Good Bye High School Hello College:

Goodbye High School, Hello World Bruce Bickel, Stan Jantz, 2008-12-22 Bruce and Stan the weekly hosts of TBN's Christianity 101 humorously and practically prepare students for the most exhilarating and potentially perilous years of their lives Like any good guidebook this book tells high school graduates ahead of time what they can expect to encounter points of interest dangers and opportunities From money management to roommate irritations it isn't easy leaving high school behind but with Goodbye High School Hello World students will find the transition easier and less stressful *Good Bye Job, Hello Life* Mira Tasich, 2014-10-16 Rejuvenate Yourself with Mira Tasich's Self Renewal Inspirations Sincerely and candidly Mira Tasich writes of her personal rollercoaster journey from fear and self doubt to power and rejuvenation Goodbye Job Hello Life never lectures readers but offers them lessons on how to re-invent and discover their hidden powers **A Peculiar Prophet** Michael A. Turner, 2010-09-01 There is no more trusted mentor of preachers in North American Christianity today than William H Willimon The author of over sixty books a frequent preacher and teacher in pastors schools and events Willimon has earned a following as one of the people to whom preachers turn more often than any other Turner and Malambri make Willimon's role as a mentor to preachers more available than ever Both former students of Willimon's they provide detailed and practical tools for learning from this peculiar prophet They offer samples of Willimon's sermons and commentary on them by other leading preachers and homilists such as Tom Long and Peter Gomes The point of this examination of Willimon's work is not simply to praise it but to assess both its strengths and its weaknesses and to help readers learn in the process how Willimon can be a model of what to do and at times what not to do in the pulpit Written with the needs of practicing preachers in mind this book will make a significant contribution not only to understanding a great preacher but also to preaching itself **Good-Bye High School, Hello College** William H. Willimon, 1992 Devotions for high school graduates Ideal for gift giving **Teaming Up** Ginny Ward Holderness, 1997-01-01 Bestselling Christian educator Ginny Holderness refocuses the attention on leadership in the youth ministry to young people themselves Holderness and coauthor Robert Hay expand on her original team approach to include young people in the leadership team Successfully implemented in many church programs already this expanded approach to team building ensures that young people take ownership of their youth ministries **Gay Notions** Floyd Stephen Alexander, 2024-10-03 In a world where fear of difference has caused unimaginable pain and sorrow this powerful work seeks to bridge the gap between the gay and straight communities Through heartfelt storytelling it highlights the devastating impact of intolerance from mass shootings to the tragic killing of a classmate and the painful separation of families This book is a call to action urging us to use the power of our voices to foster understanding and compassion Let the conversation begin and together let's create a world where everyone is accepted for who they are *Catalog of Copyright Entries. Glasrud, 2014-03-04 Texas is as well known for its diversity of landscape and culture as it is for its enormity But West Texas despite being popularized in film and song has largely been ignored by historians as a distinct and cultural geographic space In *West Texas A History of the Giant Side of the State* Paul H Carlson and Bruce A Glasrud rectify that oversight This volume assembles a diverse set of essays covering the grand sweep of West Texas history from the ancient to the contemporary In four parts comprehending the place people politics and economic life and society and culture Carlson and Glasrud and their contributors survey the confluence of life and landscape shaping the West Texas of today Early chapters define the region The giant side of Texas is a nineteenth century geographical description of a vast area that includes the Panhandle Llano Estacado Permian Basin and Big Bend Trans Pecos country It is an arid windblown environment that connects intimately with the history of Texas culture Carlson and Glasrud take a nonlinear approach to exploring the many cultural influences on West Texas including the Tejanos the oil and gas economy and the major cities Readers can sample topics in whichever order they please whether they are interested in learning about ranching recreation or turn of the century education Throughout familiar western themes arise the urban growth of El Paso is contrasted with the mid century decline of small towns and the social shifting that followed Well known Texas scholars explore popular perceptions of West Texas as sparsely populated and rife with social contradiction and rugged individualism West Texas comes into yet clearer view through essays on West Texas women poets Native peoples and musicians Gathered here is a long overdue consideration of the landscape culture and everyday lives of one of America s most iconic and understudied regions
