Poetry of Tomorrow Tiff any Lynn Peppers, 2007-05-17 Life and love can be profoundly expressed in so many ways And when that love is gone it can be expressed in a deep soulful way It can put a thought on your mind that youre thinking about all day It can make you want to cry a river or bay Sadness can touch your heart and penetrate it until you cry It can make you say why oh why And it can make you sigh Maybe it can even make you wonder if youre letting life pass you by Joy can put a giant smile on your face and lift your spirits high When touched by inspiration it can stimulate you to change your outlook in life or just the art of poetry can be a delightful form of entertainment Laughter can put enchantment in to your heart when it encompasses you Love can be expressed in so many ways And when that love is gone it can make you cry for days and days Love isnt just something you feel Its something you show And as the years go by you watch it grow Love can blind you or show you the way Thats what I heard someone say Inspiration is something you can never get enough of Its sort of like love When youre sad and when your melancholy and blue inspiration can be your glue Sadness can be so profound It can be expressed in ways that show how you feel down Tears and fears can cause sorrow It can make you ask someone for joy you can borrow When youre low and when youre down only your heart can feel how sad you see yourself as It leaves you wondering if the feeling will pass Opening this book is your journey down that road
