

An illustration of an elephant family in a savanna landscape. In the foreground, a large adult elephant stands on the right, with a small calf beside it. To the left, another adult elephant is partially submerged in a body of water, with a calf swimming nearby. In the background, a third elephant is visible near the water's edge. The landscape features rolling green hills, a blue sky with soft clouds, and a small rainbow in the upper right corner. The title 'ELEPHANTS AND THEIR YOUNG' is written in large, textured, brown letters across the top. Below the title, the subtitle 'Science and Math Activities for Young Children' is written in a smaller, black font. In the bottom left corner, there is a circular logo for the Jordanian National Museum. At the bottom, the text 'Jordanian National Museum' and 'University of California at Berkeley' is displayed in a red font, separated by a small icon.
