El Telon:

Se abre el telon Karla P. Zepeda-Wenger, Mónica B. Botta, 2021-08-04 This textbook provides an innovative approach to support students learning and acquisition of Spanish through ten plays all presented in Spanish from Spain and Latin America. It offers direct interaction through realistic discourse from plays that also present current topics thus facilitating class conversations. Each chapter provides an introduction to the play and author pre reading activities acting exercises reading comprehension and literary analysis questions writing prompts and topics for reflection on culture. Additional role playing improvisation scriptwriting and non verbal games help to acquaint the learner with diverse forms of social interactions. Este libro de textos proporciona un acercamiento innovador para el aprendizaje y adquisición del español mediante el empleo de diez piezas dramáticas procedentes de España y América Latina. El libro ofrece la oportunidad de interactuar con el lenguaje hablado de las obras las que a su vez presentan temas de actualidad estimulando así la práctica de la conversación en el contexto de una clase. Cada capítulo proporciona una introducción a la obra y su autor a actividades de lectura ejercicios de actuación preguntas de lectura y comprensión preguntas de análisis literario y consignas para la redacción y la reflexión sobre la cultura. Además de esto los ejercicios de role playing improvisación escritura dramática y juegos de comunicación no verbal posicionan al alumnado a entrar en contacto con diversas situaciones comunicativas. El telón oculto de la estandarización Miriam Escobar Valencia, 2018-09-21 Trata de las organizaciones que incursionan en mercados de exigencia en los que es común encontrar estándares convertidos en normas que se conocen como certificaciones emitidas por organismos acreditados. Sin embargo, lo que hace que con frecuencia las organizaciones opten por formalizar estándares exigidos sin que los contratos comprometidos se sostengan en el tiempo. El problema resulta de la reflexión sobre lo que los actores estratégicos aquellos que dirigen el rumbo organizacional orientan en las organizaciones que han establecido un estándar que se ofrece bajo la promesa de ser la vía hacia la competitividad para el bien de la sociedad. En el contexto colombiano una gran proporción de los estándares no ha cumplido con lo prometido. La reflexión apunta a establecer si los discursos relacionados con la estandarización están inmersos o no en los postulados de la idea de progreso moral y material de la humanidad postulados que según los pensadores posmodernos han entrado en crisis. Se considera el análisis de los discursos de la estandarización en las organizaciones desde la mirada del proyecto sociocultural de la modernidad occidental articulado en torno a los conceptos de libertad igualdad y justicia y a la idea de progreso de la humanidad como indiscutible y la reflexión crítica contemporánea posmoderna del desplome de esa idea. En este texto se discute ese problema en el marco de la literatura de la estandarización en los discursos implícitos en las prácticas de los actores estratégicos en el contexto colombiano. **EVOLUCIONANDO EN SERES CRISTAL VOL II: ABRIENDO EL TELON** Ank Fay Kha Tron, 2023-07-24 Siempre nos hemos preguntado quiénes somos de dónde venimos a dónde vamos por qué estamos aquí y muchos otros interrogantes.
