Eleanor Roosevelt Volume 1 1884 1933:

Eleanor Roosevelt, Volume 1 Blanche Wiesen Cook, 1993-03-01 The central volume in the definitive biography of America's most important First Lady Engrossing Boston Globe The captivating second volume of this Eleanor Roosevelt biography covers tumultuous era of the Great Depression the New Deal and the gathering storms of World War II the years of the Roosevelts greatest challenges and finest achievements In her remarkably engaging narrative Cook gives us the complete Eleanor Roosevelt an adventurous romantic woman a devoted wife and mother and a visionary policymaker and social activist who often took unpopular stands counter to her husband's policies especially on issues such as racial justice and women's rights A biography of scholarship and daring it is a book for all readers of American history **Eleanor Roosevelt, Volume**

2 Blanche Wiesen Cook, 2000-06-01 The central volume in the definitive biography of America's most important First Lady Engrossing Boston Globe The captivating second volume of this Eleanor Roosevelt biography covers tumultuous era of the Great Depression the New Deal and the gathering storms of World War II the years of the Roosevelts greatest challenges and finest achievements In her remarkably engaging narrative Cook gives us the complete Eleanor Roosevelt an adventurous romantic woman a devoted wife and mother and a visionary policymaker and social activist who often took unpopular stands counter to her husband's policies especially on issues such as racial justice and women's rights A biography of scholarship and daring it is a book for all readers of American history **Eleanor Roosevelt - Unleashed** Ann Atkins, 2011

Transforming the power in Eleanor's story to your story starts now Whatever the scale of your rendezvous with destiny the fact remains it is up to you to live it Eleanor's story is a do it yourself guide that shows us how to accomplish many things From a childhood plagued with drunks and drama queens Eleanor must now discard her dependency on Franklin and face off with her grand dame mother in law Refusing to cave in to society's rules Eleanor's exuberant style wavering voice and lack of Hollywood beauty are fodder for the media First Lady for thirteen years Eleanor redefines and exploits this role to a position of power Using her influence she champions Jews African Americans and women The audacity of this woman to live out her own destiny challenges us to do the same After all it's not about Eleanor Her story is history Her life shows us how to live

Eleanor Roosevelt Barbara A. Somervill, 2005-07 Profiles the human rights activist who worked to improve the lives of the underprivileged and gained worldwide respect *Eleanor Roosevelt, Volume 3* Blanche Wiesen Cook, 2017-11-07 One of the New York Times's 100 Notable Books of 2016 One of NPR's 10 Best Books of 2016 Heartachingly relevant the Eleanor Roosevelt who inhabits these meticulously crafted pages transcends both first lady history and the marriage around which Roosevelt scholarship has traditionally pivoted The Wall Street Journal The final volume in the definitive biography of America's greatest first lady Monumental and inspirational Cook skillfully narrates the epic history of the war years a grand biography The New York Times Book Review Historians politicians critics and readers everywhere have praised Blanche Wiesen Cook's biography of Eleanor Roosevelt as the essential portrait of a woman who towers over the twentieth century

The third and final volume takes us through World War II FDR's death the founding of the UN and Eleanor Roosevelt's death in 1962. It follows the arc of war and the evolution of a marriage as the first lady realized the cost of maintaining her principles even as the country and her husband were not prepared to adopt them. Eleanor Roosevelt continued to struggle for her core issues: economic security, New Deal reforms, racial equality, and rescue when they were sidelined by FDR while he marshaled the country through war. The chasm between Eleanor and Franklin grew and the strains on their relationship were as political as they were personal. She also had to negotiate the fractures in the close circle of influential women around her at Val Kill but through it she gained confidence in her own vision even when forced to amend her agenda when her beliefs clashed with government policies on such issues as neutrality, refugees, and eventually the threat of communism. These years, the war years, made Eleanor Roosevelt the woman she became: leader, visionary, guiding light. FDR's death in 1945 changed her world but she was far from finished; returning to the spotlight as a crucial player in the founding of the United Nations. This is a sympathetic but unblinking portrait of a marriage and of a woman whose passion and commitment has inspired generations of Americans to seek a decent future for all people. Modest and self-deprecating, a moral force in a turbulent world, Eleanor Roosevelt was unique.

