Elfreth Of Letters:

The Elfreth Book of Letters Susan Winslow Hodge, 1985 Facsimile reproduction of The Elfreth book of letters a commonplace book containing over one hundred letters written by five members of the Elfreth family between 1835 and 1837 Letters were written by four of the children as well as their father Jacob Roberts Elfreth 1789 1870 **Letter Writing as a Social Practice** David Barton, Nigel Hall, 2000-04-15 This book explores the social significance of letter writing Letter writing is one of the most pervasive literate activities in human societies crossing formal and informal contexts Letters are a common text type appearing in a wide variety of forms in most domains of life More broadly the importance of letter writing can be seen in that the phenomenon has been widespread historically being one of earliest forms of writing and a wide range of contemporary genres have their roots in letters The writing of a letter is embedded in a particular social situation and like all other types of literacy objects and events the activity gains its meaning and significance from being situated in cultural beliefs values and practices This book brings together anthropologists historians educators and other social scientists providing a range of case studies that explore aspects of the socially situated nature of letter writing **Family Men** Shawn Johansen, 2014-04-08 First Published in 2001 Routledge is an imprint of Taylor Francis an informa company **The Young Composers** Lucille M Schultz, 1999-04-28 Lucille M Schultz s The Young Composers Composition s Beginnings in Nineteenth Century Schools is the first full length history of school based writing instruction Schultz demonstrates that writing instruction in nineteenth century American schools is much more important in the overall history of writing instruction than we have previously assumed Drawing on primary materials that have not been considered in previous histories of writing instruction little known textbooks and student writing that includes prize winning essays journal entries letters and articles written for school newspapers Schultz shows that in nineteenth century American schools the voices of the British rhetoricians that dominated college writing instruction were attenuated by the voice of the Swiss education reformer Johann Heinrich Pestalozzi Partly through the influence of Pestalozzi s thought writing instruction for children in schools became child centered not just a replica or imitation of writing instruction in the colleges It was also in these nineteenth century American schools that personal or experience based writing began and where the democratization of writing was institutionalized These schools prefigured some of our contemporary composition practices free writing peer editing and the use of illustrations as writing prompts It was in these schools in fact where composition instruction as we know it today began Schultz argues This book features a chapter on the agency of textbook iconography which includes illustrations from nineteenth century composition books as well as a cultural analysis of those illustrations Schultz also includes a lengthy bibliography of nineteenth century composition textbooks and student and school newspapers **Independence** Constance M. Greiff, 1987 Carefully researched and fully documented Independence chronicles the history of the cradle of liberty that is Independence National Historical Park the historical site most closely connected with the nation s founding Constance M

Greiff illustrates how the park was shaped by national events and conditions in Philadelphia change and growth within the National Park Service and the interpersonal and political struggles among the key people involved in the park's development. She traces the process by which the participants arrived at the ideas underpinning the park's creation and development, conflicting views about the purpose and scope of the park and the resolution of those conflicts.

The Legal Intelligencer..., 1857 *The Oxford Handbook of Charles Brockden Brown* Philip Barnard, Hilary Emmett, Stephen Shapiro, 2019. The Oxford Handbook of Charles Brockden Brown provides a state-of-the-art survey of the life and writings of Charles Brockden Brown, a key writer of the Atlantic revolutionary age and U.S. Early Republic. The seven novels he published during his lifetime are now studied for their narrative complexity, innovations in genre, and social political commentaries on life in early America and the revolutionary Atlantic. Through the late twentieth century, Brown was best known as an author of political romances in the gothic mode that proved to be widely influential in the romantic era and has generated large amounts of scholarship as a crucial figure in the history of the American novel.

American Studies International, 1985 **Girls and Literacy in America** Jane Greer, 2003-05-23. An exploration of the fascinating and controversial history of girls' education in America from the colonial era to the computer age. *Girls and Literacy in America* offers a tour of opportunities, obstacles, and achievements in girls' education from the limited possibilities of colonial days to the wide open potential of the Internet generation. Six essays written by historians and focused on particular historical periods examine the extensive range of girls' literacies in both educational and extracurricular settings. Girls from various ethnic and racial backgrounds, social classes, religions, and geographic areas of the nation are included. A host of primary documents, including such items as an 18th-century hornbook, excerpts from girls' conversations in Internet chat rooms, allow readers an opportunity to evaluate for themselves some of the materials mentioned in the volume's opening essays. And finally, an extensive bibliography will be invaluable to students expected to conduct more extensive primary research.
