Eleusis The Eleusinian Mysteries:

Eleusis and the Eleusinian Mysteries George Emmanuel Mylonas, 2015-12-08 The most famous conspiracy of silence in the history of antiquity is examined here by one of the three archaeologists entrusted by the Archaeological Society of Athens with the final excavations of the Sanctuary He traces the history of the cult in the archaeological remains from the first traces of habitation at the site in the Middle Bronze Age around 1900 B C to its final grandeur and decay in Imperial Roman times A guided tour of the Museum at Eleusis illustrated with photographs of objects in the Museum as well as air views plans and detailed photographs of the ruins closely correlated with the text takes into account the needs of the visitor at the site as well as the reader at home Originally published in 1961 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *The Road to Eleusis* Robert Gordon Wasson, Albert Hofmann, Carl A. P. Ruck, 1978 Presented here is an astonishing solution to the Mysteries of Eleusis the secret religious rites of ancient Greece that have remained a riddle for the Western World for close to 4 000 years Acting on an insight into the true nature of the rites R Gordon Wasson sought the collaboration of Albert Hoffman the renowned chemist who discovered LSD and Carl A P Ruck a classical scholar specializing in Greek ethnobotany Wasson the author of three books on the role of hallucinogenic mushrooms in human societies has already uncovered the mushroom cult of Mesoamerica and identified the elusive Soma of the Vedic hymns Closely coordinating their research the three scholar scientists first offered documentation on the religious rites at an International Conference on Hallucinogenic Mushrooms in late 1977 These sensational findings given here in a much expanded version leave little doubt that the ancient secret of Eleusis has at last been unveiled Pg 4 of cover Essay on the Mysteries of Eleusis graf Sergeĭ Semenovitch Uvarov, 1817 *The Eleusinian Mysteries and Rites* Dudley Wright, 2015-07-17 The Eleusinian Mysteries were initiation ceremonies held every year for the cult of Demeter and Persephone based at Eleusis in ancient Greece They are the most famous of the secret religious rites of ancient Greece It is thought that their basis was an old agrarian cult which probably goes back to the Mycenaean period c 1600 1100 BC and it is believed that the cult of Demeter was established in 1500 BC The mysteries represented the myth of the abduction of Persephone from her mother Demeter by the king of the underworld Hades in a cycle with three phases the descent loss the search and the ascent with the main theme the ascent of Persephone and the reunion with her mother It was a major festival during the Hellenic era and later spread to Rome The name of the town Eleusis seems to be Pre Greek and it is probably a counterpart with Elysium and the goddess Eileithyia The rites ceremonies and beliefs were kept secret and consistently preserved from antiquity The initiated believed that they would

have a reward in the afterlife There are many paintings and pieces of pottery that depict various aspects of the Mysteries Since the Mysteries involved visions and conjuring of an afterlife some scholars believe that the power and longevity of the Eleusinian Mysteries came from psychedelic agents The Eleusinian and Bacchic Mysteries Thomas Taylor,1891

Eleusis and the Eleusinian Mysteries George E. Mylonas,2003-01-01 **The Eleusinian Mysteries and Rites** Dudley Wright,2019-12-13 The Eleusinian Mysteries were initiations held every year for the cult of Demeter and Persephone based at Eleusis in ancient Greece Chapters include The Eleusinian Legend The Ritual Of The Mysteries Programme Of The Greater Mysteries The Initiatory Rites and Their Mystical Significance Bronze Age Eleusis and the Origins of the Eleusinian Mysteries Michael B. Cosmopoulos,2015-06-30 For more than one thousand years people from every corner of the Greco Roman world sought the hope for a blessed afterlife through initiation into the Mysteries of Demeter and Kore at Eleusis In antiquity itself and in our memory of antiquity the Eleusinian Mysteries stand out as the oldest and most venerable mystery cult Despite the tremendous popularity of the Eleusinian Mysteries their origins are unknown Because they are lost in an era without written records they can only be reconstructed with the help of archaeology This book provides a much needed synthesis of the archaeology of Eleusis during the Bronze Age and reconstructs the formation and early development of the Eleusinian Mysteries The discussion of the origins of the Eleusinian Mysteries is complemented with discussions