Elders Crime The Criminal Justice Syst:

Elders, Crime, and the Criminal Justice System Max B. Rothman, JD, LLM, Burton D. Dunlop, PhD, Pamela Entzel, JD, 2004-01-01 This book provides a comprehensive analysis of interactions between older people and the criminal justice system The editors present current research on elders in a multitude of roles from victim and offender to attorney defendant witness juror and prisoner Of particular interest are chapters on the psychological and medical conditions of elder prisoners and issue around selective decarceration Each contributor documents empirical data and identifies social policy and ethical implications where applicable Recommended for gerontologists sociologists social workers and professionals in the legal and criminal justice fields

Family Crimes Against the Elderly Patricia J. Brownell, 2014-01-14 First Published in 1999 Family Crimes Against the Elderly A Study of Elder Abuse and the New York Police Department represents an important contribution to the available knowledge on elder abuse as a criminal justice issue While most studies of elder abuse to date have examined this social problem from a health mental health or social service perspective few have focused on it from the perspective of law enforcement

Perspectives on Elderly Crime and Victimization Peter C. Kratcoski, Maximilian Edelbacher, 2025-09-26 The updated second edition of this textbook focuses on understanding and addressing the criminality and victimization experienced by the elderly population globally It offers insights into the prevalence of elderly crime and victimization through international comparisons and explores effective strategies to tackle this issue The book covers a wide range of topics including the types of crimes committed by the elderly the characteristics of older offenders and the responses of the criminal justice system such as diversion programs and community based treatments It also delves into specialized programs providing health and mental health services for older prisoners Furthermore the new edition expands on processing and rehabilitation approaches for elderly offenders along with services aimed at preventing protecting and caring for elderly victims It also includes comparative international research on crime prevention methods and legislative measures making it a valuable resource for students in criminology criminal justice sociology and gerontology

Crime and Elder Abuse Brian K. Payne, 2005 This book will help to advance understanding among policymakers practitioners and educators and prepare them to limit the negative consequences associated with victimization of older adults This second edition builds on the earlier edition in five ways First new research has been added into each chapter Second the tables and figures have been updated with applied critical thinking questions now included in order to make the tables and figures more interactive with readers Third various sections have been added in different chapters Fourth chapters 2 7 now include box inserts which include brief overviews written by professionals who are discussing some aspect of elder abuse Finally chapter 7 has been added This new edition will help shed some light on what can be done to prevent elderly persons from being victimized or at least minimize the consequences of victimization when abuse does occur It will be of interest to those in several different disciplines including criminology gerontology social work social welfare sociology psychology victimology
