Gospels Stephen C. Barton, 2006-09-06 Probably no other works of ancient literature have had a greater influence on religious life and thought than the Four Gospels Certainly no other works have been the subject of such intense study by those determined to learn more about the Gospels central often enigmatic figure And yet despite the bewildering variety of scholarly approaches few have sought to interpret the Gospels in terms of the distinctive spirituality that each contains and seeks to evoke in its readers That is the aim of this important new book to help today s readers explore what each Gospel has to offer when viewed by its own right as a classic of Western spirituality Written in a clear non technical style the fresh perspectives this work presents will open new vistas on the familiar stories about the life teaching and ultimate significance of Jesus Exploring the Spirituality of the Gospels Patrick J. Hartin, 2011-05-01 Within each of the four gospels there is a

foundational spirit a spirituality of the gospels That is to say each gospel contains rich images and values central to the Vision of the person of Jesus and to the path toward spiritual transformation in his image In this volume Patrick Hartin first looks at each gospel and asks such questions as Who is Jesus and What transformation does this encounter with Jesus invite Hartin then follows with examples of people who have appropriated the transformative power of these particular spiritualities from Saint Antony and Dorothy Day to Saint Augustine and Archbishop Romero Hartin s twofold approach gives us a deeper appreciation for the spiritual dimension of the gospels and helps us to be transformed in Christ by their message and Vision

The Making of the New Spirituality James A. Herrick, 2004-12-02 James A Herrick offers an intellectual history of the New Religious Synthesis examining the challenges it poses to Judeo Christian tradition demonstrating its sources and manifestations in contemporary culture and questioning its acceptance in church and society **Spirituality of the**

The Gospel of John and the Other Three Gospels Rudolf Steiner, 2025-05-19 What is the Christ event? It is a confluence of all preceding philosophies and religious streams of humanity united in Palestine and they were expressed in the Gospels according to the different types of initiation of the one or other Evangelist. Rudolf Steiner speaking two years after his main lecture course on the Gospel of John. Rudolf Steiner discusses initiation traditions in the course of human history and how the Christ Event unified them all in particular those connected to the Western and Eastern mysteries. In addition to esoteric interpretations of passages in the Gospels, Steiner also presents many new and complementary insights on the world-historic significance of Christ's mission, including his initial reference to the Second Coming in the etheric realm. Dense in content, these thirteen lectures delivered to an audience at the Royal Swedish Academy of Science, Stockholm, enrich our understanding of Rudolf Steiner's Christology. Only recently published in German and here in English for the first time, the lectures are accompanied with an introduction by Hans Christian Zehnter, an appendix of photos and facsimiles, extensive notes and an index. The voice rose and the speaking took on a more rapid tempo while it flowed without stopping in perfectly formed beautiful sentences as only a born speaker can produce. From a contemporary newspaper review: Thirteen lectures, Stockholm, Jan 1910. GA 117a

Hidden Gospels Philip Jenkins, 2002-12-05 This incisive critique thoroughly and convincingly debunks the claims that recently discovered texts such as the Gospel of Thomas, the Gospel of Mary and even the Dead Sea Scrolls undermine the historical validity of the New Testament. Jenkins places the recent controversies surrounding the hidden gospels in a broad historical context and argues that far from being revolutionary, such attempts to find an alternative Christianity date back at least to the Enlightenment. By employing the appropriate scholarly and historical methodologies, he demonstrates that the texts purported to represent pristine Christianity were in fact composed long after the canonical gospels found in the Bible. Produced by obscure heretical movements, these texts have attracted much media attention chiefly because they seem to support radical feminist and post-modern positions in the modern church. Indeed, Jenkins shows how best-selling books on the hidden gospels have been taken up by an uncritical, drama-hungry media as the basis for a social movement that could have powerful effects on the faith and practice of contemporary Christianity.

