**The New Yale Book of Quotations** Fred R. Shapiro,2021-08-31 A revised enlarged and updated edition of this authoritative and entertaining reference book named the 2 essential home library reference book by the Wall Street Journal Shapiro does original research earning this volume a place on the quotation shelf next to Bartlett's and Oxford's William Safire New York Times Magazine on the original edition A quotations book with footnotes that are as fascinating to read as the quotes themselves Arthur Spiegelman Washington Post Book World on the original edition Updated to include more than a thousand new quotations this reader friendly volume contains over twelve thousand famous quotations arranged alphabetically by author and sourced from literature history popular culture sports digital culture science politics law the social sciences and all other aspects of human activity Contemporaries added to this edition include Beyonc Sandra Cisneros James Comey Drake

Louise Gl ck LeBron James Brett Kavanaugh Lady Gaga Lin Manuel Miranda Barack Obama John Oliver Nancy Pelosi Vladimir Putin Bernie Sanders Donald Trump and David Foster Wallace The volume also reflects path breaking recent research resulting in the updating of quotations from the first edition with more accurate wording or attribution It has also incorporated noncontemporary quotations that have become relevant to the present day In addition The New Yale Book of Quotations reveals the striking fact that women originated many familiar quotations yet their roles have been forgotten and their verbal inventions have often been credited to prominent men instead This book s quotations annotations extensive cross references and large keyword index will satisfy both the reader who seeks specific information and the curious browser who appreciates an amble through entertaining pages *Listen to the Blues!* James E. Perone,2019-02-15 Listen to the Blues Exploring A Musical Genre provides an overview of this distinctly American musical genre for fans of the blues and curious readers alike with a focus on 50 must hear artists albums and subgenres Unlike other books on the blues which tend to focus on musician biographies Listen to the Blues devotes time to the compositions recordings and musical legacies of blues musicians from the early 20th century to the present Although the author references musical structure harmony form and other musical concepts the volume avoids technical language therefore it is a volume that should be of interest to the casual blues fan to students of blues music and its history and to more serious blues fans The chapters on the impact of the blues on popular culture and the legacy of the blues also put the genre in a broader historical context than what is found in many books on the blues The book opens with a background chapter that provides an overview of the history and structure of blues music A substantial encyclopedic chapter that focuses on 50 must hear blues musicians follows as does a chapter that explores the impact on popular culture of blues music and musicians and a chapter that focuses on the legacy of the genre A bibliography rounds out the work
