Good Neighbor Sam:

Good Neighbor Sam Jim Fritzell, Everett Greenbaum, David Swift, 1964 *Stealing Through Time* Jack Seabrook, 2006-04-13 The writings of twentieth century author Jack Finney are classic contributions to the genres of science fiction and suspense thrillers in American literature Two of Finney's novels *The Body Snatchers* and *Good Neighbor Sam* became the basis of popular films but it was his time travel story *Time and Again* 1970 that won him a devoted following The novel about an advertising artist who travels back to the New York of the 1880s quickly became a cult favorite celebrated especially by New Yorkers for its rich descriptions of life in the city at that time The year of his death Finney finished the sequel *From Time to Time* 1995 In 1955 he published *The Body Snatchers* a chilling tale of aliens who emerge from pods in the guise of humans Many critics interpreted the insidious infiltration by aliens as a cold war allegory that dramatized America's looming fear of a communist invasion and the 1956 film *Invasion of the Body Snatchers* was remade twice Over the course of his career Finney wrote ten novels more than 50 short stories two plays and a work of nonfiction all of which are presented and discussed in this book Also reproduced in full and analyzed is a series of letters exchanged between Finney and various persons associated with his alma mater Knox College These letters give rare insight into Finney's character and demonstrate his personal interest in some of the themes that recur in his fiction This work begins with an overview of Finney's life and career presents a complete assessment of the author's works and concludes with a look at the various ways that Finney's works have been adapted for the stage television and film Also included is the first comprehensive list of Jack Finney's writings ever published **The Edward G. Robinson Encyclopedia** Robert Beck, 2015-09-16 Edward G Robinson a 1930s cinema icon had an acting career that spanned more than 60 years After a brush with silent films he rose to true celebrity status in sound feature films and went on to take part in radio and television performances then back to Broadway and on the road in live theatre This work documents Robinson's every known public performance or appearance listing co-workers source material background and critical commentary The entries include feature films documentaries short subjects cartoons television and radio productions live theatre presentations narrations pageants and recordings Also included are entries relating to his life and career ranging from his wives to his art collection *Screen World Presents the Encyclopedia of Hollywood Film Actors: From the silent era to 1965* Barry Monush, 2003 Applause Books For decades Screen World has been the film professional's as well as the film buff's favorite and indispensable annual screen resource full of all the necessary statistics and facts Now Screen World editor Barry Monush has compiled another comprehensive work for every film lover's library In the first of two volumes this book chronicles the careers of every significant film actor from the earliest silent screen stars Chaplin Pickford Fairbanks to the mid 1960s when the old studio and star systems came crashing down Each listing includes a brief biography photos from the famed Screen World archives with many rare shots vital statistics a comprehensive filmography and an informed entertaining assessment of each actor's contributions good or bad In addition to

every major player Monush includes the legions of unjustly neglected troupers of yesteryear The result is a rarity an invaluable reference tool that s as much fun to read as a scandal sheet It pulsates with all the scandal glamour oddity and glory that was the lifeblood of its subjects Contains over 1 000 photos *Catalog of Copyright Entries* Library of Congress. Copyright Office,1966 **Meet Me at Mcgoon's** Pete Clute,Cedric E. thing Hollywood knows how to exploit it is the fears of Things to Come Movies about the end of the world have been around since the early days of cinema and Armageddon Film FAQ is a look into the various methods we have destroyed ourselves over the years zombies mad computers uptight aliens plunging objects from space crazed animals Satan God Contagions the ever popular atomic bomb sometimes even a combination of these in the same movie Armageddon Films FAQ goes from the silent days of filmmaking to the most recent literally earth shattering epics from cinema to television and even the novels from comedies to dramas from supernatural to scientific It also explores other aspects of the genre such as iconic but unfilmable apocalyptic novels postnuclear car racing flicks domestic dramas disguised as end of the world actioners and more from the most depressing to the happiest Armageddons ever

year of the silence cm taylor,2009-01-20 Somebody raped her and blew her brains out And you know what I m not leadin another candlelight vigil in some vacant lot again and this church will not be leavin balloons and teddy bears and tellin the media that we goin to pray and talk to politicians about gun control and oh we just don t know what we gonna do We are going to do something Pastor Bright s voice rose in controlled anguish and anger God has listened to us long enough Now we will listen to Him There will be a meeting immediately following church for everybody in Good Neighbor SAM WHAT WOULD YOUR CHURCH DO

Career Movies Jack Boozer,2010-01-01 Achieving the American Dream became inextricably linked with career business success after World War II as an increasingly consumerist America learned to define the dream through possessions and status Not surprisingly Hollywood films in the postwar years reflected the country s preoccupation with work and career success offering both dramatic and comedic visions of the career quest and its effects on personal fulfillment family relations women s roles and the creation or destruction of just and caring communities In this book Jack Boozer argues that the career business film achieved such variety and prominence in the years between 1945 and 2001 that it should be considered a legitimate film genre Analyzing numerous well known films from the entire period he defines the genre as one in which a protagonist strives for career success that often proves to be either elusive despite hard work or unfulfilling despite material rewards and status Boozer also explores several distinct subgenres of the career movie the corporate executive films of the 1950s the career struggles of single married and or parenting women the entrepreneurial film as it is also embodied in texts about immigrants and racial and ethnic minorities and business oriented femmes fatales the explosion of promotionalism and the corporatization of employment and finally the blurring of work and private life in the brave new world of the televirtuality film