of the theology of Demeter and an update on the state of research in the archaeology of Eleusis from the Bronze Age to the end of antiquity Eleusinian Mysteries Carlton Fulton,2016-11-19 The Eleusinian Mysteries were initiations held every year for the cult of Demeter and Persephone based at Eleusis in ancient Greece The mysteries represented the myth of the abduction of Persephone from her mother Demeter by the king of the underworld Hades in a cycle with three phases the descent loss the search and the ascent Eleusis and the Eleusinian Mysteries Geōrgios Emmanouēl Mulōnas,1970 **The Eleusinian Mysteries** Charles River Editors,2017-01-15 Includes pictures Includes ancient accounts describing the Mysteries Includes online resources and a bibliography for further reading Ancient Greece and its mythology has fascinated people for thousands of years and few elements have intrigued people quite like the Eleusinian Mysteries which the Greeks believed transformed the initiates and gave them knowledge that eased both the living of life on earth and allayed fears of death allowing an acceptance of their ultimate fate The influence of the Eleusinian Mysteries was also far reaching for example the Telesterion is reminiscent of the labyrinthine symbolic structures that can be found all over pre historic Europe ranging from those in Ireland to Malta and Crete to the Shetlands The larger precinct of Eleusis combining as it did caves terraces and buildings carved into the rock again all echo that ancient past The external journey of the initiate is mirrored in his internal journey and what can be seen is that the spiritual torch of classical Greece as exemplified in these rites hides the much older worship of deities It was the spirit of those older gods and goddesses that ultimately pervaded Eleusis However it would be unwise to see the Eleusinian Mysteries as something separate from the other aspects of the Greek belief system or even

worse seeing them as somehow more spiritual than the others The fact that a considerable element of the Eleusinian Mysteries suggests a tendency towards spiritual monotheism has led to many false conclusions about their nature They were not a unique phenomenon in Greek religious tradition and the concepts of secrecy and revelation of mysteries only to initiates had parallels in the cults of Dionysius and Cybele Similarly the mystical dimensions of the rites with their emphasis on a personal encounter with the deity can be found in other cultic activities Nonetheless for the ancient Greeks the vital issue was that only through the Mysteries could they escape the miserable eternal fate ascribed for them if they were not initiated Sophocles summed it up neatly declaring Oh thrice blessed the mortals who having completed the Mysteries have descended to the underworld for those only will there be a future life of happiness for the others there will find nothing but suffering The rites comprising the Eleusinian Mysteries formed a Panhellenic event that attracted visitors from all over the Greek world including Sicily and Cyrene Ultimately anyone who spoke Greek male female free or slave could present themselves as a candidate for initiation provided that they were free of any sacrilege or untainted by a heinous crime such as murder The Mysteries became the most sacred of the mystical celebrations that took place in Greece and today the rites and rituals that made up what was a huge event are still the subject of academic controversy and religious debate What makes the Eleusinian Mysteries so important for people studying ancient Greece is that they survived for hundreds of years well into the Christian era They celebrated Demeter a hugely important figure in Greece particularly in both Athenian and Roman worship and the whole Festival was celebrated by the state with pomp Most of all however the aura of mystery that has surrounded the famous rites and the lack of absolutely incontrovertible information about what exactly went on in some of the most secret parts of the rites has ensured that they have remained enigmatic and have thus continued to be intriguing throughout history The Eleusinian Mysteries The History of Ancient Greece s Most Famous Religious Rites looks at some of the ancient Greeks most important religious practices Along with pictures depicting important people places and events you will learn about the Eleusinian Mysteries like never before *Eleusinian Mysteries and Rites* Dudley Wright, 2014-03-29 This Is A New Release Of The Original 1919 Edition *Eleusis* Karl Kerényi, 1991-09 Reprint Originally published New York Bollingen Foundation 1967 Bollingen series 65 v 4 Archetypal images in Greek religion v 4 **The Eleusinian and Bacchic mysteries** Thomas Taylor, 1875 Fourth Edition *The Eleusinian Mysteries and Rites* Dudley Wright, 2021-07-05 Masonic scholar Wright explores the Eleusinian Legend the Rituals of the Mysteries the Initiatory Rites their Mystical Significance and eventual connection to modern Freemasonry *Sacred Officials of the Eleusinian Mysteries* Kevin Clinton, 1974 This is a print on demand publication This study developed in the course of preparing a collection of all the epigraphical evidence relating to the sanctuary of Demeter and Kore at Eleusis The author soon realized that many problems connected with the priesthoods could be treated more conveniently in a separate study than in the commentaries on individual inscriptions The proper scope of the separate study naturally appeared to be all Eleusinian priesthoods and sacred offices The scheme he has

adopted is a prosopographical account in chronological order of all the known incumbents of each priesthood with an emphasis on certain aspects qualifications for a priesthood manner of selection length of incumbency official functions and duties rank or importance relative to other priesthoods in the cult social position participation in civil life and in other festivals or cults and religious dress The evidence not connected with specific priests or priestesses has been interspersed chronologically among them but there are occasional departures from this procedure where it was more useful to discuss in one place all the evidence on a given topic e g religious dress Illus *The holy rites of Eleusis were Archaic Wisdom-Religion dressed in Greek garb* Helena Petrovna Blavatsky, Edward Pococke, Thomas Taylor, Alexander Wilder, 2018-04-03 The Eleusinian Mysteries were viewed as the efflorescence of all the Greek religion as the purest essence of all its conceptions The offering of bread and wine to the candidate by the Hierophant symbolised the spirit that was about to quicken matter i e the divine wisdom of the Higher Self was to take possession of the candidate's inner Self or Soul through what was to be revealed to him The transformation of Cybele to Ceres Demeter was the basis for the sacredness of bread and wine in ritualism Cybele is the Moon Goddess of the Athenians Pallas or Minerva invoked in her festivals as Monogenes Theou the One Mother of God and Virgin Queen of Heaven Esoterically Cybele is Kabeiros a representative of the Phoenician Kingly Race The Hierophant was always an old unmarried man This and so many other features of the great archaic system known as the Sacred Wisdom Science have been appropriated by the Romish Church One of the greatest mysteries is how the ever immaculate and yet ever prolific Divine Virgin who fecundated by the fructifying rays of the Sun becomes the Mother of all that lives and breathes on her vast bosom Her very Breath is Akasha tattva or Universal Essence i e Vital Electricity Life itself The Mysteries are fragments of a grand pre historic Philosophy as old as the world itself They are not only the foundation stone of modern Philosophy they also gave birth to hieroglyphics as permanent records were needed to preserve and commemorate their secrets The fact that the Sanskrit and Greek words for Initiation to the Greater Mysteries Avapta and Epopteia imply revelation not by human agent but by receiving the Sacred Drink points out to the pre Vedic origin of the Eleusinia A cup of Kykeon quaffed by the Mystes at the Eleusinian Initiation forcibly connects the inner highest spirit of man which spirit is an angel like the mystical Soma with his irrational soul or astral body and thus united by the power of the magic drink they soar together above physical nature and participate during life on earth in the beatitude and ineffable glories of Heaven One well versed in the esoteric mythologies of various nations can trace the Mysteries back to the ante Vedic period in India Only those of the strictest virtue and purity were admitted Those who consciously engaged in Black Magic or were responsible for homicide whether accidental or not and other evil acts were excluded Every approach to the Mysteries was guarded with the same jealous care everywhere and the penalty of death was inflicted upon Initiates of any degree who divulged secrets entrusted to them Why Truth keeps hiding like a tortoise within her shell Because Truth is too dangerous even for the highest Lanoo No one can be entrusted with full knowledge of the Secret Science before his time

