The House of Four Seasons Roger Duvoisin, 2017-04-04 By the author of the bestselling picture book *Petunia*, *The House of Four Seasons* is a bright and lively family picture book about colors, imagination, and compromise. When Father, Mother, Billy, and Suzy go house hunting in the country, they fall in love with a grand old house nestled among tall weeds and trees. It is in need of repair, and soon a carpenter, mason, and tinsmith come to set things straight, but it needs painting, too. The family agrees it would be more fun to paint the house themselves, but no one can agree on the color, and to make matters worse, the hardware store only carries three colors: red, blue, and yellow. But Father has an idea. You'll see, he says, colors can do many tricks when they get together, and with a sudden flourish, a color wheel appears. Budding artists and engineers will love this surprising story, and adults would do well to note how Father arrives at a winning trifecta of negotiation, education, and thrift.

The Little Water Sprite Otfried Preussler, 2015-09-08 One spring day, the little Water Sprite is born in a house of reeds at the bottom of a mill pond. Duckweed soup, pickled water fleas, and other dainties are served to celebrate. The little Water Sprite grows up quickly, and soon he is bored of gazing out the window at the newts and fish swimming by. There is a whole new world to see outside his living room, and the little Water Sprite is determined to explore it. In the pond, he makes friends with Cyprian the carp and encounters the fearsome nine-eyed lamprey, but his most thrilling adventures await him on dry land.

The Milk of Dreams Leonora Carrington, 2017-05-16 In English for the first time, a wild and darkly funny book that combines Surrealist painter Leonora Carrington's fantastical writing and illustrations for children. The maverick surrealist Leonora Carrington was an extraordinary painter and storyteller who loved to make up stories and draw pictures for her children. She lived much of her life in Mexico, and her sons remember sitting in a big room whose walls were covered with images of wondrous creatures, towering mountains, and ferocious vegetation, while she told fabulous and funny tales. That room was later whitewashed, but some of its wonders were preserved in the little notebook that Carrington called *The Milk of Dreams*. John, who has wings for ears, Humbert, the Beautiful, an insufferable kid who befriends a crocodile and grows more insufferable yet, and the awesome Janzamorja are all to be encountered in *The Milk of Dreams*, a book that is as unlikely, outrageous, and dreamy as dreams themselves.
