**Medical Misadventures** Alistair Fraser-Moodie,2018-03-06 A memoir looking at the ups and downs of a doctor s life A warts and all examination of the NHS through the last 50 years The book also looks at the looming crisis in the NHS when the number of doctors will dramatically fall Alistair Fraser Moodie believes he was probably born into medicine His mother was a general practitioner working from home his father was a surgeon also a dentist Following his destiny he started training as a doctor He recalls 5 years at medical school learning very little about medicine but a lot about girls alcohol and sport Now after 54 years as a doctor and having recently retired Alistair has written about his personal journey through the highs and lows of the medical profession Alistair had many different jobs within the NHS and for a while was a plastic surgeon But in 1978 he was

appointed a single handed emergency casualty consultant in Derby a position that is now shared between 16 people He remained there until 2007 During this time he became an expert in Road Traffic Accidents and made many court appearances as an Expert Witness He writes about many of medical misadventures dilemmas and curious cases that occurred while in the A E Alistair also lays bare the medical problems attributable to and suffered by the doctors themselves He looks at the incredible stress that doctors have to suffer And many of the problems of the health system which have been made worse by government policies How sick is the NHS Well read this uncensored account of a lifetime in the NHS which is both true and for adults only If you read this book cover to cover then you will see why the NHS is in the mess it is in Only then he would maintain can drastic action be taken      **The Living Church** ,1966-07      **Convicted** Chaplain Paul,2022-03-25 With over two million Americans incarcerated in jails and prisons we see an epidemic in our country What is the answer Amid the many proposals for solving this issue I believe the best solution is more of God Actually every one of us needs more of God and His word in our lives no matter where we are in life These devotionals were written with the physically incarcerated in mind but apply to all of us These pages focus on God s word as a mind saturated with Scripture is a mind headed toward making right choices I see God s word as a vital source of comfort and challenge We all fall and fail Over and over God s grace is a comfort to us in those moments of needed forgiveness Yet God s grace also challenges us to get up and press on in living out our faith as new creations in Christ It is my prayer that these devotionals will both comfort and challenge you wherever you are in your journey with God through this life      *When Hearts Heal* Linda K. Estes,2019-11-01 How can you mend a broken heart said the Bee Gees many years ago As Linda Estes and most of us knows bruised and broken hearts are part of this life How we deal with the brokenness is as diverse as we are Linda reminds us that our LORD is the One who does more than apply temporary ointment or bandage He tenderly and fully heals with the power of His own loving treatment Join Linda in this fourth and possibly her last devotion book as she shares healing words from our LORD What is next

**They Are Not Alone** Leo Cauzillo,2019-01-31 Dr A Pal Chi is a mathematician sworn by oath to reveal none of his findings His labs at the university are the only facilities still in operation on his doomed planet He is working on a complex formula that will change the world if he can figure it out One of his theories removes zero from the number line and allows to equal 3 His c2 equation allows travel at light speed So his team builds a grand new ship capable of carrying two thousand people on an eight and a half year trip to the stars Back on his home world a race was on with the cities of the east They have their own light speed program and have the same destination planet in mind As Dr Chi embarks on his journey and transforms from mathematician to explorer he leads the charge as history mythology and religion are examined in new ways through archeology space travel ritual and legend As he his team and his crew search for evidence of ancient civilizations on new worlds they determine that they are not alone in this vast universe full of surprises In this science fiction tale a mathematician turned explorer travels on light speed adventures in space where mythology springs to life and his destiny
