

GOSPEL OF JESUS CHRIST

God

The Bible states that God created everything including us. He has authority to tell us how to live. Sin is the rejection of God's authority over us. God is loving, and he is righteous. Therefore, God cannot ignore sin and leave the guilty unpunished.

Man

Man rejects God and is guilty of sin. Since Adam, sin has corrupted every part of our human existence. Our entire being is under sin's power. The penalty of sin is physical and spiritual death. Our final destiny is eternal, active judgment in hell.

Christ

Jesus is truly God and man. He came to die on the cross as a substitute for his people and to pay sin's penalty. Jesus rose from the dead, assuring us that God's wrath is satisfied. Sinners can be freed from sin's power and reconciled with God.

Response

We must repent from sin and trust in Jesus alone to save us from sin and the coming judgment. When we believe in Jesus, all our sin is placed on Jesus, and the perfect life Jesus lived is credited to us. We are saved by grace alone through faith alone.

Gospel Of Jesus:

The Gospel of Jesus James M. Robinson, 2024-01-17 We know Matthew Mark Luke and John but what was the gospel of Jesus The message is intense and simple a valuable addition to the Jesus canon Booklist Is it possible to know what Jesus s original audience heard as the good news Jesus s gospel has been lost from sight hidden behind the version preferred by the church In The Gospel of Jesus James M Robinson acclaimed expert on early Christian studies gets to the true historical message of Jesus The Gospel of Jesus draws on a combination of the most ancient and authentic texts to reveal what Jesus really said and to illuminate what he may still have to say to us today Robinson not only reconstructs the good news Jesus preached and practiced two thousand years ago but also shows how relevant that message still is and how we can apply it to our lives The Gospel of Jesus offers one of the most authentic and stirring accounts ever written of the message preached by Christ A dramatic account of the original messages of Jesus of Nazareth before honorific titles were applied to him and dogmatic statements were formulated about him a book of wisdom insight and passion Marvin Meyer author of The Gnostic Gospels of Jesus The distillation of a distinguished career devoted to the exploration of Christian origins a succinct account of what the historical Jesus taught Robinson s reconstruction of Q the sayings source underlying Matthew and Luke provides the script on which he builds his judicious and moving portrait of Jesus Harold Attridge Dean Yale Divinity School The Authentic Gospel of Jesus Geza Vermes, 2004-09-30 In his new book acclaimed religious scholar Geza Vermes subjects all the sayings of Jesus to brilliantly informed scrutiny Profoundly aware of the limits of our knowledge but immersed in what we do have both the official gospels and associated Jewish and early Christian texts Vermes sieves through every quote ascribed to Jesus to let the reader get as close as possible to the charismatic Jewish healer and moralist who changed the world The result is a book that creates a revolutionary and unexpected picture of Jesus scraping aside the accretions of centuries to approach as close as we can hope to his true teaching *The Gospel of Jesus the Son of God* George William Knox, 1909

Gospel of Lord Jesus Christ God in the Flesh Robert Hunter, 2015-02-11 The Gospel of Jesus Christ is meant to heal us and keep us in line to God s commands Long ago God incarnated as a man in order to reorganize us with a new covenant For Jesus didn t come to change the law or do away with it but fulfill it This book is also really good if you have vision issues for it has large print This book is an ideal introduction for someone new to Christianity and can be an ideal tool for any Church This book also includes Revelation for it is such an important book *The Twenty-First-Century Gospel of Jesus Christ* Jo Ann Levitt, 2019-12-19 While on a spiritual retreat in France I received an etheric download from my guides and an invitation to scribe a book whose subject crossed my mind like a banner at a football game It was The Twenty First Century Gospel of Jesus Christ Never having channeled or done any automatic writing this was both shocking and exhilarating news especially since I was a perpetual student of Christ s teachings and mystical works everywhere More importantly it demonstrated the strong need for us all to invite ourselves back into the Gospels renewing and reinvigorating their message as appropriate for

