Gospel Themes:

Themes from the Gospel of John Michael Hickey, 2021-05-20 This book seeks to uncover the underlying message of the Gospel of John through its four major themes and several sub themes The major themes discussed are The Logos Prologue The Book of Signs The Book of Glory and The Epilogue The many sub themes interspersed throughout the Gospel are The I am Sayings Faith and Believing Knowing and Unknowing Light and Darkness Seeing and Blindness Ascent and Descent Life and Death Abiding and Discipleship Bread and Water Love Two Extended Allegories Judgment and the World Son on Man Son God and Spirit Paraclete and Truth *Gospel of Glory* Richard Bauckham, 2015-08-11 Throughout Christian history the Gospel of John's distinctive way of presenting the life works teachings death and resurrection of Jesus have earned it labels such as the spiritual Gospel and the maverick Gospel It has been seen as the most theological of the four canonical Gospels In this volume Richard Bauckham a leading biblical scholar and a bestselling author in the academy illuminates main theological themes of the Gospel of John Bauckham provides insightful analysis of key texts covering topics such as divine and human community God's glory the cross and the resurrection and the sacraments This work will serve as an ideal supplemental text for professors and students in a course on John or the four Gospels It will also be of interest to New Testament scholars and theologians *Themes of St. Luke* John Navone, John J. Navone, 1970 Of many possible approaches to the study of the Third Gospel this author has opted for a thematic approach realizing that certain aspects of Lucan theology will thereby be highlighted at the expense of others The examination of many distinct themes despite their frequent overlapping favours an appreciation of Lucan theology which is more analytic than synthetic Notwithstanding the analytic emphasis of the thematic approach the unity of Lucan theology will inevitably appear inasmuch as all these themes are ultimately intelligible only as variations on the overriding Lucan theme of salvation in Christ An intelligent reading of the Gospel presupposes an awareness of the individual writer's themes These themes intersect and illuminate each other Several themes often occur in the same periscope The themes of one Gospel will often be found in the others however the perspective of the individual writer will inevitably color their treatment None of the themes treated in this study has been selected on the assumption that it is exclusively Lucan This study does not aim at an exhaustive treatment of the themes selected Such treatment might easily require a book for each theme An attempt has been made to sketch a sufficiently large number of themes from the third Gospel which as an ensemble might lead to an awareness of their subtle orchestration in the hands of the writer whose theological perspective unifies into a meaningful work of art intelligence and grace **Sermons on Gospel Themes. [Edited by H. Cowles.]** Charles G. Finney, 1876 **Sermons on Gospel Themes** Charles Grandison Finney, 2002 *Gospel Themes* Elder Orson F. Whitney, 2018-04-05 Reproduction of the original Gospel Themes by Elder Orson F Whitney **Big Themes of the Bible** Jon Morales, 2021-01-15 Big Themes of the Bible teaches readers to better understand the work of Christ as he's revealed to us in some of the major themes of Scripture Each of the big themes in this

book creation forgiveness people presence yoke and healing captures important aspects of the story of God and his good purposes for his creation *Metánoia (Repentance): A Major Theme of the Gospel of Matthew* ChoongJae Lee,2020-04-13

Matthew describes the beginning of Jesus s ministry with the summary words repent turn for the kingdom of heaven is at hand 3 2 4 17 Why does Matthew use this command at the beginning of his ministry and how does it relate to the rest of the Gospel What do and mean Scholars have stated that in 4 17 has critical value for understanding Matthew because the verse functions as a summary statement or key phrase of Jesus s public ministry and teaching This book argues the thematic significance of turning repentance in the Gospel of Matthew The lexical idea of and involves a turning of mind or heart will thinking and behavior and so in turn of one s whole being and life This opening commandment of turning especially the concept the essence and the contents is fully revealed throughout the body of Matthew in various ways Discipleship the language of righteousness doing the will of God changing one s heart and mind the Great Commission and Matthean soteriological theme convey the essence of and the contents of the fruit worthy of 3 2 8 4 17 The five major teaching blocks 5 7 10 13 18 23 25 teach the theme and the content of The Theme of Recompense in Matthew's Gospel Blaine Charette,2015-01-29

Matthew s theology of the Spirit has received scant scholarly attention a regrettable oversight since the evangelist is careful to note that the eschatological redemption described in his Gospel is the direct result of the activity of God s Spirit Matthew s narrative of God s restoring work which begins with Jesus and continues through his followers is informed by even as it extends the larger biblical narrative concerning God s creative redemptive and restorative work at the centre of which stands his Spirit his active presence As the study elaborates upon the broad sweep of Matthew s interest in the Spirit the operation of the Spirit is examined in relation to the three theological categories of christology soteriology and ecclesiology **God with Us** D. A. Carson,2009-09-01

The virgin will be with child and will give birth to a son and they will call him Immanuel which means God with us Matthew 1 23 NIV God with Us No phrase could better describe the life and ministry of Jesus as chronicled by the apostle Matthew Through the pages of Matthew s Gospel we get a glimpse of Jesus the Messiah the promised Son of God Read God with Us and encounter the living Christ face to face o Follow Jesus from his humble beginnings in a stable to His baptism by John and His triumphant victory over the temptations of Satan o Listen as He explains God and His kingdom to His disciples Blessed are the poor in spirit The kingdom of Heaven is like a king who prepared a wedding banquet for his son Love your neighbor as yourself o Marvel at the power Jesus displays power to heal to save to bring new life o Follow the Son of God to the cross and beyond This thorough yet practical study of Matthew s Gospel is a must for any Christian who desires a complete understanding of who Jesus Christ is why He came to earth how He is related to the Old Testament and how His life death and resurrection can energize daily life The Gospels as Stories Jeannine K. Brown,2020-06-16

