Gospel of Paul it wasn t always so The early church followed the Gospel of Jesus There are two Gospels I doubt that many people realize that there are two Gospels and they are polar opposites The church jumps through hoops and does all it can to synchronize Paul s teachings with Jesus teachings but it failed When you read in this book the comparison of the two Gospels you will see why they are incompatible They are so incompatible that they can t both exist in the church so the church has rejected Jesus Gospel in favor of the Paul s Gospel of lawlessness The second half of the book deals with Paul Many love Paul and his teachings and embrace them in place of Jesus teachings Other see Paul as an anti christ figure teaching a Gospel that is the opposite of the Gospel Jesus taught I lay out the facts and you will have to decide for yourself The Gospel of Matthew Daniel J. Harrington, 1991 Matthew wrote his Gospel from his perspective as a Jew It is with sensitivity to this perspective that Father Harrington undertakes this commentary on the Gospel of Matthew After an introduction he provides a literal translation of each section in Matthew s Gospel and explains the textual problems philological difficulties and other matters in the notes He then presents a literary analysis of each text content form use of sources structure examines the text against its Jewish background situates it in the context of Matthew s debate with other first century Jews and reflects on its

significance for Christian theology and Christian Jewish relations Bibliographies direct the reader to other important modern studies
