

goodbye

they saw you watching over them
as they finally closed their eyes
they smelt your scent as they
breathed in and out for the last time

they heard the way your voice broke
as you told them they were loved
they felt the way you held them
with that gentle, farewell touch

and now they watch each morning
as you pass their empty bed
they watch you lose composure
and they see the tears you shed

they hear you bear the silence
of the footsteps that are gone
that walk across your heart each day
like echoes of a song

they feel the pangs of emptiness
you get when you're alone
in moments when you realise
that they're never coming home

but in their darkest moment
you were there to hold them tight
and they just want the same for you
so you can feel alright

so they're sewing you a rainbow,
weaving ribbons through the sky
so they can let you know
that life is good beyond goodbye

so next time it is raining
and the sun appears as well
just feel and look and listen
for what they are trying to tell

they're telling you it's spring there
with its showers and its sun
and there are endless fields for them
to stretch and play and run

they're telling you they sleep upon
the biggest, softest beds
that they have stitched from all the clouds
that float above your head

they're telling you they're not alone
for there are many others
and they've been reunited
with their parents, sisters, brothers

they're showing you a rainbow
so you know they won't forget you
and to tell you they will always
be so happy that they met you

and they're telling you they love you
and though they'll be dearly missed
not to worry, 'cause it's beautiful
beyond the rainbow bridge
