professional experience to prepare English language teachers for working in today's expanded diverse and dynamic neoliberal contexts *Building Comprehension in Every Classroom* Rachel Brown, Peter Dewitz, 2013-10-09 This book presents a practical model and specific unit and lesson planning ideas for enhancing students' reading comprehension in any 2-8 classroom. The authors provide innovative suggestions that help teachers construct a comprehension curriculum organized around literature, informational texts, or a basal reading program. Vivid case examples and vignettes bring to life ways to build the knowledge, strategies, and motivation that children need to engage with different types of texts and become proficient, enthusiastic readers. Graphic elements throughout the volume link instructional and assessment practices directly to the Common Core standards *Handbook of Early Childhood Teacher Education* Leslie J. Couse, Susan L. Recchia, 2015-07-24 This handbook synthesizes both contemporary research and best practices in early childhood teacher education, a unique segment of teacher education defined by its focus on child development, the role of the family, and support for all learners. The first volume of its kind, the *Handbook of Early Childhood Teacher Education* provides comprehensive coverage on key topics in the field, including the history of early childhood teacher education programs, models for preparing early childhood educators, pedagogical approaches to supporting diverse learners, and contemporary influences on this quickly expanding area of study. Appropriate for early childhood teacher educators as well as both pre- and in-service teachers working with children from birth through 8, this handbook articulates the unique features of early childhood teacher education, highlighting the strengths and limitations of current practice as based in empirical research. It concludes by charting future directions for research with an aim to improve the preparation of early childhood educators *Powerful Teacher Education* Linda Darling-Hammond, 2012-06-28 *Powerful Teacher Education* describes the strategies, goals, content, and processes of seven highly successful and long-standing teacher education programs: Alverno College, Bank Street College, Trinity University, University of California Berkeley, University of Southern Maine, University of Virginia, and Wheelock College. All these colleges and universities have succeeded in preparing teachers to teach diverse learners to achieve high levels of performance and understanding. In discussing the common features of these programs, Linda Darling-Hammond shows what outstanding teacher education models do and how they do it, and what their graduates accomplish as a result. *Powerful Teacher Education* also examines the policies, organizational features, resources, and relationships that have enabled these programs to succeed *Stories of the Eight-Year Study* Craig Kridel, Robert V. Bullough Jr., 2012-02-01 Winner of the 2008 AERA Division B Outstanding Book Award, *Presenting the first complete history of the Progressive Education Association's Eight Year Study*, which took place during the 1930s and the 1940s, this book corrects common misinterpretations of one of the most important educational experiments of the twentieth century and explores the study's value for reexamining secondary education in America today *Minnesota Journal of Education*, 1929