Bisexuality and the Eroticism of Everyday Life Marjorie Garber, 2013-05-13

Bisexuality is about three centuries overdue; nevertheless here it is a learned, witty study of how our curious culture has managed to get everything wrong about sex. Gore Vidal *Eleanor Roosevelt* Geraldine Kidd, 2017-11-20

Memorialised as a US heroine and an iconoclastic humanitarian who sought to protect society's marginalised, Eleanor Roosevelt also at times disappointed contemporaries and biographers with some of her stances. Examining a period of her life that has not been extensively explored, this book challenges the previously held universality of Eleanor Roosevelt's humanitarianism. The Palestinian question is used as a case study to explore the practical application of her commitment to social justice and the author argues that at times Roosevelt's humanitarianism was illogical, limited, and flawed by pragmatism. New insights are provided into Eleanor Roosevelt's human rights activism, its dichotomies, its inspiration, and the effect it had on US relations with the Middle East. This book will appeal to academics working across a range of disciplines including history, diplomatic history, American studies, Middle Eastern studies, US foreign policy, human rights, and women's studies.

Who's Who in Gay and Lesbian History Vol.1 Robert Aldrich, Garry Wotherspoon, 2005-10-25

Who's Who in Gay and Lesbian History: From Antiquity to the Mid Twentieth Century is a comprehensive and fascinating survey of the key figures in gay and lesbian history from classical times to the mid twentieth century. Among those included are Classical heroes Achilles, Aeneas, Ganymede; Literary giants Sappho, Christopher Marlowe, Arthur Rimbaud, Oscar Wilde; Royalty and politicians Edward II, King James I, Horace Walpole, Michel de Montaigne. Over the course of some 500 entries, expert contributors provide a complete and vivid picture of gay and lesbian life in the Western world throughout the ages.

Reader's Guide to Lesbian and Gay Studies Timothy Murphy,2013-10-18 The Reader s Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report Preservation and Place Katherine Crawford-Lackey,Megan E. Springate,2019-09-04 Significant historic and archaeological sites affiliated with two spirit lesbian gay bisexual transgender and queer history in the United States are examined in this unique volume The importance of the preservation process in documenting and interpreting the lives and experiences of queer Americans is emphasized The book features chapters on archaeology and interpretation as well as several case studies focusing on queer preservation projects The accessible text and associated activities create an interactive and collaborative process that encourages readers to apply the material in a hands on setting

Liberalism and Its Discontents Alan Brinkley,2000-04-14 Considering the role of alternate political traditions in liberalism s downfall Liberalism and its Discontents shows how historical interpretation has been a reflection of liberal assumptions

Pilgrimage Annie Leibovitz,2011 A striking collection by the eminent photographer encompasses her visual translations of how people live and do their work showcasing her images of historically and culturally relevant homes belonging to such famous figures as Sigmund Freud Charles Darwin and Louisa May Alcott

Man of Destiny Alonzo L. Hamby,2015-09-22 From an acclaimed historian comes an authoritative and balanced biography of FDR based on previously untapped sources No president looms larger in twentieth century American history than Franklin Delano Roosevelt and few life stories can match his for sheer drama Following in the footsteps of his Republican cousin President Theodore Roosevelt FDR devoted himself to politics as a Democrat and a true man of the people Eventually setting his sights on the presidency he was elected to office in 1932 by a nation that was mired in the Great Depression and desperate for revival As the distinguished historian Alonzo Hamby argues in this authoritative biography FDR s record as president was more mixed than we are often led to believe The New Deal provided much needed assistance to millions of Americans but failed to restore prosperity and while FDR became an outstanding commander in chief during World War II his plans for the postwar world were seriously flawed No less perceptive is Hamby s account of FDR s private life which explores the dynamics of his marriage and his romance with his wife s secretary Lucy Mercer Hamby documents FDR s final months in intimate detail claiming that his perseverance despite his serious illness not only shaped his presidency but must be counted as one of the twentieth century s great feats of endurance Hamby reveals a man whose personality