In Egypt the Mysteries had been known since the days of Menes The Greeks received them much later when Orpheus introduced them from India Thus even in the days of Aristotle few were the true Adepts left in Europe and even in Egypt While darkness fell upon the face of the profane world there was still eternal light in the Adyta on the nights of Initiation Athenians the real barbarians of Hellas charged schylus with sacrilege and condemned him to be stoned to death because they claimed having been uninitiated he had profaned the Mysteries by exposing them in his trilogies on a public stage But he would have incurred the same condemnation had he been initiated Every truth revealed by Jesus and which the Jews and early Christians understood was concealed by a Church that has always pretended serving Him To deprive the Greeks of their Sacred Mysteries which bind in one the whole of mankind was to render their very lives worthless to them Blessed is he who has seen these things before he goes beneath the hollow earth for he understands the end of mortal life and the beginning of a new life The Lesser grades of Eleusinia symbolised the descend of Persephone Ceres Demeter s daughter to earth and were preparatory to Greater Mysteries when the daughter returns to her divine abode and is finally reunited with her mother Similarly Northern Buddhism has its Greater and its Lesser vehicle the Mahayana or Esoteric and the Hinayana or Exoteric School The object of the Lesser Mysteries was to instruct the candidate about the condition of the unpurified soul invested with an earthly body and enveloped in a material and physical nature that until and unless purified by high philosophy and ethics is destined to suffer pain and death through its attachment to embodied life Selfishness is the prisoner of the divine soul Physical body is the prison And real hell is life here on earth The Book of Job is a complete representation of ancient Initiation and the trials which generally precede this grandest of all ceremonies Still the cunning translators of the Hebrew Bible imply that Job s Champion Deliverer and Vindicator was Messiah Nothing could be further from the truth With the Hindus the real Champion and Deliverer is Atman with the Neo Platonists Nous Augoeides with the Buddhists Agra with the Persians Ferouer The true Champion is the immortal spirit in every man It alone can redeem our soul and save us from ourselves if we follow its behests instead of squandering our divine inheritance by pandering to our lower nature There were two classes of participants the Neophytes and the Perfect And two castes of Magi the initiated and those who were allowed to officiate in the popular rites only Neophytes first taught in upper temples were initiated in crypts Oral instructions were given at low breath in solemn silence and secrecy Jesus and Paul classified their doctrines as esoteric and exoteric The Mysteries of the Kingdom of God for the Apostles the parables for the multitude Aristides calls Mysteries the common temple of the earth Epictetus says that all that is ordained therein was established by the Masters of Wisdom for the instruction of mortals and the correction of their customs Plato asserts that the object of the Mysteries was to re establish the soul in that state of perfection from which it had fallen Baptism was one of the earliest Chaldeo Akkadian rites of inner purification Candidates were immersed thrice into water by Hydranos the Baptist At the Mysteries of the Anthesteria at limnai i e the Feast of Flowers at the temple lakes after the usual baptism by purification of water the Mystai were made to pass through to

the gate of Dionysus that of the purified After their Second Birth was accomplished and the Mystai had returned from their baptism in the sea the Tau or Egyptian cross was laid upon the breast The Mysteries of the Jews were identical with those of Pagan Greeks who took them from the Egyptians who borrowed them from the Chaldaeans who got them from the Aryans who inherited them from the Atlanteans and so on But what Gods and Angels had revealed exoteric religions beginning with that of Moses reviled revealed and hid for ages from the sight of the world The lure of lucre was the final nail in the coffin of the Eleusinia An Athenian demagogue and sycophant whose eloquence was described as of a coarse and vehement character degraded the Sacred Mysteries by persuading the State to levy a charge for those seeking admission to higher life Thus initiation had become a commodity and as necessary as baptism has since become with the Christians The first hour for the demise of the Mysteries struck on the clock of the Races with the Macedonian conqueror The first strokes of its last hour sounded 47 BCE in the Thebes of the Celts But the Mysteries of Eleusis could not be so easily disposed of They were indeed the religion of mankind and shone in all their