**Hidden Years** James Exparza,2013-03-29 The life of Jesus is intertwined with biblical characters Portrayed as fully human Jesus with the help of Mary and John the Baptist must go through a difficult discernment

process before he begins his public ministry Both Mary and Jesus reminisce about their lives and how each faced significant crises in their lives John the Baptist becomes a catalyst who helps Jesus discover his unique call to preach the Kingdom of God Living in Capernaum Jesus forms unique relationships with Peter James John and Andrew which serve as the basis for them to leave all and follow him      Kitabu : the Drum Still Cries Earl L. Reifel,2012-06-29 Kitabu The Drum Still Cries is not only the story of a young missionary living in a remote area with an indigenous group of people but also a story of the struggle and the victory as the missionary learns to share the Gospel in culturally appropriate ways so that the men of the African tribe can pass on the truths of the Gospel and transform their own lives This unique story is told by an imaginary troubadour who observes the youthful missionary who seeks to find redemptive analogies and culturally appropriate ways to present the Gospel to a civilization far removed from his own educational background The African men must take up the challenge of reaching their own people for Christ Kitabu The Drum Still Cries will make you laugh and cry as you walk through the foothills of the mountains with the men who face challenges of planting a truly original church among their own people for themselves and for God
