**Good Samaritan Faith** Bernard Thompson, 1984 *The publishers weekly*, 1984 *American Book Publishing Record*, 1984 **Forthcoming Books** Rose Arny, 1994-04 *Choosing Our Religion* Elizabeth Drescher, 2016-03-01 To the dismay of religious leaders study after study has shown a steady decline in affiliation and identification with traditional religions in America By 2014 more than twenty percent of adults identified as unaffiliated up more than seven percent just since 2007 Even more startling more than thirty percent of those under the age of thirty now identify as Nones answering none when queried about their religious affiliation Is America losing its religion Or as more and more Americans choose different spiritual paths are they changing what it means to be religious in the United States today In *Choosing Our Religion* Elizabeth Drescher explores the diverse complex spiritual lives of Nones across generations and across categories of self identification such as Spiritual But Not Religious Atheist Agnostic Humanist just Spiritual and more Drawing on more than one hundred interviews conducted across the United States Drescher opens a window into the lives of a broad cross section of Nones diverse with respect to age gender race sexual orientation and prior religious background She allows Nones to speak eloquently for themselves illuminating the processes by which they became None the sources of information and inspiration that enrich their spiritual lives the practices they find spiritually meaningful how prayer functions in spiritual lives not centered on doctrinal belief how morals and values are shaped outside of institutional religions and how Nones approach the spiritual development of their own children These compelling stories are deeply revealing about how religion is changing in America both for Nones and for the religiously affiliated family friends and neighbors with whom their lives remain intertwined *The Heart of Religion* Matthew T. Lee, Margaret M. Poloma, Stephen G. Post, 2013-01-10 Drawing on a random survey of 1 200 men and women across the United States this book sheds new light on how Americans wake up to the reality of divine love and how that transformative experience expresses itself in concrete acts of benevolence *The Cumulative Book Index*, 1985 A world list of books in the English language *California Southland*, 1926 *Stand in the Gap* David Bryant, 1989 *Beautiful Lives - Sharing our faith with friends and neighbours* Roger Morgan, 2018-06-01 *Beautiful Lives* is a group course by Roger Morgan which helps church members develop the confidence to share their faith naturally and effectively with friends family colleagues and neighbours 1 Peter 3 2 4 speaks of the beauty and reverence which should characterise our lives as Christians and Roger believes that it is beautiful lives lived in the power of the Holy Spirit which lead others to faith The course consists of 8 sessions offered in a user friendly format with plenty of interaction and discussion and points towards an accessible locally planned invitation event to be held after the completion of the course This Course Member s Booklet containing notes and simple homework exercises There is a Group Leader s Manual obtainable separately *NIV, Game Plan for Life Bible* Zondervan, 2012-09-25 This is your Playbook for life In life you re going to get tackled intercepted or end up in the wall So how do you prepare and be ready when life slams you unexpectedly