egocentric undisciplined in his personal appetites at times a callous user of aides and associates yet philanthropic and caring for his nation's underdogs shaped his immense legacy *Man of Destiny* is a measured account of the life both personal and public of the most important American leader of the twentieth century Eleanor and Hick Susan Quinn, 2016-09-27 A warm intimate account of the love between Eleanor Roosevelt and reporter Lorena Hickok a relationship that over more than three decades transformed both women's lives and empowered them to play significant roles in one of the most tumultuous periods in American history In 1932 as her husband assumed the presidency Eleanor Roosevelt entered the claustrophobic duty bound existence of the First Lady with dread By that time she had put her deep disappointment in her marriage behind her and developed an independent life now threatened by the public role she would be forced to play A lifeline came to her in the form of a feisty campaign reporter for the Associated Press Lorena Hickok Over the next thirty years until Eleanor's death the two women carried on an extraordinary relationship They were at different points lovers confidantes professional advisors and caring friends They couldn't have been more different Eleanor had been raised in one of the nation's most powerful political families and was introduced to society as a debutante before marrying her distant cousin Franklin Hick as she was known had grown up poor in rural South Dakota and worked as a servant girl after she escaped an abusive home eventually becoming one of the most respected reporters at the AP Her admiration drew the buttoned up Eleanor out of her shell and the two quickly fell in love For the next thirteen years Hick had her own room at the White House next door to the First Lady These fiercely compassionate women inspired each other to right the wrongs of the turbulent era in which they lived During the Depression Hick reported from the nation's poorest areas for the WPA and Eleanor used these reports to lobby her husband for New Deal programs Hick encouraged Eleanor to turn their frequent letters into her popular and long lasting syndicated column *My Day* and to befriend the female journalists who became her champions When Eleanor's tenure as First Lady ended with FDR's death Hick pushed her to continue to use her popularity for good advice Eleanor took by leading the UN's postwar Human Rights Commission At every turn the bond these women shared was grounded in their determination to better their troubled world Deeply researched and told with great warmth *Eleanor and Hick* is a vivid portrait of love and a revealing look at how an unlikely romance influenced some of the most consequential years in American history *Why Love Leads to Justice* David A. J. Richards, 2016 This book tells the stories of notable historical figures whose resistance of patriarchal laws transformed ethical political and legal standards **Eleanor Roosevelt** Maurine Hoffman Beasley, 2010 The first book devoted to Eleanor Roosevelt's 1933-1945 tenure in the White House the longest of any first lady Provides an insightful account of how she merged her private and public lives to transform the ambiguous role of first lady into an important institution of the American political system **The Black Cabinet** Jill Watts, 2020-05-12 An in depth history exploring the evolution impact and ultimate demise of what was known in the 1930s and 40s as FDR's Black Cabinet In 1932 in the midst of the Great Depression Franklin Delano Roosevelt won the presidency with the help of key African

American defectors from the Republican Party At the time most African Americans lived in poverty denied citizenship rights and terrorized by white violence As the New Deal began a black Brain Trust joined the administration and began documenting and addressing the economic hardship and systemic inequalities African Americans faced They became known as the Black Cabinet but the environment they faced was reluctant often hostile to change Will the New Deal be a square deal for the Negro The black press wondered The Black Cabinet set out to devise solutions to the widespread exclusion of black people from its programs whether by inventing tools to measure discrimination or by calling attention to the administration s failures Led by Mary McLeod Bethune an educator and friend of Eleanor Roosevelt they were instrumental to Roosevelt s continued success with black voters Operating mostly behind the scenes they helped push Roosevelt to sign an executive order that outlawed discrimination in the defense industry They saw victories jobs and collective agriculture programs that lifted many from poverty and defeats the bulldozing of black neighborhoods to build public housing reserved only for whites Roosevelt s refusal to get behind federal anti lynching legislation The Black Cabinet never won official recognition from the president and with his death it disappeared from view But it had changed history Eventually one of its members would go on to be the first African American Cabinet secretary another the first African American federal judge and mentor to Thurgood Marshall Masterfully researched and dramatically told The Black Cabinet brings to life a forgotten generation of leaders who fought post Reconstruction racial apartheid and whose work served as a bridge that Civil Rights activists traveled to achieve the victories of the 1950s and 60s Praise for The Black Cabinet A dramatic piece of nonfiction that recovers the history of a generation of leaders that helped create the environment for the civil rights battles in decades that followed Roosevelt s death Library Journal Fascinating revealing the hidden figures of a brain trust that lobbied hectored and strong armed President Franklin Roosevelt to cut African Americans in on the New Deal Meticulously researched and elegantly written The Black Cabinet is sprawling and epic and Watts deftly re creates whole scenes from archival material Minneapolis Star Tribune

The Progressive Era and the Great Depression: 1900 to 1937 Elizabeth Purdy,2020-02-01 Written in engaging and accessible prose by experts in the field this reference introduces readers to the hidden history of women in America from 1900 to 1937 bringing their achievements to light and helping them gain the recognition they deserve Chapters include Arts and Literature Business Education Entertainment Family Health Politics Science and Medicine Society

Party Politics in the Age of Roosevelt Michael P. Riccards,Cheryl A. Flagg,2022-04-29 Riccards and Flagg examine in detail the development of Franklin Delano Roosevelt from a young politician in Albany to assistant secretary of the Navy to governor of the state of New York The volume shows how Roosevelt developed his rhetorical skills his art of manipulation and coalition building and his incredible bond to the American people through the Depression and World War II As commander in chief he mastered the leadership skills that made him a great military leader and a political leader who established himself as a paramount figure using control of the Democratic party In the process he

solidified the party as a long lasting coalition that set the United States as a world empire
