**Bolender's Guide to Mastering Mountain and Extreme Trail Riding** Mark Bolender, 2012-04-20 Good horsemanship is not about domination but leadership and having the horse volunteer for a partnership with the handler. That summarizes the focus of trainer and author Mark Bolender. In Bolender's Guide to Mastering Mountain and Extreme Trail Riding, he spells out his philosophy and training regimen that works to build mutual trust between a horse and rider. Bolender's training method developed to incorporate the horse's natural instincts is appropriate for riders of any skill level, from those who want to ride for pleasure to those who seek more advanced techniques for Mountain and Extreme Trail competition. Bolender, the world's most winning competitor in Mountain and Extreme Trail, combines old style philosophies with new insight into the horse's world. In this guide, he provides an array of information: selecting an ideal trail horse, acquiring the proper equipment, earning and building trust, and handling obstacles such as poles and logs, rocks, trenches, water gates, bridges, campsites, and other animals and people. Instructive and informative, the guide breaks down Bolender's techniques into easy-to-digest pieces. It provides a fascinating journey into the horse's mind and how its instincts can be used to develop good horsemanship.

*Great British Bike Rides* Dave Barter, 2017-03-25 **FREE DOWNLOADABLE GPX ROUTE FILES** Great British Bike Rides is a celebration of British road cycling. Author Dave Barter brings together forty of the best road rides in England, Scotland, and Wales, searching out the country's most celebrated routes, toughest climbs, and most scenic roads. The rides are challenging, they are adventurous, and they are quintessentially British: tackle the gradients of the classic Fred Whitton in the English Lake District, pit yourself against fearsome climbs inspired by the Dragon Ride in Wales, and feast upon Scotland's stunning scenery following wild roads through Assynt and across Skye. Already a fanatical cyclist, author Dave Barter packed in his job and hit the road, embarking on a 9,000-mile tour of Britain to bring together the best riding the country has to offer. His cycle routes are devised specifically for this book, enchainning unforgettable climbs, quiet roads, and stunning scenery. Each ride is accompanied by detailed route information, bespoke mapping, and a statistical breakdown including every detail the committed cyclist requires. The book is complemented with a set of downloadable GPX files to further aid navigation. Join the cycling revolution and discover the best road cycling in Great Britain.

**Fine Riding** Susan McBane, 2021-09-30 Equitation Science, together with classical riding, is today probably the most humane, effective, and practical way of training and enjoying the horse, competitive or not. To avoid getting involved is to accede to the status quo. Our horses deserve better. Sharon E. Cregier, Ph.D., FIASH Hon. Edin, founding member of Equine Behaviour Forum. In precise practical language, *Fine Riding* describes how to

blend the principles of classical riding with the modern findings of Equitation Science demonstrating how to put the principles into practice when training and riding horses The book encompasses the author's lifelong background in authentic classical riding and a 17 year study and practice of Equitation Science It presents the best of the old with the best of the new resulting in a unique and rational blend of principles clearly explained that enables and encourages readers to train ride and care for their horses truly effectively and humanely Applicable to riding of all schools of thought from hacking to racing including jumping McBane's method is more than simply another system of riding It applies the results of rigorous scientific studies to the historical classical training and riding of horses in an ethical humane and effective way explaining the principles in such a way that readers will feel able to put it into effect themselves This book will encourage horse owners to serve their horses with renewed understanding and commitment *Horseback Riding For Dummies* Audrey
