Wander Often, Wonder Always Rajeev Asija,2022-08-13 In the pitch dark of an African night the Land Rover gets stuck and as we disembark the touristy demonstrations of native rituals we saw an hour earlier to appease forest gods for safe passage became a reality Henry the driver was quite nonchalant about the whole situation and instructed us in clear terms that we need to follow the defined protocol and instructions one we will walk in a single file with Henry in the front and Amen at the rear two whatever happens no one will break the file and run and three stay close together and whatever else you do do not run For the love of God don't anyone run Cats love a running mouse you see It was then that Henry performed the ritual that he had demonstrated to us just an hour earlier He picked up some grass knotted it broke it and threw it over his head muttering some prayers in his native tongue It gave me goosebumps then With a shout of let's go he just started walking And so the march began Wander through all this and more Across continents Different habitats On exotic travel destinations When life is on the edge
