Good One Erm:

Good One, Erm Garry Disher,2013-05-01 Good One Erm is a warm and moving story of cranky neighbours and family love by the author of The Bamboo Flute It s not easy moving house and making new friends Especially not when the neighbours think you re weird And not when Ermyntude your grand piano sends wolfhounds and comets after the man next door And sirens and horses and roosters and barn owls It s not easy when you know you ll never see your father again will you ever be able to play the grand piano without him And will Ermyntude let you play music any more anyway **A**

Media Talk Andrew Tolson,2005-09-12 Over the past twenty years a focus on broadcast talk has emerged as an innovative approach to studying the media Adapting perspectives derived from Discourse and Conversation Analysis this approach investigates distinctive forms of mediated speech on TV and radio It provides original insights into the ways in which broadcasting stages discourse events interviews debates commentaries and verbal performances which are designed to attract and involve overhearing audiences Media Talk is the first book to provide a comprehensive review of this important work in terms which are accessible to students and non specialist readers It is however much more than a textbook being augmented throughout by the author s own research into contemporary sometimes controversial developments An introduction to this area of media studies and its distinctive methodologies is followed by chapters on news talk political talk sports talk radio DJ talk talk shows celebrity interviews and reality TV The book is illustrated with examples from British and American radio and television Particular themes include the so called dumbing down of news and current affairs in increasingly conversational forms the design of forms of talk to appeal to particular target audiences the development of new forms of reality programming featuring unscripted verbal performances by ordinary people **Memory, War and Trauma**

Nigel C. Hunt,2010-05-13 Many millions of people are affected by the trauma of war Psychologists have a good understanding of how experiences of war impact on memory but the significance of external environmental influences is often disregarded Memory War and Trauma focuses on our understanding of the psychosocial impact of war in its broadest sense Nigel C Hunt argues that in order to understand war trauma it is critical to develop an understanding not only of the individual perspective but also of how societal and cultural factors impact on the outcome of an individual s experience This is a compelling book which helps to demonstrate why some people suffer from post traumatic stress while other people don t and how narrative understanding is important to the healing process Its multidisciplinary perspective will enable a deeper understanding of both individual traumatic stress and the structures of memory **English Unlimited Intermediate B**
