Gospel According To Matthew

William Barclay

Gospel According To Matthew:

The Gospel According to Matthew, 1999 The publication of the King James version of the Bible translated between 1603 and 1611 coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English language literature in history Now world class literary writers introduce the book of the King James Bible in a series of beautifully designed small format volumes The introducers passionate provocative and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance The Gospel According to Matthew R. T. France, 1985 R T France's study of Matthew's Gospel is a contribution to the Tyndale New Testament Commentaries a popular commentary designed to help the general Bible reader understand clearly what the text actually says and what it means without undue recourse to scholarly technicalities

The Gospel of Matthew Rudolf Schnackenburg, 2002 From ancient times the Gospel of Matthew has been regarded as the church Gospel its aims are preeminently catechetical pastoral and missionary But recent research raises many questions regarding Matthew's creation theological intentions and shaping for the circle of its first recipients This highly original commentary by Rudolf Schnackenburg follows Matthew chapter by chapter and verse by verse carefully explaining and interpreting the text against both its primitive and current horizons Schnackenburg sees Matthew's purpose as simply the proclamation of Christian salvation His commentary gives extra attention to the great discourses of Jesus found in Matthew such as the Sermon on the Mount showing how Jesus words and works have special currency for the self understanding of the church and for the task of Christian living today Written by a master exegete with a pastor's sensitivity this commentary will fast become a classic study of Matthew's Gospel

The Gospel of Matthew John Nolland, 2005-11-01 Having devoted the past ten years of his life to research for this major new work John Nolland gives us a commentary on the Gospel of Matthew that engages with a notable range of Matthean scholarship and offers fresh interpretations of the dominant Gospel in the history of the church Without neglecting the Gospel's sources or historical background Nolland places his central focus on the content and method of Matthew's story His work explores Matthew's narrative technique and the inner logic of the unfolding text giving full weight to the Jewish character of the book and its differences from Mark's presentation of parallel material While finding it unlikely that the apostle Matthew himself composed the book Nolland does argue that Matthew's Gospel reflects the historical ministry of Jesus with considerable accuracy and he brings to the table new evidence for an early date of composition Including accurate translations based on the latest Greek text detailed verse by verse comments thorough bibliographies for each section and an array of insightful critical approaches Nolland's Gospel of Matthew will stimulate students preachers and scholars seeking to understand more fully Matthew's presentation of the gospel narrative

A Handbook on the Gospel of Matthew Barclay Moon Newman,Philip C. Stine,1992 This handbook like others in this series concentrates on exegetical matters that are of prime importance for translators and it attempts to indicate possible solutions for translational problems that may arise because of language or culture In this respect the Handbook attempts to deal with the full range of information important to translators However the authors do not attempt to provide help that other theologians and scholars may be seeking but which is not directly useful for the task of translating It is assumed that such information is available elsewhere

A Commentary: the Gospel According to Matthew Dr. John Thomas Wylie,2018-03-06 Matthew ends the silence of four hundred years between Malachis prediction and the declaration of the introduction of Jesus Israel was under the mastery of the Roman Empire No man of the place of David had been permitted to sit on the position of royalty for a long time Presently the quiet is broken and the coming Messiah pronounced The book of Matthew trails the Old Testament and is start of the New It is the interfacing joined between the books It is composed for the Jews and it is fittingly set It underestimates that the course of occasions is known to its perusers The Old Testament had shut with the picked country searching for their long guaranteed king their messiah Matthews gospel demonstrates that Jesus was that King that Messiah It is the gospel of satisfaction Matthew exhibits the Lord Jesus in an unmistakably Jewish relationship Just in this one of the four gospels do we discover a record of the Messiahs assertion I am not sent but rather unto the lost sheep of the place of Israel Matt 15 24 What did His own kin do with Him See John 1 11 In numerical position the book of Matthew is the fortieth in the ordinance Thirty nine books in the Old Testament then Matthew Forty is dependably various testing or probation in scripture Jesus was enticed of the villain for forty days Israel was in the wild for forty years David was the best for forty years Moses was in a royal residence for forty years then on the rear of a leave for a long time In this fortieth book of the Bible Israel is in the place of probation and testing by the nearness of the Messiah in their middle Jesus Christ is displayed as King to the Jews and they dismiss Him as their Messiah as well as their Savior Matt 16 21

The Gospel of Matthew Craig S. Keener,2009-07-24 This commentary on Matthew offers a unique interpretive approach that focuses on the socio historical context of the Gospel and the nature of Matthew s exhortation to his first century Christian audience By merging a careful study of Matthew s Gospel in relation to the social context of the ancient Mediterranean world with a detailed look at what we know of first century Jewish Christian relations Craig Keener uncovers significant insights into the Gospel not found in any other Matthew commentary In addition Keener s commentary is a useful discipleship manual for the church His approach recaptures the full shock effect of Jesus teachings in their original context and allows Matthew to make his point with greater narrative artistry Keener also brings home the total

impact of Matthew's message including its clear portrait of Jesus and its call for discipleship both to the Gospel's ancient readers and to believers today. Thoroughly researched, the book includes a 150-page bibliography of secondary sources and more than 150 pages of indexes.

The Gospel According to St. Matthew Alan Hugh McNeile, 1915

The Gospel of Matthew Donald Senior, 2011-12-01

Biblical texts create worlds of meaning and invite readers to enter them. When readers enter such textual worlds, which are often strange and complex, they are confronted with theological claims. With this in mind, the purpose of the Interpreting Biblical Texts series is to help dedicated students in their experience of reading and interpreting by providing guides for their journeys into textual worlds. The controlling perspective is expressed in the operative word of the title: interpreting. The primary focus of the series is not so much on the world behind the texts or out of which the texts have arisen as on the worlds created by the texts in their engagement with readers. In this volume, Donald Senior provides an up-to-date introduction to the Gospel of Matthew. The seven chapters of Part One focus on modern biblical scholarship and the interpretation of Matthew, discussing the sources and structure of the Gospel, its use of the Old Testament, its understanding of Jewish Law, its setting as a part of the mission of Christianity to the Gentiles, its Christology, its understanding of the nature of discipleship, and the community from which the Gospel originated. The six chapters of Part Two provide a structured guide to reading and interpreting Matthew's Gospel.
