Prime Minister Netanyahu and Foreign Minister David Levy discussing issues at the fourteenth Knesset.

Elections In Israel 1996

Michal Shamir

Elections In Israel 1996:

The Elections in Israel 1996 Asher Arian, Michal Shamir, 2012-02-01 Leading social scientists from Israeli and American universities using different methods and representing diverse intellectual traditions address the precedent setting events of Israel's 1996 elections. The contributors discuss the meaning of collective identity, the role of religion and nationalism in modern Israel, the political behavior of Israeli Arabs, the secrets of success of the immigrant party. Also discussed are issues such as the impact of the direct election law on party organization, primaries and coalition formation, calculations, the repeated electoral failure of Shimon Peres and the role of the media in the election campaign. The 1996 elections in Israel represented a first in Israeli politics in many ways. For the first time, Israelis directly elected their prime minister and in simultaneous but separate elections they elected their 120 member Knesset parliament. Also, it was the first time that elections were held after the mutual recognition of Israel and the Palestine Liberation Organization following the Oslo accords, and it was the first election held after the assassination of Prime Minister Yitzhak Rubin. The political parties made widespread use of primaries in 1996, and hundreds of thousands of new immigrants from the former Soviet Union cast their first ballots. The large support for a party supported by former Soviet immigrants highlighted the emergence of sectarian interests. This was also expressed in the surge for the two Arab parties from five seats in 1992 to nine seats in 1996, and for the three Jewish religious parties whose combined representation grew from 16 to 23 seats. *The Elections in Israel 1996*

Michal Shamir, 1999-07-01 Leading social scientists from Israeli and American universities using different methods and representing diverse intellectual traditions address the precedent setting events of Israel's 1996 elections. The contributors discuss the meaning of collective identity, the role of religion and nationalism in modern Israel, the political behavior of Israeli Arabs, the secrets of success of the immigrant party. Also discussed are issues such as the impact of the direct election law on party organization, primaries and coalition formation, calculations, the repeated electoral failure of Shimon Peres and the role of the media in the election campaign. The 1996 elections in Israel represented a first in Israeli politics in many ways. Also, it was the first time that elections were held after the mutual recognition of Israel and the Palestine Liberation Organization following the Oslo accords, and it was the first election held after the assassination of Prime Minister Yitzhak Rubin. *The Elections in Israel 2003* Michal Shamir, 2018-02-06

The Elections in Israel 2003 brings together leading Israeli and North American social scientists and their state of the art in depth analysis of the 2003 Israeli national elections. These elections returned Ariel Sharon and the Likud to power amid one of the bloodiest rounds of conflict between Israel and the Palestinians and a severe economic downturn in Israel. Contributors analyze the electoral behavior of the voters as a whole and various subgroups, highlighting social cleavages and identity as well as issues and other strategic considerations. Three chapters analyze in detail the Arab, the national religious, and the Russian vote. The 2003 elections saw

Israel's return to the family of parliamentary nations after it experimented with the direct election of the prime minister from 1996 through 2001. The impact of the adoption and repeal of this unique Israeli system of government is another major topic covered in this volume and several contributions explore the impact of these changes upon the electorate, the party system and party financing. Other unusual features of the 2003 elections were the low turnout levels among Jewish and Arab voters, political moves to disqualify Arab candidates and lists from running for office which were overruled by the Supreme Court of Israel, the collapse of the left, the spectacular showing of the centrist Shinui party and the dominant status of the Likud in the Knesset and in Israeli politics. Through its focus on the 2003 elections, this volume also illuminates developments and changes in Israeli society and politics. Many of these developments—multiculturalism, changes in social stratification, the growing role of the judiciary and of the media, and political reforms—characterize other Western democracies as well and these are discussed from a comparative perspective. The Elections in Israel 2003 will be of particular interest to those concerned with politics in Israel as well as those concerned with comparative politics and elections in general.

