

Our Safeguarding Children Framework

Organisation

We design our organisation to make it simple and natural for people to act to safeguard children from abuse, neglect and harm.

Culture

We champion and model a culture that promotes and protects the safety and wellbeing of children in everything we do.

Together we “look, do, tell” and prevent, identify and respond to child abuse, neglect and harm.

Capability

We build people's capabilities to create environments that put the safety and wellbeing of all children first.

Child & Family Voice

We intentionally listen to children and families so they feel safe to share their experiences and views.

Good Practice In Child Protection

**Rachael Clawson, Lisa Warwick, Rachel
Fyson**

Good Practice In Child Protection:

Good Practice in Child Safety Angela Dare, Margaret O'Donovan, 2000 Addresses the full range of safety related topics and includes chapters on accidents and accident prevention safety in relation to child development the maintenance of a healthy and safe environment responses to child abuse and an introduction to first aid Also includes activities and quick check questions to reinforce the learning process Written specifically for the student and practitioner *Good Practice in Child Protection* Christine Hobart, Jill Frankel, 1998 Good Practice in Child Care offers comprehensive guidance for all early years workers and students The text includes coverage of legal issues examines the roles of various child protection agencies and gives advice on how to work with parents *Good Practice in Safeguarding Children* Hilary Owen, Liz Hughes, 2009-01-15 This book draws together contributors experiences of working with safeguarding children on a broad range of issues including neglect trafficked children parents with learning difficulties and child protection supervision The contributors discuss current dilemmas in safeguarding children work and provide models of good practice *Handbook for Child Protection Practice* Howard Dubowitz, Diane DePanfilis, 1999-12-22 The timing of the publication with the revised Working Together guidelines could not be more advantageous This book is a unique and important contribution to child care literature No agency should be without Child Abuse Review Professionals concerned with the protection of children face many challenges This work demands knowledge from several disciplines a wide variety of skills and interdisciplinary collaboration The editors Howard Dubowitz a pediatrician and Diane DePanfilis a social worker together with over 70 experts in this field offer what is known about how best to work with maltreated children and their families in a very practical concise and user friendly way Structured to follow the life of a case from the time a report of child maltreatment is made through the various pathways in the child protection system this edited volume synthesizes the best practice principles for responding to reports of child abuse and neglect engaging children and other family members in intervention developing cross cultural practice competencies assessing risk evaluating safety and conducting family assessments defining outcomes and planning intervention evaluating risk reduction and making permanency decisions and discusses the unique legal medical ethical and other practice issues that work in the child protection field involves Professionals facing tough dilemmas in practice should find valuable guidance in these pages *Developing Good Practice in Children's Services* Vicky White, John Harris, 2004-07-15 Vicky White and John Harris have drawn together the contributors experiences of working with children in a broad range of settings emphasising ways in which the current context of change can be used as an opportunity to enhance the quality of service provision and achieve better outcomes for children and their families **The Child Protection Handbook** Kate Wilson, Adrian L. James, 2007-04-26 This title is directed primarily towards health care professionals outside of the United States The new edition of this popular handbook gives an authoritative informative and accessible account of key areas of child protection practice Covering research policy and practice it is relevant to all professionals working in child

care No other book on child protection offers such comprehensive coverage of policy and practice It provides research findings in all areas of child abuse latest policies and indications of good practice plus specialist chapters for different professionals Chapters have been contributed by known experts in the field both distinguished academics and practitioners By combining the latest factual information with sophisticated analysis it is the ideal course text for child protection programmes as well as meeting the needs of more experienced practitioners academics and trainers Practical Examines the issues grounded in reality and therefore gives the reader confidence in practice coupled with an understanding of the responsibilities of colleagues in other professions Comprehensive Covers a broad review of what constitutes child abuse and characteristics of the abused and the abusers medical social and legal management of the process of protection the actions involved in intervention and training and new directions for research and practice Authoritative Contributors are senior professionals known nationally and internationally for their specific expertise in this area Research based All books should be but amongst the professionals most closely involved in child protection the heavy workload often means there is little time to catch up on and assimilate up to date research fully This book offers a through guide to what research and policy initiatives can give to the practice of the reader new chapters addressing issues of culture and parenting each chapter contains key messages for practitioners key websites have been listed a website on Evolve with supplementary material

Safeguarding Black Children Claudia Bernard,Perlita Harris,2016-05-05 Providing an exploration of the key issues this book offers practical advice on how to improve the safeguarding and welfare of black children and young people in need With contributions from academics researchers and practitioners it promotes an understanding of the particular cultural and social issues that affect black children in relation to child protection It highlights how race and racism as well as culture faith and gender can influence the ways need and risk are interpreted and responded to Drawing on insights from research evidence case examples and practice guidelines it outlines the range of factors that contribute to the vulnerability of black children and describes how to improve techniques of working with minority ethnic families The book covers issues such as the effects of parental mental health problems living with domestic violence child maltreatment and demonstrates how these might be understood differently for black children and young people There are also chapters on topics such as female genital mutilation witchcraft and forced marriage Essential reading for all social workers and child protection workers as well as students and support managers Safeguarding Black Children provides the tools and understanding needed to better support these children

Human Rights in Child Protection Asgeir Falch-Eriksen,2005-01-01 This open access book critically explores what child protection policy and professional practice would mean if practice was grounded in human rights standards This book inspires a new direction in child protection research one that critically assesses child protection policy and professional practice with regard to human rights in general and the rights of the child in particular Each chapter author seeks to approach the rights of the child from their own academic field of interest and through a comparative lens making

the research relevant across nation state practices The book is split into five parts to focus on the most important aspects of child protection The first part explains the origins aim and scope of the book the second part explores aspects of professionalism and organization through law and policy and the third part discusses several key issues in child protection and professional practice in depth The fourth part discusses selected areas of importance to child protection practices low impact in house measures public care in residential care and foster care respectively and the fifth part provides an analytical summary of the book Overall it contributes to the present need for a more comprehensive academic debate regarding the rights of the child and the supranational perspective this brings to child protection policy and practice across and within nation states

Child Protection for Teachers and Schools Ben Whitney,1996 Provides up to date practical information and guidance in the area of child welfare and the related fields of bullying allegations against staff and inter agency working This book is intended to promote teacher competence provide a guide to good practice and act as a training resource
