Painting the Gospel Kymberly N Pinder, 2016-01-30 Innovative and lavishly illustrated Painting the Gospel offers an indispensable contribution to conversations about African American art theology politics and identity in Chicago Kymberly N Pinder escorts readers on an eye opening odyssey to the murals stained glass and sculptures dotting the city's African American churches and neighborhoods Moving from Chicago's oldest black Christ figure to contemporary religious street art Pinder explores ideas like blackness in public art for black communities and the relationship of Afrocentric art to Black Liberation Theology She also focuses attention on art excluded from scholarship due to racial or religious particularity Throughout she reflects on the myriad ways private black identities assert public and political goals through imagery Painting the Gospel includes maps and tour itineraries that allow readers to make conceptual historical and geographical connections among the works

Eastern Orthodoxy Illuminated by the Gospel Ivica Stamenkovic, 2023-10-24 Eastern Orthodoxy illuminated by the Gospel is one of the greatest books ever written about the Orthodoxy Reading the book Eastern Orthodoxy illuminated by the Gospel is like climbing a high mountain where your visual field gets expanded with each step discovering new and exciting details and finally gives an exceptional panoramic view that evokes the strongest feelings Each new line is like a new stair leading to a highest top from where you can observe the whole Orthodoxy Orthodoxy from God's perspective Light of the glorious Gospel and Christ's teachings shines like the sun throughout this book illuminating a complete profession of faith of the Eastern Orthodox Church Sladjan Djuric Author of the book Only Scripture Serbia I have never understood why Eastern Orthodox people practice or believe certain things When I would ask I would either get silence or a very confusing and superficial answer Ivica's book made those mysterious things clear for the first time and helped me understand the essence and the roots of the Orthodox religion Without exaggeration I

think this is a first class apologetic manual ever written Everyone who is called to work with Orthodox believers should have this book because it can help them understand the people who practice Eastern Orthodoxy and give them directions how to pray and preach the Gospel more efficiently 2 Corinthians 4 3 4 Ephesians 6 12 Jan Vareca Editor of a Christian e magazine The trumpet of Zion Serbia Eastern Orthodoxy has been largely unknown in the West but in the recent years there has been a surge of interest particularly among Christians of Protestant Evangelical orientation many of whom wish to find out more about this mystical expression of faith that captivates by its ancient charm and connection to the early church fathers The book Eastern Orthodoxy Illuminated by the Gospel by Ivica Stamenkovic will unlock the mysteries of Eastern Orthodoxy for the Western readers A native of Serbia a country with a strong Eastern Orthodox majority Ivica had the advantage of studying Eastern Orthodoxy at its source The product of his studies is a volume that deserves to be called nothing less than a textbook on Eastern Orthodoxy and probably the first of its kind available in the English language His clear scholarly approach leaves no stones unturned Needless to say a study such as this one has been long overdue in the West Even though scholarly the book is by no means dry and is an enjoyable read cover to cover Alex Jovanovic Pastor of Mooretown Brethren in Christ Church Sandusky Michigan USA

Encyclopedia of African American Society Gerald D. Jaynes, 2005-02-01 Do your students or patrons ever ask you about African Americans in sports How about African American Academy Award winners Or perhaps you re asked about more complex social issues regarding the unemployment rate among African Americans or the number of African American men on death row If these questions sound familiar the Encyclopedia of African American Society is a must have for your library This two volume reference seeks to capture the ways in which the tenets and foundations of African American culture have given rise to today s society Approaching the field from a street level perspective these two volumes cover topics of universal interest in America rap music sports television cinema racism religion literature and much more The Encyclopedia of African American Society is also the first comprehensive yet accessible reference set in this field to give voice to the turbulent historical trends slavery segregation separate but equal that are often ignored in favor of mere facts This is a definitive reliable and accessible entry point to learning the basics about African American society The encyclopedia is anchored by alphabetically arranged essays on such topics as abolitionism affirmative action and the civil rights movement More than just a who s who these volumes emphasize social issues and events those filled with significance and consequence through history Civil Rights economic growth law and justice and politics with all of their numerous subcategories receive substantial coverage The encyclopedia naturally contains hundreds of articles on notable African Americans Martin Luther King Jr Jackie Robinson Miles Davis groundbreaking events Emancipation Proclamation Los Angeles Riots sports and culture Rap Music Jazz and significant heritage sites Apollo Theater This much needed two volume encyclopedia should become a staple in collections at school public and academic libraries Readers of all ages backgrounds and ethnic or racial groups will find fascinating material on every page Key Features Nearly

The Face of Jesus Dean R. Eyerly, 2013-02 Many Christians want to know more about the historical man called Jesus of Nazareth and the circumstances surrounding his life mission and death They want to know about his relationships his family members the disciples who followed him and the politics of his day with this book giving you that information The Christian Bible is a

well crafted theological essay that is based on ancient events that took place 2 000 years ago in the Middle East Face of Jesus gives the reader hidden insight into the earthly life of Jesus of Nazareth prior to the crucifixion based upon modern day research of first and second century historical documentation not found in the Bible Dean R Eyerly gives a multitude of answers to many historical questions concerning the earthly man named Jesus Many of these issues have gone unnoticed in modern society and Eyerly has compiled discussions to such topics including His mother Mary was born into royalty His father Joseph was allied with Herod the Great He had four brothers and three sisters John the Baptist was his cousin Joseph of Arimathea was his uncle Mary Magdalene was present at the wedding feast at Cana and went on to Capernaum with Jesus There is much more substance to the man named Jesus of Nazareth than is given in the New Testament Jesus was held in high esteem even by those who were not his followers Eyerly seeks to educate the reader about the life and times of Jesus during the turbulent first centuries of Christianity and present Jesus as he actually was Dean R Eyerly is also the author for Between Heaven and Hell through Tate Publishing and he lives in Toledo Ohio

The Gospel of Mark Gabriel Nieto Zahino,2023-09-01 Few works have gazed on the Marcan topic with as much a detail as this one The tradition on the origin and authorship of the second Gospel looms up from the shadows in southern central Anatolia closing the first third of the first century AD pointing out the relation of Mark one of the most consistent secondary figures of the New Testament and Peter the apostle In no more than fifty years tradition will stress the link of Mark s work with the imperial see Rome Nieto Zah no s monograph takes pains to submit all the available diagnostic material in the Marcan tradition from the first century to the early third century AD to unceasing examination presenting the reader with historical archaeological geographical grammatical and codicological approximations while surveying afresh three of the chief candidates for the critical reconstruction of the second Gospel Rome Jewish Palestine and the especial blend between the former two that once existed Caesarea Maritima More than an autopsy over a dead document Nieto Zah no s analysis returns us to the living force of Scripture an odyssey through ancient Christianity that will not leave the heart of the most exigent scholars untouched

Collected translated works. Gospels. Book of Job. Psalms of David , Noise and Spirit Anthony B. Pinn,2003-11-01 Rap music is often seen as a Black secular response to pressing issues of our time

Yet like spirituals the blues and gospel music rap has deep connections to African American religious traditions Noise and Spirit explores the diverse religious dimensions of rap stemming from Islam including the Nation of Islam and Five Percent Nation Rastafarianism and Humanism as well as Christianity The volume examines rap s dialogue with religious traditions from the ways in which Islamic rap music is used as a method of religious and political instruction to the uses of both the blues and Black women s rap for considering the distinction between God and the Devil The first section explores rap s association with more easily recognizable religious traditions and communities such as Christianity and Islam The next presents discussions of rap and important spiritual considerations including on the topic of death The final unit wrestles with ways to theologize about the relationship between the sacred and the profane in rap