Hildegard of Bingen, Gospel Interpreter Beverly Mayne Kienzle, 2020-11-24 In Hildegard of Bingen Gospel Interpreter Beverly Mayne Kienzle presents and acquaints readers with Hildegard s fifty eight Homilies on the Gospels a dazzling summa of her theology and the culmination of her visionary insight and scriptural knowledge Part one probes how a twelfth century woman became the only known female Gospel interpreter of the Middle Ages It includes an examination of Hildegard s epistemology how she received her basic theological education and how she extended her knowledge through divine revelations and intellectual exchange with her monastic network Part two expounds on several of Hildegard s homilies elucidating the theological brilliance that emanates from the creative exegesis she shapes to develop profound interweaving themes Hildegard eschewed the linear repetitive explanations of her predecessors and created an organically coherent body of thought rich with interconnected spiritual symbols Part three deals with the wide ranging reception of Hildegard s works and her inspiring legacy extending from theology to medicine Her prophetic voice resounds in the morally urgent areas of creation theology and the corruption of church and political leadership Hildegard decries human disregard for the earth and its lust for power Instead she advocates the unifying capacity of nature viridity that fosters the interconnectedness of all creation

within Asia **A Dictionary of Christ and the Gospels** James Hastings, 2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher's dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852-1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church *Herald of Gospel Liberty* Elias Smith, 1909 **Purity in the Gospel of John** Wil Rogan, 2023-06-15 Wil Rogan argues that contrary to twentieth century interpretation the Fourth Gospel did not replace purity with faith in Jesus Instead as with other early Jewish writings its discourse about purity functions as a way to make sense of life before God in the world He suggests that John's Gospel employs biblical and early Jewish traditions of purity associated with divine revelation and Israel's restoration to narrate how God's people are prepared for the coming of Jesus and enabled by him to have life with God characterized by love After evaluating different theories of purity for the interpretation of the Fourth Gospel Rogan explores John the Baptist as an agent of ritual purification Jesus as the agent of moral purification and the disciples of Jesus as ones who are or are not made morally pure by Jesus While purity is not one of the Fourth Gospel's primary focuses Rogan stresses that the concept figures into some of its most significant claims about Christology the doctrine of salvation and ethics Through purity the Fourth Gospel guards continuity with the past while placing surprising conditions on participation in Israel's future **The Apologetics Study Bible** Ted Cabal, 2007-10-01 The Apologetics Study Bible will help today's Christian better understand defend and proclaim their beliefs in this age of increasing moral and spiritual relativism More than one hundred key questions and articles placed throughout the volume about faith and science prompt a rewarding study experience at every reading Highlights of this new thinking person's edition of God's Word include

The Anti-Gospel Edward Hendrie,2012-03-19 Edward Hendrie uses God s word to strip the sheep s clothing from false Christian ministers and expose them as ravaging wolves preaching an anti gospel The anti gospel is based on a myth that all men have a will that is free from the bondage of sin to choose whether to believe in Jesus The Holy Bible however states that all men are spiritually dead and cannot believe in Jesus unless they are born again of the Holy Spirit Ephesians 2 1 7 John 3 3 8 God has chosen his elect to be saved by his grace through faith in Jesus Christ Ephesians 1 3 9 2 8 10 God imbues his elect with the faith needed to believe in Jesus Hebrews 12 2 John 1 12 13 The devil s false gospel contradicts the word of God and reverses the order of things Under the anti gospel instead of a sovereign God choosing his elect sovereign man decides whether to choose God The calling of the Lord Jesus Christ is effectual all who are chosen for salvation will believe in Jesus John 6 37 44 The anti gospel has a false Jesus who only offers the possibility of salvation with no assurance The anti gospel blasphemously makes God out to be a liar by denying the total depravity of man and the sovereign election of God All who preach that false gospel are under a curse from God Galatians 1 6 9

People's Commentary on the Gospel According to John Edwin Wilbur Rice,1893 **Understanding the Jewish Roots of Christianity** Gerald McDermott,2021-03-17 How Jewish is Christianity The question of how Jesus
