Clinton Did you know that rhinoceroses are the second biggest land animal in the world second only to elephants How about that rhinos have especially poor eyesight Or that white and black rhinos are called that even though neither of them is black or white Perfect for all animal lovers and rhino fans in particular this book is filled with all the facts you need to know to become a rhinoceros expert Where are rhinos found What s it like to be a rhino Why are rhinos endangered and who has been working hard to save them Read this book and find out how you can help save the rhinoceroses Complete with black and white photographs a list of fun rhino facts and things that kids can do right this very moment to help save rhinoceroses

from extinction this book with an introduction by animal advocate Chelsea Clinton is a must for every family school and community library

The Georgia Journal of International and Comparative Law ,2014 *Forthcoming Books* Rose Army,2004 *The Elephant Tourism Business* Eric Laws,Noel Scott,Xavier Font,John Koldowski,2020-11-23 Elephant tourism is a growing activity in many countries across Asia and Africa and is popular with tourists from all parts of the world Elephant tourism has grown rapidly providing the only viable way for elephants and their owners to survive since the banning of logging Old logging camps have been developed into sanctuaries for some elephants but many other camps were established as entertainment centres resulting in serious welfare issues for the elephants and their mahouts The profits from elephant tourism in Asia have encouraged African operators to follow a similar business model This book draws attention to the need for a comprehensive and rigorous focus on local solutions to improve the welfare of captive elephants their mahouts and local residents and to enhance tourists experiences of elephant tourism

Children's Book Review Index 2008 Dana Ferguson,2008-08-15 The Childrens Book Review Index contains review citations to give your students and researchers access to reviewers comments and opinions on thousands of books periodicals books on tape and electronic media intended and or recommended for children through age 10 The volume makes it easy to find a review by authors name book title or illustrator and fully indexes more than 600 periodicals

The Book Review Digest ,2006 Children's Books in Print, 2007 ,2006 *Common Ground, Common Future* Jeffrey A. McNeely,2008-06 Today humanity faces a serious challenge Much of the Earth s biodiversity the richness of its many species of flora and fauna is at risk The areas that are home to the greatest numbers of at risk species are also home to large numbers of rural people many of them desperately poor Local agriculture must expand to meet rapidly growing world demand Yet agriculture as currently practiced is a chief cause of the destruction of valuable habitats pushing species towards extinction If agricultural policies are not changed large numbers of endangered species of all types will be lost This report explores strategies for ways in which ecoagriculture can meet this challenge and help feed the world s people and protect biodiversity Illustrations

Best Books for Children, Preschool Through Grade 6 ,2006 *Animales de la jungla en peligro (Endangered Animals of the Jungle) 6-Pack* William Rice,2013-07-30 Take a trip to the tropics to learn about what makes jungle animals so unique and why they need to be protected This Spanish translated nonfiction title allows readers to discover the causes of endangered animals including poaching and habitat loss through astonishing facts and colorful images of these beautiful animals in conjunction with informational text and helpful charts and diagrams With a glossary of terms an index and a list of resources and websites children will be inspired to take part in the conservation of jungle animals This 6 Pack includes six copies of this title and a lesson plan

Great Plains Wildlife Damage Control Workshop Proceedings ,1987 Ninth Great Plains Wildlife Damage Control Workshop Proceedings ,1989