Popular writer and teacher Jeannine Brown shows how a narrative approach illuminates each of the Gospels helping readers see the overarching stories This book offers a corrective to tendencies to read the Gospels

piecemeal one story at a time It is filled with numerous examples and visual aids that show how narrative criticism brings the text to life making it an ideal supplementary textbook for courses on the Gospels Readers will gain hands on tools and perspectives to interpret the Gospels as whole stories The Literary Devices in John's Gospel David W. Wead,2018-07-18 As an interdisciplinary forerunner of the new literary approaches to gospel narratives over the last four decades in New Testament scholarship the revised and expanded monograph by David Wead makes a timely contribution to the advancement of those studies Rooted in comparative analyses of contemporary Hellenistic and Jewish literary techniques and drawing from the best of Continental scholarship Wead not only points Johannine scholars to relevant ancient resources but his analyses prepare the way for fresh interpretations of John s story of Jesus today Published originally in Switzerland this book was overlooked by many scholars to the detriment of their work However in addressing such themes as John s post resurrection point of view the Johannine sign the Johannine double meaning irony in the Fourth Gospel and metaphor in the Fourth Gospel Wead s work is now available to new generations of scholars who will find his work both instructive and provocative This newly revised and expanded edition edited by Paul Anderson and Alan Culpepper not only includes a new epilogue by David Wead featuring new reflections and insights but it also includes an expansive overview of the literature before and after Wead s work including a helpful assessment of Wead s monograph in service to ongoing Johannine scholarship No serious study of Gospel literary features devices and strategies can afford to overlook this important book **The Gospels Are Dramas** Ian MacTavish,2016-06-21 This is a study of the four gospels that goes beyond traditional boundaries After considering the dramatic structures of sources as diverse as Shakespeare and Star Wars this book makes the bold suggestion that the gospels were written as dramas and not as strict chronological histories Consider that the gospel authors had to compete for an audience If they wanted to gain followers they had to portray Jesus as a dramatic hero superior to any hero their audience already knew but with virtues that their audience would recognize admire and be drawn to The evidence in the gospels leads to the conclusion that when a gospel was intended for Jews the author based its structure on the 5 books of the Jewish Law And when a gospel was intended for gentiles the author based its structure on the 5 act plays written by the Roman dramatist Seneca This book also explains why Roman authorities would have looked favorably on the gospels Are the Gospels Dramas This book says YES **Living the King Jesus Gospel** Nijay K. Gupta,Tara Beth Leach,Matthew W. Bates,Drew J. Strait,2021-09-07 Living the King Jesus Gospel brings together biblical scholars theologians church historians and ministry practitioners to discuss the Good News of Jesus Christ discipleship and the Christian life throughout the centuries and in the world today Drawing from across the New Testament the Church Fathers the Reformers the Anglican and Orthodox Traditions and various modern contexts the contributors bring diverse perspectives to key questions about the gospel What ties them all together is the person of King Jesus and the hope for a church that embodies and reflects a life giving and flourishing kingdom **Six Themes in Luke Everyone Should Know** John T. Carroll,Eva Stimson,2018-11-06

The author traces six significant themes in the Gospel of Luke and explores their meanings for Luke and for us today in the church. Luke's Gospel features ever widening circles of activity throughout the life of Jesus. Many social and cultural boundaries are crossed in Luke's narrative of Jesus' life, death, and resurrection. This volume includes material for participants as well as outlines and guidance for leading all six sessions. The Six Themes Everyone Should Know series introduces biblical books and their main themes. Each volume consists of six chapters that present major biblical themes; each chapter contains an introduction and three major sections: What does the biblical theme mean? What is the meaning of this biblical theme for the life of faith? What does the biblical theme mean for the church at this point in history for action?

The Cross or Prosperity Gospel Kwaku Boamah, 2022-05-30. Are Christians meant to experience suffering? This question has long been a contentious one within the church. Christ is risen; the kingdom of heaven is at hand; yet sickness, poverty, and persecution continue to be daily realities for Christians around the world. In this study of martyrdom and persecution in the early church, Rev. Dr. Kwaku Boamah reminds us that there is no Christianity without a cross and that suffering has played a prominent role in church theology and tradition since the time of Christ. Examining second and third century apologetic texts and martyr narratives, he utilizes a systematic comparative approach to create a holistic picture of the extreme challenges facing Christians under the Roman Empire. Drawing parallels to the history of persecution and martyrdom in his homeland of Ghana, Boamah locates the experience of African Christianity firmly within the larger narrative of church history, reminding Christians that they are not alone in their suffering but are members of a global unified whole.

A Trustworthy Gospel Daniel B. Moore, 2024-03-29. The trustworthiness of the Gospels rests not only on claims of inspiration but also on eyewitness testimony. And our confidence in that testimony is directly related to when the first Gospel was published. Therefore, it is incumbent upon Christians to consider whether an effective case can be made for asserting that the first Gospel was published within several years or perhaps a decade of the resurrection. To this end, this book offers a series of arguments demonstrating that an early publication of Matthew is reasonable, defensible, and preferable over the popular view that several decades passed before Gospels were published. These arguments include a reasonableness argument that the early church had the means, motive, and opportunity to produce a Gospel; an argument from the church fathers which also resolves supposed conflicts; exegetical arguments from Galatians; apologetic motivational arguments from Christian scholars over the last several centuries; arguments based on ancient perspectives on aging memory and on the obligation of orators to write concerns which would have motivated the apostles to publish early; and an explanatory power argument. Ultimately, the author will encourage the reader to view Matthew as the Messiah's royal chronicler.
