Revelation Exegetical Commentary - 2 volume set Robert L. Thomas, 2016-08-15 Get back to the roots on Revelation. Through the centuries since its writing, the book of Revelation has captured the fascination of the Christian church. The earliest Christians were unanimous in understanding it along a premillennial view of Jesus' second coming, but other hermeneutical approaches began to emerge in the third century. These clouded and added complexity to the task of explaining the book's meaning. For most of the Christian era, consequently, many readers have viewed this last of the NT writings as though it were hopelessly embedded in an aura of deep mystery. An avalanche of interpretive literature has

evidenced remarkable interest in the book's contents but along with the interest has come widespread bewilderment. Written especially for the informed layman, student and scholar, this commentary seeks to clear the air. The book is interpreted according to a historical and grammatical hermeneutic and propounds a conservative evangelical theology but the reader will not get a narrow view on areas of disagreement. This commentary interacts with a range of major views both evangelical and nonevangelical. It reaffirms the basic framework of eschatology espoused by ancient Christianity but with added help from centuries of maturing thought and doctrinal progress in the Body of Christ. All exegesis and exposition in this 2 volume commentary are based on the original language of the text. Translations used are those of the author and textual criticism and word study are included where appropriate. This in depth commentary also includes extended excursions on important topics of theological and historical interest.

Plymouth-Brethrenism: a Refutation of Its Principles and Doctrines Thomas Croskery,1879 **1 Timothy, Volume 3**

Paul S. Jeon,2017-12-22 1 Timothy is one of the more controversial documents in the New Testament For years critical scholars have rejected Pauline authorship highlighted the apparent misogynistic quality of the text and argued against any coherence in the letter Jeon takes a fresh look at the letter incorporating many recent advancements in NT scholarship In detail he demonstrates the macro and micro chiasmic arrangement of the entire letter and explains how the presumed first century audience would have heard and responded to an oral performance of the letter In doing so Jeon offers a fresh challenge to more popular ways of mis understanding the letter and points a way forward for appropriating the letter both in academia and in the church *A Testimony of Jesus Christ - Volume 1* Anthony Charles Garland,2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides *Notes on the International Sabbath School Lessons for 1879* John Edwards Todd,Matthew Brown Riddle,1878 **The Rise of the Kingdom of Heaven, Volume 1 (Paperback)** Gerhard Alm,2008-10-25 Living in a Hippie Community in the Australian rainforest I in January 1992 started to write about my visions and spiritual experiences I described ten places in our heads as homes of the human spirit There are many publicly known people who are involved in the move of the Earth to a higher dimension in 2013 More than 200 000 people live on Earth and at the same time on a parallel world which is a home for immortal people The evangelist John spoke with a Cross of Light I believe that a new Cross of Light will appear on Earth soon In July 1979 I met the devil and his wife on the inner German border I name some people who have been the devil of previous Earth like planets in older universes Alex Collier wrote in 95 that since my 40th birthday on 3 23 1994 vibrations leave all black holes of our local universe changing its nature lifting all planets into higher dimensions I believe these frequencies come from the Immortals living on Earth now including me **A Poetry-book of Elder Poets** Amelia Ann Blanford Edwards,1878 *NIVAC Bundle 1: Pentateuch* John H.