The Elections In Israel Alan Arian, Michal Shamir, *The Elections in Israel 2003* brings together leading Israeli and North American social scientists and their state-of-the-art in-depth analysis of the 2003 Israeli national elections. These elections returned Ariel Sharon and the Likud to power amid one of the bloodiest rounds of conflict between Israel and the Palestinians and a severe economic downturn in Israel. Contributors analyze the electoral behavior of the voters as a whole and various subgroups, highlighting social cleavages and identity as well as issues and other strategic considerations. Asher Arian is Distinguished Professor of Political Science at the Graduate Center of the City University of New York, a senior research fellow at the Israel Democracy Institute and professor of political science at the University of Haifa. Michal Shamir is professor of political science at Tel Aviv University.

The Elections in

Israel 1999 Asher Arian, Michal Shamir, 2012-02-01 This volume highlights Israel's 1999 elections in which the prime ministerial race between incumbent Benjamin Netanyahu and Ehud Barak ended with Barak winning by the biggest landslide ever in Israel. Although some observers interpreted these results as a fundamental shift in public opinion, there is little evidence to support this. The book shows how old patterns funneled into a new system of voting produced the 1999 results where a weak candidate Barak bested a wounded prime minister Netanyahu abandoned by most of his political allies. Leading social scientists from Israeli and American universities using a variety of approaches and coming from diverse intellectual traditions address topics including the emergence of political blocs, strategic voting and split ticket voting. In addition to major party performance, special interest parties who did better than ever in 1999 are also discussed, such as the haredi ultra orthodox non Zionist Shas, the anti haredi secular Shinui, two parties appealing to former Soviet migrants and Arab parties.

The Elections in Israel 2006 Asher Arian, Michal Shamir, 2017-09-08 Several dramatic events preceded the elections to the Seventeenth Knesset on March 28, 2006, beginning with the unilateral withdrawal from Gaza in August 2005 and its attendant and unprecedented removal of Jewish settlements and settlers, followed by major shifts among and within the various political parties. Most dramatic was the split in Likud when Prime Minister Ariel Sharon decided to form a new party, Kadima, leading to the breakup of the Likud party that Sharon had formed in 1973. This volume charts the 2006 elections.

Israel at the Polls, 1996 Daniel Judah Elazar, Shmuel Sandler, 1998 The 1996 Israel elections were the first elections by direct vote for the position of Prime Minister. This work looks at the parties, election campaigns and the processes that determined the outcome. *The Elections in Israel 2015* Michal Shamir, Gideon Rahat, 2017-05-23 The newest volume in the Elections in Israel series focuses on the twentieth Knesset elections held in March 2015 following the collapse of the third Netanyahu government. Prime Minister Benjamin Netanyahu's main opposition party, the Zionist Camp, ran a negative personalized election campaign assuming that Israelis had grown tired of him. Netanyahu, however, achieved a surprising and dramatic victory by enhancing and radicalizing the same identity politics strategies that helped him win in 1996. *The Elections in Israel 2015* dissects these and other campaigns from the perspective of the voters, the media and opinion polls, the political parties and electoral competition. Several contributors delve into the Left and Arab fear mongering Likud campaign which produced strategic identity voting. Other contributions analyze in depth the Israeli party and electoral systems, highlighting the exceptional decline of the mainstream parties and the adoption of a higher electoral threshold. Providing a close analysis of electoral competition, legitimacy, struggles, stability and change in the voting behavior of various groups, partisanship, personalization and political polarization, this volume is a crucial record of Israeli political history.

The Elections in Israel 2022 Gideon Rahat, Noam Gidron, Michal Shamir, 2025-02-17 The 2022 Israeli elections stand out as a turning point in the country's political history. Following a period of unprecedented political instability, the right wing government formed following the elections, Benjamin Netanyahu's sixth government, was the most radical in Israel's history.