our Twenty First Century living **The Gospel of Jesus The Christ** Neville Salvetti,2010-08-13 The Gospel of Jesus The Gospel of Jesus is usually called the Gospel of Salvation It is the entrance to The Kingdom of God It is not the Gospel Jesus preached The Gospel of The Kingdom This is the Gospel Jesus preached and is what every Citizen of The Kingdom of God should be preaching What is a Christian This is a discussion on various aspects of the Christian life and shows how the preaching of Gospel of The Kingdom is an integral part of it **Knowing the Gospel** Lola S. Richey,2011-12-12 Knowing the Gospel The Good News of Jesus Christ Made Simple is an inspirational and accessible Bible based primer on Jesus Christ and His message and teaches how a reader in the twenty first century can achieve salvation through this most important first century figure This book answers simple question like What is the Gospel Who is God Who is Jesus What is a Christian How to become saved What is salvation Is there life after death In Knowing the Gospel readers are introduced the Good News of the four Gospels which tell of Jesus identity and historical times through the lens of both Old Testament and New Testament writings Readers learn about sin and repentance through the story of the Apostle Paul who turned from persecuting Jesus followers to following Him himself While sin is inevitable readers will be heartened to learn that faith and trust in Jesus will lead them to eternal life in Him as Christians The book concludes with a joyous invitation to salvation *The Gospel of Jesus Christ* Dr Patrick Pierce,2017-06-21 This is the most important new Combined Translations of the Gospels The Gospel of Jesus Christ is a new translation of the four Bible Gospels It brings together all four of the Bible s Gospels in the order that Jesus lived them It will help you understanding the influence Jesus had on the people of His day and how His life still touches billions of people around the world today This easy to read book allows the reader to gain a new understanding of how the Gospels of Matthew Mark Luke and John link together with the teachings of Jesus It makes a valuable addition to any personal library for Christian growth and study Written over a 30 year period The Gospel of Jesus Christ is the effort of Dr Patrick Pierce This is a new translation of the Scripture from the four Gospels into one combined Gospel account As one pastor said about the book In my 40 years of ministry I ve never found a combined Gospel like this or as helpful a book This was the result of a truly remarkable calling *Why John Wrote a Gospel* Tom Thatcher,2012-11-01 Nineteen hundred years ago someone called the Beloved Disciple told stories about Jesus and his days on earth including reports of what Jesus did and said These stories had been told for decades but then someone took the stories and wrote them down turning them from oral tradition into the book we know as the Gospel of John Scholars have long concentrated on the content of this Fourth Gospel analyzing how it differs from the Gospels of Matthew Mark and Luke and wondering how the different Gospels relate to the Jesus of history Thatcher builds on all this previous scholarship to ask new and exciting questions Why was this Gospel written Why would these followers of Jesus turn the oral stories into written Gospel In exploring the reason for writing the Fourth Gospel Thatcher focuses on how stories and written texts operate to reflect and to create memory with in groups of people He uncovers how early Christians strove to remember Jesus in the decades after his ministry and how Christians came

into conflict with one another about which memories were best With this interest in the social memory of early Christians Thatcher provides original insights into the Gospel of John and shows new answers to old questions Writing in an engaging and accessible style Thatcher uses numerous diagrams and modern parallels to show how Gospel texts shape the memory and identity of Christian communities not only in the ancient world but today as well *The Gospel of Jesus Christ* Emilio B. Knechtle, Charles J. Sohlmann, 1997

The Gospels Giles Fraser, 2020-05-05 In this new presentation of the Gospels Terry Eagleton makes a powerful and provocative argument for Jesus Christ as a social political and moral radical a friend of anti imperialists outcasts and marginals a champion of the poor the sick and immigrants and as an opponent of the rich religious hierarchs and hypocrites everywhere in other words as a figure akin to revolutionaries like Robespierre Marx and Che Guevara

The Gospel Mary Jane Grubbs, 2014-12-05 This is the Life of Jesus Christ as told by the four Gospel writers Matthew Mark Luke and John The text is a chronology of His life written in a common book format The four Gospels have been placed into one easy to read and understandable book without the columns and numbered verses typically found in most Bibles The Bible can be at times overwhelming for new Christians My goal in this unique format is to help people learn of Jesus and all He did for us The objective of this writing is to get the book into the prison ministry This book is a good study guide and great witnessing tool

I Am the New Testament Berl Harrell, 2018-06-12 I Am the New Testament is a combined literal amplified and dramatized version including historical medical philosophical and scientific subjects found in the footnotes at the end of various chapters in the Gospel and in the letters from the Apostle John

this succinct treatment of the greatest news the world has ever heard is just what you need **The Gospel of Jesus Christ**, 1986 *Amazing Gospel of Jesus* Ray Looker, 2013-07 For two thousand years the story of Jesus has been published and preached around the world The Gospels of Matthew Mark Luke and John in the New Testament were originally selected as New Testament Canon late in the Third Century among the Gentile Churches and the name Jesus Christ was incorporated therein to replace His Jewish name of Yahshua the Messiah The story of Jesus is presented herewith and incorporates all the aspects of the Four Gospels as presented in the King James Bible and selected Scriptures from the Books of Acts and Revelation which reflect upon future events **Four Gospels, One Christ** Michael John Hooton, 2016-06-03 The four Gospels are the only books in the Bible to tell the same story from four different angles Together they show us not only what Jesus was like and how he lived but how his life can become the model for our own Four Gospels One Christ offers an overview of the three years of Jesus public ministry what he did and how he did it as seen through the eyes of Matthew Mark Luke and John And by exploring the themes that run through the four Gospels it invites us to reflect on what it really means to follow Jesus
