Goodbye Culinary Cringe:

Goodbye Culinary Cringe Cherry Ripe, 1996 Does Australia have a cuisine This is a provocative guide to the way Australia eats in the 1990s Leaving China Wanning Sun, 2002-08-15 More than ever before China is on the move When the flow of people and images is fused meanings of self place space community and nation become unstable and contestable This fascinating book explores the ways in which movement within and across the national borders of the PRC has influenced the imagination of the Chinese people both those who remain and those who have left Travelers or no all participate in the production and consumption of images and narratives of travel thus contributing to the formation of transnational subjectivities Wanning Sun offers a fine grained analysis of the significant narrative forms and discursive strategies used in representing transnational space in contemporary China This includes looking at how stay at homes fantasize about faraway or unknown places and how those in the diaspora remember experiences of familiar places She considers the ways in which mobility of people capital and images affects localities through individuals constructions of a sense of place Relatedly the author illustrates how economic social and political forces either facilitate or inhibit the formation of a particular kind of transnational subjectivity They Eat That? Jonathan Deutsch, Natalya Murakhver, 2012-01-16 This thoroughly engaging encyclopedia considers the rich diversity of unfamiliar foods eaten around the world The title They Eat That A Cultural Encyclopedia of Weird and Exotic Food from around the World says it all This fun encyclopedia organized A Z describes and offers cultural context for foodstuffs people eat today that might be described as weird at least to the American palate Entries also include American regional standards such as scrapple and chitterlings that other regions might find distasteful as well as a few mainstream American foods like honey that are equally odd when one considers their derivation A long narrative entry on insects for example discusses the fact that insects are enjoyed as a regular part of the diet in some Asian South and Central American and African countries It then looks at the kinds of insects eaten where and how they are eaten cultural uses nutrition and preparation Each of the encyclopedia s 100 entries includes a representative recipe or for a food already prepared like maggoty cheese describes how it is eaten Each entry ends with suggested readings Tourism Business Frontiers Dimitrios Buhalis, Carlos Costa, Francesca Ford, 2006-08-11 As the global tourism industry continues to expand and to become more complex it is vital that those in the industry are equipped with a thorough knowledge of all topics involved New Tourism Consumers Products and Industry Present and Future Issues provides this comprehensive coverage and more Written by a team of globally renowned thinkers and researchers it not only provides a brief historical overview of tourism but delves deeper to discuss emerging trends consumer types and looks at the way the industry itself is changing and developing It provides the manager of tomorrow with the ability to look beyond normal planning horizons and identify potential opportunities from these changes New Tourism Consumers Products and Industry Present and Future Issues is part of a two part set with its companion text Tourism Dynamics Challenges and Tools Present and Future Issues

which takes the reader on a logical progression to look at issues relating to the external environment in which the tourism industry functions Both texts thereby provide the reader with a complete set of tools and knowledge recognise the key areas of growth and change and the ability to use the new tools and technologies available to develop them and maximise business potential

Carnal Appetites Elspeth Probyn, 2003-09-02 In *Carnal Appetites* Elspeth Probyn charts the explosion of interest in food from the cults that spring up around celebrity chefs to our love hate relationship with fast food our fetishization of food and sex and the impact of our modes of consumption on our identities You are what you eat the saying goes but is the tenet truer than ever As the range of food options proliferates in the West our food choices become inextricably linked with our lives and lifestyles Probyn also tackles issues that trouble society asking questions about the nature of appetite desire greed and pleasure and shedding light on subjects including fast food vegetarianism food sex cannibalism forced feeding and fat politics

Disappearing Foods Harlan Walker, 1995 *The Japanese Restaurant* Iori Hamada, 2023-08-04 This book explores the growth and operations of the Japanese restaurant in Australia since the early 2000s from perspectives of both restaurant workers and consumers Through first hand testimonies collected from chefs restaurateurs gourmets and casual diners it demonstrates how Japanese restaurants act as cultural hubs connecting a diverse community of migrants Australian citizens and international tourists while also disseminating knowledge of Japanese culinary cultures The ethnographic evidence presented challenges the colonialist and essentialist understandings of the exotic and Japaneseness as the inferior other to the West In so doing the book highlights the complex manifestations of cross cultural desires translating practices and the performative racial ethnic mimesis of Japanese ethnicity Featuring critical investigation into the fixed notions of otherness race ethnicity and authenticity this book will be a valuable resource to students and scholars of Japanese society and culture particularly Japanese food culture
