Elect Ladies:

All the Women of the Bible Herbert Lockyer, 1988 This volume part of Lockyer's All Series contains detailed indexing of the life and times of all the women of the Bible **Elect Ladies** Janet Peterson, LaRene Gaunt, 1990-01-01 **The Elect Lady** George MacDonald, 2004-10 On the Fordyce farm all appears prosperous with wide lightly rolling lands abutting the railroad line and tenants keeping the fields in neat order Yet now the laird's daughter Alexa Fordyce wonders at recent shows of coldness from her father and at his seeming lack of generosity surely not true expressions of the father she knows yet more and more apparent since the day he took ownership of these lands Has he changed Woman, You're Not Alone Clara Stephens, 2011 Practical advice for women on how to deal with trials and tribulations in a way that honors God

Lady Eclecte Lincoln H. Blumell, 2025-11-11 Second John occupies a rather peripheral place in the New Testament canon Consisting of a mere thirteen verses and often viewed as a kind of abstract of 1 John the letter has traditionally not garnered much individual attention While scholars have long noted that the opening address of the letter is ambiguous in some cases even problematic the received reading that is printed in all Greek editions of the New Testament for the last 150 years is and is typically translated as to an elect lady The nearly universal view in modern scholarship is to take elect lady as a metonym for a church that is metaphorically personified as a woman Drawing upon a wide range of evidence that includes Greek papyri New Testament manuscripts and a host of other sources this study shows that the received address printed in all editions of the Greek New Testament is not correct Rather the address should be rendered and translated to the lady Eclecte so that the principal recipient of the letter is a named woman This reading makes far more sense with the letter as a whole and makes it the only text in the entire New Testament canon addressed to a woman Diaries of an Elect Lady Anika Stewart, 2016-05-24 HAVE YOU EVER HIDDEN BEHIND YOUR SMILE I Lady Anika was experiencing the worst challenges of my life while having to minister to God's people I was desolate scared alone however it wasn't until I owned acknowledged and accepted my flaws shortcomings and began to deal with me It's easy to minister advise and encourage everybody else but what about when you need encouragement advice and strength Will you utilize the same words of wisdom to bring yourself out of the situation We can no longer hide behind the titles of prestige and power but remove the mask Healing deliverance and freedom begins within us first in order to exude through us that others may be inspired to LIVE

The Elect Lady George MacDonald, 2025-08-15 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **The Woman's Bible; In Two Parts** Elizabeth Cady Stanton, 2025-09-01 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage The Elect Lady George MacDonald, 1895 The Schooling of Girls in Britain and Ireland, 1800- 1900

Jane McDermid, 2013-03-07 This book compares the formal education of the majority of girls in Britain and Ireland in the nineteenth century Previous books about Britain invariably focus on England and such British studies tend not to include Ireland despite its incorporation into the Union in 1801 The *Schooling of Girls in Britain and Ireland 1800-1900* presents a comparative synthesis of the schooling of working and middle class girls in the Victorian period with the emphasis on the interaction of gender social class religion and nationality across the UK It reveals similarities as well as differences between both the social classes and the constituent parts of the Union including strikingly similar concerns about whether working class girls could fulfill their domestic responsibilities What they had in common with middle class girls was that they were to be educated for the good of others This study shows how middle class women used educational reform to carve a public role for themselves on the basis of a domesticated life for their lower class sisters confirming that Victorian feminism was both empowering and constraining by reinforcing conventional gender stereotypes *Biblical Women--Submissive?* Joe E. Lunceford, 2009-10-02 For many years I have had an interest in the equality of women and men particularly in the church where it has been woefully lacking for the most part More recently Fundamentalist theologians have become increasingly blatant in asserting that the Bible teaches subordination of women to men both inside and outside the church I have argued that this idea results from an irresponsible proof-texting from the Bible I am convinced that when taken as a whole looking at all passages referring to women the Bible supports the complete equality of women with men I have undertaken to demonstrate this fact by looking carefully at the stories of women in the Bible both named and unnamed who were not submissive to men and who refused to settle for the role which their society attempted to assign them I have taken these passages from the Bible and interpreted them within the context into which they are placed to the degree that this can be determined My goal was to find every story in the Bible in which a woman stepped out of her societal role and did something only men were supposed to do I leave to the reader to decide whether or not I have succeeded *Journal of the American Geographical Society of New York*, 1893 **The Heathen Woman's Friend**, 1888 **First Ladies, Can We Talk?** Leisa Wynn-Johnson, Pastors wives are human Let's face it Behind the welcoming smiles gentle handshakes and stylish dresses they face untold challenges in their personal and church lives Who does a first lady talk to To whom does she tell her woes In this inspiring and compelling book First Lady Leisa Wynn Johnson invites pastors wives to engage in candid and liberating conversations about their real lives First Ladies Can We Talk is an open and honest discourse on the dynamics of church culture church politics and the realities of relationships between church folk pastors and their wives Let's talk about loneliness and isolation misunderstandings role conflicts betrayal rejection depression and criticism And let's talk about the tears intense pressure to perform and the longing to be liked Each chapter has a scripture a powerful prayer and an encouraging affirmation of gratitude confidence family success empowerment and more Whether you are young or old quiet or vocal a novice or expert first lady a clergy wife or in ministry yourself these conversations will uplift encourage and guide
