# FINDING JESUS

"A fascinating, provocative, and informative entry into the life of Jesus. *Finding Jesus* uses controversies over recent archeological and literary finds, as well as over some long-argued-about tales and relics, to provide readers with solid scholarship and thoughtful insights into the life of the man whose life, death, and resurrection continue to enthrall and inspire."

—JAMES MARTIN, SJ, AUTHOR OF *JESUS: A PILGRIMAGE*

"Holy doubt is an essential element of faith, yet we are tantalized by stories that give historical insights in support of the foundations of our faith. *Finding Jesus* explores six artifacts that are windows into early Christianity and our desire to know what happened. These windows let us see that faith is deeper than history, but knowing these complex stories can sustain us as we grapple with today's questions. *Finding Jesus*'s stories reveal our very human and complex hunger to understand mystery and our past."

—SISTER SIMONE CAMPBELL, AUTHOR OF *A NUN ON THE BUS*

"For more than two millennia, few people have captured the imaginations of human beings like Jesus Christ. Whether you are spiritual or skeptical, *Finding Jesus* will help you experience the life of One who changed the world. Part anthology and part theology, this book is about what Jesus meant to those who knew him and what he means to those who claim to know him today. Let *Finding Jesus* lead you on a journey of faith and facts — you won't be sorry."
