The Ghosts Within Janna Odabas, 2018-11-09 The ghost as a literary figure has been interpreted multiple times spiritually psychoanalytically sociologically or allegorically Following these approaches Janna Odabas understands ghosts in Asian American literature as self reflexive figures With identity politics at the core of the ghost concept Odabas emphasizes how ghosts critically renegotiate the notion of Asian America as heterogeneous and transnational and resist interpretation through a morally or politically preconceived approach to Asian American literature Responding to the tensions of the scholarly field Odabas argues that the literary works under scrutiny openly play with and rethink conceptions of ghosts as mere exotic ethnic ornamentation

Sabol Jr, 2008-03-24 This book is an archaeological excavation of anomalous phenomena that still lingers to haunt various locations in the anthracite coal region of Northeastern Pennsylvania The unearthing of this haunting presence is both a metaphorical excavation the bringing into the light of various dramas events and experiences of an individual and collective nature and a physical engagement the emergence of ghostly presence through investigative field performances This anthracite coal region drama is viewed through the use of a deep map of short but compendious ghost narratives This deep map consists of autobiographical events symmetrical archaeological practices memories of local places ethnic folklore haunting traces and manifestations natural history the use of ascientific field methodology and a sincere and profound sensitivity to the land These ghost narratives are a subtle multi layered and deep mining of a small regional landscape that has long been neglected and been perceived as insignificant social history This book is meant to change that perception through a sensual unearthing of its haunting uncertainties      **Edward Elgar and the Nostalgic Imagination** Matthew Riley, 2007-02-08 A study of nostalgia in the music of the popular twentieth century composer Edward Elgar