This book examines the 2022 Israeli elections through various theoretical perspectives and diverse research designs and data sources. The first part scrutinizes various aspects of Israeli democracy related to the elections. These include ideological and affective polarization, cleavages, voter turnout, involvement of citizens and civil organizations in election campaigns, and the nature of the government that was established following the elections. The second part of the book presents studies of parties that participated in the elections: those that declined Labor, those that ascended Religious Zionism and Otzma Yehudit, and those that ascertained their power, United Torah Judaism and Shas. A valuable addition to the Elections in Israel series, the book, written by leading scholars of Israeli politics and society, touches on key themes including political personalization, polarization, populism, the radical right party decline and adaptation, and democratic backsliding. The book will be of particular interest to students and researchers of Israeli politics and society, especially relating to the events of 2023 and the war in Gaza, as well as to social scientists interested in these political phenomena and their effects on democratic countries worldwide.

Israel at the Polls 2003 M. Ben-Mollev, Jonathan Rynhold, Shmuel Sandler, 2013-09-13. Israel's 2003 election took place against the background of a deteriorating security situation due to Palestinian violence and the impending US War in Iraq and severe disillusionment with the Oslo peace process. The election, which brought about a decisive victory of the Likud Party and Ariel Sharon, took place amidst strong accusations of corruption and the virtual collapse of the Israeli left. The election also featured the rise of the anti-clerical Shinui party, which resulted in the exclusion of the ultra-Orthodox parties from the new coalition. In this volume, leading Israeli political scientists explore the main actors and processes that shaped the election and its outcome. This book was previously published as a special issue of the journal *Israel Affairs*.

From Rabin to Netanyahu Efraim Karsh, 2013-11-05. Benjamin Netanyahu's 1996 election victory marked a major turnaround in his fortunes; for only a few months earlier, his political career had seemed finished. This book examines what his victory means, both domestically and internationally.

The Handbook of Election News Coverage Around the World Jesper Strömbäck, Lynda Lee Kaid, 2009-09-10. The Handbook of Election Coverage Around the World focuses on the news coverage of national elections in democracies around the globe. It brings together and compares election news coverage within a single framework, offering a systematic consideration of various factors. Considering the prominence and power of the press in the election process, this volume will offer unique breadth in its global consideration of the topic. The volume will appeal to scholars in political communication, political science, mass media, and society, and others studying elections and media coverage around the world.

Israel at the Polls 2015 Eithan Orkibi, Manfred Gerstenfeld, 2018-10-15. Less than two years after winning the 2013 elections, Prime Minister Benjamin Netanyahu announced his intention to dissolve his government, paving the way for general elections. While the initial impression was that the upcoming elections were pointless and unnecessary, the campaign gradually turned into a passionate and dramatic political competition, which reflected and reenergized the ideological, social, ethnic, and cultural divides of Israeli society. This book describes and analyses a great

variety of political sociological and cultural dimensions of the 2015 elections for the 20th Knesset Covering issues such as voters behaviour coalition formation figures of leadership political identities political communication and persuasion this rich collection of essays offers a unique and comprehensive perspective on Israeli political culture in general and on the Israeli society in the midst of the 2015 elections in particular It also offers theoretical insight to anyone interested in parliamentary politics and party systems in general This book was originally published as a special issue of the journal Israel Affairs

The Handbook of Israel's Political System Itzhak Galnoor,Dana Blander,2018-07-26 There is growing interest in Israel s political system from all parts of the world This Handbook provides a unique comprehensive presentation of political life in Israel from the formative pre state period to the present The themes covered include political heritage and the unresolved issues that have been left to fester the institutional framework the Knesset government judiciary presidency the state comptroller and commissions of inquiry citizens political participation elections political parties civil society and the media the four issues that have bedevilled Israeli democracy since its establishment security state and religion the status of Israel s Arab citizens and economic inequities with concomitant social gaps and the contours of the political culture and its impact on Israel s democracy The authors skilfully integrate detailed basic data with an analysis of structures and processes making the Handbook accessible to both experts and those with a general interest in Israel **Israel at the Polls 1999**