ancient splendour if not in their primitive purity It took several centuries to abolish them and they could not be entirely suppressed before the year 396 of our era The Eleusinian Mysteries were archaic Wisdom Religion dressed in Greek garb Prehistoric Greece was colonised by two great Indian races the Solar and the Lunar dynasties Springing up from the kingdoms of Cashmir and Tibet the prehistoric colonists of Greece consisted of the two great primitive and radical races of Aryavarta the Solar or ancient Budhistic dynasty Surya Vansa and the Lunar dynasty Chandra Vansa The former were the earliest settlers in Greece and their religious exponents appear to have been the Dodan or Brahmanical priests of the great tribe Doda As history progressed the original Lamaic system of religion has been so much modified and so far compromised as to be compelled to seek refuge in the asyla of the Grecian Mysteries instead of the state position it once occupied Inside Greece Bacchus was a prosonym of Zagreus the successor of the Lamaic sovereignty in whose service was Orpheus the founder of the Mysteries Outside Greece Bacchus was the Tartarian Jupiter Hammon whose Lamaic worship accompanied the emigrants of Tartary to Egypt In Budhistic belief the young Lama is born again from the consort of the Jaina Pontiff Semele or Su Lamee the Great Lama Queen The Eleuth Chiefs who spread the Lamaic doctrines in the Attic territory became Eleusine Their forms of worship and Tartar ceremonials composed the staple of the celebrated Eleusinian Mysteries The high born Brahmans or Culini lived on the Peloponnesian Mount Cyllene The Mysteries were communicated to Culyus Celeus ruler of the land of the Rarhya by Demeter herself Yet the Greeks besmirched their noble ancestry by belittling their Hierophants as troglodytes Three Hierarchs represented Budhistical and Brahmanical power Two orders of priests officiated over the initiations The descendants of the High Budha Priest or Eumolpidai and the Budhist Keerukos or Keryx the sacred herald of the Greeks the latter aided by the daughters of the late Eleusinian high caste king Culyus or Celeus Modern Greek authors who treat Eleusinian worship as mysteries rather than the old national form of worship name those admitted to the Lesser Mysteries as Mokshtai or Mystai from the Budhist word Moksha After taking an

oath of secrecy to preserve the old religion of the country against the more attractive heresy of Homer and his popular gods those admitted to the Greater Mysteries were styled avapta or epoptai Iacchos Bacchos properly Yogin who appeared on the sixth day of the Mysteries is none other than Dio Nausho or Dionysos son of the Jaina Pontiff Jeyus and the Great Lama Queen Soo Lamee or Semele Couros a prosonym of Iacchos is Gooros or Guru a spiritual teacher Hence Demeter is styled by the Greeks Couro trophos or Guru nurse Erectheus Poseidon was worshipped jointly with Athene and is identified with Poseidon or Po Sidhan Prince of all Saints Chief of Saidan and Prince of Sidon Saidan Eracland and Ph nicia are in close proximity to Afghanistan Sidan is repeated in the Ph nicia of Palestine Poseidon was worshipped jointly with Adheene the Virgin Queen of Heaven modified by the Greeks as Athene She is the Egyptian Neeti corruptly written Neith The mysterious name of Onge Athene was also derived from AUM the Triple Fire representing the highest Tetraktys *The Eleusinian and Bacchic Mysteries* Thomas Taylor,2019-10-30 In offering to the public a new edition of Mr Thomas Taylor s admirable treatise upon the Eleusinian and Bacchic Mysteries it is proper to insert a few words of explanation These observances once represented the spiritual life of Greece and were considered for two thousand years and more the appointed means for regeneration through an interior union with the Divine Essence However absurd or even offensive they may seem to us we should therefore hesitate long before we venture to lay desecrating hands on what others have esteemed holy We can learn a valuable lesson in this regard from the Grecian and Roman writers who had learned to treat the popular religious rites with mirth but always considered the Eleusinian Mysteries with the deepest reverence *The Eleusinian Mysteries & Rites* Dudley Wright,2016 *Essay on the Mysteries of Eleusis*; Sergei Semenovitch Graf Uvarov,J D Tr Price,A I (Antoine Isa Silvestre de Sacy,2023-07-18 This book is a deep dive into the ancient Greek cult of Eleusis which centered around the goddess Demeter and her daughter Persephone Includes analysis of mythological texts archaeological evidence and historical accounts of religious practices This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