Daniel J. Elazar,M. Ben Mollov,2020-04-03 The 1999 Israeli elections focused on the character of the main political contenders for prime minister Binyamin Netanyahu and Ehud Barak Along with Barak s victory the Israeli public made important statements concerning the shape and direction of Israeli political culture with a hope of a centrist vision Leading Israeli political scientists discuss the revival of the Israeli left and the increased strength of ethnic Sephardi Russian and Arab electorates They also examine the place of foreign policy media and other socio economic factors on the outcome of the election **Sephardic Jewry and Mizrahi Jews** Peter Y. Medding,2008-02-15 The newest volume of the annual Studies in Contemporary Jewry series features the major and rapid changes undergone by Sephardic Jewry in the last fifty years drawing on essays from the fields of demography history political science literature sociology gender studies and anthropology The themes of the symposium papers include identity manifested in the emergence and increasingly wide usage of Mizrahi in place of Sephardic the invigoration of Sephardic Judaism and the emergence of Sephardic politics in Israeli politics and the tensions between Sephardim and Ashkenazim As is standard for the series this volume contains review essays and book reviews **The Last Days in Israel** Abraham Diskin,2003-03 This volume examines the challenges and circumstances Israel has faced during the 1990s and addresses both the public s and leadership s singular goal of peace and security **Why Governments and Parties Manipulate Elections** Alberto Simpser,2013-03-18 Why do parties and governments cheat in elections they cannot lose This book documents the widespread use of blatant and excessive manipulation of elections and explains what drives this practice Alberto Simpser shows that in many instances elections are

about more than winning Electoral manipulation is not only a tool used to gain votes but also a means of transmitting or distorting information This manipulation conveys an image of strength shaping the behavior of citizens bureaucrats politicians parties unions and businesspeople to the benefit of the manipulators increasing the scope for the manipulators to pursue their goals while in government and mitigating future challenges to their hold on power Why Governments and Parties Manipulate Elections provides a general theory about what drives electoral manipulation and empirically documents global patterns of manipulation *Comparative Democratization and Peaceful Change in Single-Party-Dominant Countries*

M. Rimaneli, 2016-01-26 One of the more positive international trends as of late has been the transformation of several countries from authoritarian based dictatorships and single party systems into multi party democracies characterized by peaceful political transitions In this volume a group of experts are gathered to analyse this progression on a comparative level The scholars examine previously right wing regimes in Brazil Argentina and South Africa former Communist states in Russia Poland Hungary and Czechoslovakia and single party dominant democracies in Italy Japan Mexico and Israel The essays reveal how the dramatic collapse of the USSR functioned as a crucial catalyst in allowing pent up domestic pressures for change to emerge in a less charged international environment In addition the chapters study the historical and current evolution of these countries focusing on their success in developing long term pluralistic structures and gauging whether these recent trends are more overnight fads than long lasting advancements **Religious Minorities in Non-Secular**

Middle Eastern and North African States Mark Tessler, 2019-07-19 This book describes and compares the circumstances and lived experiences of religious minorities in Tunisia Morocco and Israel in the 1970s countries where the identity and mission of the state are strongly and explicitly tied to the religion of the majority The politics and identity of Jews in Tunisia and Morocco and Arabs in Israel are therefore shaped to a substantial degree by their status as religious minorities in non secular states This collection based on in depth fieldwork carried out during an important moment in the history of each community and of the region considers the nature and implications of each group s response to its circumstances It focuses on both the community and individual levels of analysis and draws in part on original public opinion surveys It also compares the three communities in order to offer generalizable insights about ways the identity political culture and institutional character of a minority group are shaped by the broader political environment in which it resides The project will appeal to scholars and students in the fields of Middle Eastern and North African studies Judaic studies Islamic Studies minority group politics and international relations and the Arab Israeli conflict

Elections In Israel 1996 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Elections In Israel 1996 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Elections In Israel 1996 has opened up a world of possibilities. Downloading Elections In Israel 1996 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Elections In Israel 1996 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Elections In Israel 1996. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Elections In Israel 1996. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Elections In Israel 1996, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Elections In Israel 1996 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Elections In Israel 1996 Books

1. Where can I buy Elections In Israel 1996 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Elections In Israel 1996 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
